Good Morning Mayor and Trustees,

I wanted to provide to you the Hearing Officer's Findings of Fact relative to the Area Wide Application.....this gives you time to review it prior to the Special Meeting on June 16th. I will also be posting this and the Final Record on our website.....the Final Record is over 1800 pages which is why I did not provide you a copy by email (since its too large) but will be on our website to review. Please let me know if you have any questions. Thank you!
