RE: Jo'Lyn Corporation/Falcon Waste & Recycling, Inc.
Petition for Adjusted Standard
AS 04-02

Dear Ms. Gunn,

The Board has before it the above petition.

I live in a rural area where dusty roads are a nuisance in the summer. Spreading recycled roofing shingles to reduce this dusty air situation would be a definite improvement in reducing dustiness caused by vehicles driving by my home.

I ask that you support the above petition.

Respectfully Yours,

Billie L. Arvidson
