SUBPART A: GENERAL PROVISIONS

Section 101.100 Applicability

- a) This Part sets forth the rules generally applicable to proceedings before the Illinois Pollution Control Board (Board), and should be read in conjunction with procedural rules for the Board's specific processes, found at 35 Ill. Adm. Code 102 through 130, and the Board's Administrative Rules, found at 2 Ill. Adm. Code 2175. In the event of a conflict between the rules of this Part and those found in subsequent Parts, the more specific requirement applies.
- b) The provisions of the Code of Civil Procedure [735 ILCS 5] and the Supreme Court Rules [Ill. S. Ct. Rules] do not expressly apply to proceedings before the Board. However, the Board may look to the Code of Civil

Procedure and the Supreme Court Rules for guidance where the Board's procedural rules are silent.

Section 101.102 Severability

If any provision of this Part or its application to any person is adjudged invalid, the adjudication does not affect the validity of this Part as a whole or of any portion not adjudged invalid.

Section 101.104 Repeals

All Board resolutions adopted before January 1, 2001 that relate to procedural matters for Board proceedings are repealed and are superseded by 35 Ill. Adm. Code 101-130.

Section 101.106 Board Authority

- a) The Board has the authority to *determine, define and implement the environmental control standards applicable in the State of Illinois and may adopt rules and regulations in accordance with Title VII of the Act [415 ILCS 5/5(b)]*.
- b) The Board has the authority to *conduct hearings upon complaints charging violations of the Act or of regulations thereunder; upon petitions for variances; upon petitions for review of the Agency's denial of a permit in accordance with Title X of the Act; upon petition to remove a seal under Section 34 of the Act; upon other petitions for review of final determination which are made pursuant to the Act or Board rules and which involve a subject which the Board is authorized to regulate; and such other hearings as may be provided by rule [415 ILCS 5/5(d)]*.
- c) In addition to subsections (a) and (b) of this Section, the Board has the authority to act as otherwise provided by law.

Section 101.108 Board Proceedings

- a) Board proceedings can generally be divided into two categories: rulemaking proceedings and adjudicatory proceedings.

- b) The following are examples of Board rulemaking proceedings: Identical-in-Substance, Clean Air Act/Fast Track, Federally Required Rulemaking, General Rulemaking, and Site-Specific Rulemaking. Procedural rules for these types of proceedings can be found at 35 Ill. Adm. Code 102.
- c) The following are examples of Board adjudicatory proceedings: Enforcement Proceedings (35 Ill. Adm. Code 103), Variance Petitions (35 Ill. Adm. Code 104), Adjusted Standard Petitions (35 Ill. Adm. Code 104), Permit Appeals (35 Ill. Adm. Code 105), Leaking Underground Storage Tank Appeals (35 Ill. Adm. Code 105), Pollution Control Facility Siting Appeals (35 Ill. Adm. Code 107), and Administrative Citations (35 Ill. Adm. Code 108).
- d) Board decisions will be made at meetings open to the public. Except as provided in subsection (e) of this Section, 4 members of the Board constitute a quorum, and 4 affirmative votes are required to adopt a Board decision.
- e) At a hearing pursuant to Section 34(d) of the Act to determine whether a seal should be removed, *at least one Board Member shall be present, and those Board Members present may render a final decision without regard to the requirements of Section 5(a) of the Act [415 ILCS 5/34(d)]*.

Section 101.110 Public Participation

- a) General. The Board encourages public participation in all of its proceedings. The extent to which the law allows for the participation varies, depending on the type of Board proceeding involved, the party status of the person or persons seeking to participate, and the rules governing that type of proceeding. Public participation in particular proceedings may be more specifically delineated by Board or hearing officer order consistent with the provisions of applicable law and the Board's procedural rules.
- b) Party/Non-Party Status. The issue of who constitutes a proper party in each type of adjudicatory proceeding before the Board is addressed in the rules. A person

who wishes to participate in a Board adjudicatory proceeding and is not a party will be deemed a participant and will have only those rights specifically provided in these rules. A person who wishes to participate in a Board regulatory proceeding will be deemed a participant and will have only those rights specifically provided in these rules.

- c) Amicus Curiae Briefs. Amicus curiae briefs may be filed in any adjudicatory proceeding by any interested person, provided permission is granted by the Board. Response briefs may be allowed by permission of the Board, but not as of right. The briefs must consist of argument only and may not raise facts that are not in evidence in the relevant proceeding. Amicus curiae briefs, and any responses, will be considered by the Board only as time allows. The briefs will not delay decision-making of the Board. (See also Section 101.302(k) of this Part.)

Section 101.112 Bias and Conflict of Interest

- a) No Board Member or Board employee may represent any other person in any Board proceeding.
- b) No former Board Member or Board employee may represent any other person in any Board proceeding in which he or she participated personally and substantially as a Board Member or Board employee, unless the Board and, as applicable, all parties or proponents in the proceeding consent in writing after disclosure of the participation. For purposes of subsections (a) and (b) of this Section, representation includes consulting on legal or technical matters, and Board employee means a person the Board employs on a full-time, part-time, contract, or intern basis.
- c) The Board, on its own motion or the motion of any party, may disqualify a hearing officer for bias or conflict of interest as provided by Section 10-30(b) of the IAPA [5 ILCS 100/10-30(b)].

Section 101.114 Ex Parte Communications

- a) Adjudicatory Proceedings. Board members and employees are prohibited from engaging in ex parte communications

with respect to a pending adjudicatory proceeding. (See definition of " ex parte communication" in Section 101.202 of this Part.) For purposes of this Section, Board employee means a person the Board employs on a full-time, part-time, contract, or intern basis.

- b) Regulatory Proceedings. Board Members and Board employees should not engage in an ex parte communication designed to influence their action with respect to a pending regulatory proceeding. Whenever practicable, communications with respect to a pending regulatory proceeding must be in writing and addressed to the Clerk rather than to individual Board Members or Board employees.
- c) Nothing in this Section precludes Board Members or Board employees from receiving informal complaints about individual pollution sources, or forbids the administrative contacts as would be appropriate for judges and other judicial officers. Information about a pollution source included in the record of a regulatory proceeding is not an ex parte communication with respect to any adjudicatory proceeding concerning the pollution source.
- d) In the event that an ex parte communication occurs, the Board Member or Board employee will make that communication part of the record of the proceeding. To make an oral ex parte communication part of the record, the substance of the oral communication, along with the identity of each person involved in the communication, will be either set forth in a memorandum and placed in the record or announced on the record at a public hearing.

The person seeking incorporation must file with the Board 4 copies of the material to be incorporated. The Board or hearing officer may approve a reduced number of copies for documents incorporated in other Board dockets. The person seeking incorporation must demonstrate to the Board or the hearing officer that the material to be incorporated is authentic, credible, and relevant to the proceeding. Notice of the request must be given to all identified participants or parties by the person seeking incorporation.
- b) The Board will give the incorporated matter the appropriate weight in light of the following factors: the standard of evidence under which the material was previously presented to the Board; the present purpose for incorporating the material; and the past and current opportunity for cross-examination of the matters asserted within the incorporated material.

- a) Petitions in the following proceedings each have a 120-day statutory decision deadline: Variances (Section 38 of the Act), Permit Appeals and UST appeals (Section 40 of the Act), and Pollution Control Facility Siting Review (Section 40.1 of the Act). Other adjudicatory

proceedings may be subject to decision deadlines as provided by law.

- b) Where the petitioner does not waive the decision deadline, the Board will proceed expeditiously to establish all hearing and filing requirements. Willful or unexcused failure to follow Board requirements on the deadlines will subject the party to sanctions pursuant to Subpart H of this Part. This Section will be strictly construed where there is a decision deadline unless the Board receives a waiver as set out in subsection (c).
- c) All waivers of a deadline for Board action must be filed as a separate document. Waivers must be clearly titled and state which type of waiver it is, identify the proceeding by name and docket number, and be signed by the party or by his authorized representative or attorney. A waiver of a statutory deadline does not preclude the Board from issuing an opinion or order prior to any decision deadline, nor does it preclude the filing of a motion seeking a decision on the matter.
 - 1) **Open Waiver.** Waives the decision deadline completely and unequivocally until the petitioner elects to reinstate the 120-day decision period by filing a notice to reinstate. Upon proper filing of the notice, the decision period is reinstated. In accordance with Section 101.300(b)(4) of this Part, the decision period recommences as of the date the notice to reinstate is filed with the Board.
 - 2) **Time Certain Waiver.** Waives the decision deadline until a time certain. The time certain may be expressed in length of days or to a specific calendar date. If expressed in length of days, day one will be the first day after the date upon which the current time clock expires. If the petitioner files a time certain waiver before the hearing date, the waiver must be for at least 40 days. If the extension is not renewed for at least 40 days prior to the decision deadline, the Board will set the matter for hearing.

 - 2) When appearing before the Board, any person other than individuals must appear through an attorney-at-law licensed and registered to practice law. (Section 1 of the Corporation Practice of Law Prohibition Act [705 ILCS 220/1] and Section 1 of the Attorney Act [705 ILCS 205/1])
 - 3) Attorneys who are licensed to practice in a state other than Illinois and who are not licensed and registered to practice in the State of Illinois may request to appear pro hac vice on a particular matter on a motion filed with the Board.
 - 4) Any attorney appearing in a representative capacity must file a separate written notice of appearance with the Clerk, together with proof of service and notice of filing of the appearance on all parties in the proceeding. Law firms, the Agency, and the Attorney General's Office when appearing before the Board must designate a lead attorney for purposes of phone and mail contact pertaining to the proceeding. Absent a separate written notice, the Board will designate the attorney whose signature appears first on the complaint as the lead attorney.
 - 5) Any person appearing before the Board may appear in a special limited capacity to contest jurisdiction.
- b) Withdrawals. An attorney who has appeared in a representative capacity and who wishes to withdraw from that representation must file a notice of withdrawal

with the Clerk, together with proof of service and notice of filing on all parties or their representatives.

- c) Substitution. Any attorney who substitutes for an attorney of record must file a written appearance pursuant to subsection (a) of this Section. That appearance must identify the attorney for whom the substitution is made. However, no attorney will be considered withdrawn from a proceeding until a formal withdrawal is filed in accordance with subsection (b) of this Section.
- d) Any person may appear on behalf of himself or others in a rulemaking proceeding in accordance with 35 Ill. Adm. Code 102.100(b).

Section 101.402 Intervention of Parties

- a) The Board may permit any person to intervene in any adjudicatory proceeding. If a person seeks to intervene in an adjudicatory proceeding, the person must file a motion to do so with the Clerk and serve a copy of the motion on all parties to the proceeding. The motion must set forth the grounds for intervention.
- b) In determining whether to grant a motion to intervene, the Board will consider the timeliness of the motion and whether intervention will unduly delay or materially prejudice the proceeding or otherwise interfere with an orderly or efficient proceeding.
- c) Subject to subsection (b) of this Section, the Board will permit any person to intervene in any adjudicatory proceeding if:
 - 1) The person has an unconditional statutory right to intervene in the proceeding; or
 - 2) It may be necessary for the Board to impose a condition on the person.
- d) Subject to subsection (b) of this Section, the Board may permit any person to intervene in any adjudicatory proceeding if:

- 1) The person has a conditional statutory right to intervene in the proceeding;
 - 2) The person may be materially prejudiced absent intervention; or
 - 3) The person is so situated that the person may be adversely affected by a final Board order.
- e) An intervenor will have all the rights of an original party to the adjudicatory proceeding, except that the Board may limit the rights of the intervenor as justice may require. The limits may include providing that: the intervenor is bound by Board and hearing officer orders already issued or by evidence already admitted; that the intervenor does not control any decision deadline; and that the intervenor cannot raise issues that were raised or might more properly have been raised at an earlier stage of the proceeding.

Section 101.403 Joinder of Parties

- a) The Board, on its own motion or the motion of any party, may add a person as a party to any adjudicatory proceeding if:
 - 1) A complete determination of a controversy cannot be had without the presence of the person who is not already a party to the proceeding;
 - 2) The person who is not already a party to the proceeding has an interest that the Board's order may affect; or
 - 3) It may be necessary for the Board to impose a condition on the person who is not already a party to the proceeding.
- b) The Board will not dismiss an adjudicatory proceeding for misjoinder of parties. The Board will not dismiss an adjudicatory proceeding for nonjoinder of persons who must be added to allow the Board to decide an action on the merits without first providing a reasonable opportunity to add the persons as parties. As justice may require, the Board may add new parties

and dismiss misjoined parties at any stage of an adjudicatory proceeding.

Section 101.404 Agency as a Party in Interest

Pursuant to Section 30 of the Act, the Board may request that the Agency investigate any alleged violation of the Act, the regulations, any permit granted by the Agency, or any term or condition of any such permit and any such other investigations as the Board may deem advisable. Upon such request, the Board may designate the Agency as a party in interest in any ongoing proceeding in that matter. The designation of the Agency as a party in interest does not require the Agency to take a position on the merits of the proceeding.

Section 101.406 Consolidation of Claims

The Board, upon the motion of any party or upon its own motion, may consolidate two or more proceedings for the purpose of hearing or decision or both. The Board will consolidate the proceedings if consolidation is in the interest of convenient, expeditious, and complete determination of claims, and if consolidation would not cause material prejudice to any party. The Board will not consolidate proceedings where the burdens of proof vary.

Section 101.408 Severance of Claims

Upon motion of any party or on the Board's own motion, in the interest of convenient, expeditious, and complete determination of claims, and where no material prejudice will be caused, the Board may sever claims involving any number of parties.

SUBPART E: MOTIONS

Section 101.500 Filing of Motions and Responses

- a) The Board may entertain any motion the parties wish to file that is permissible under the Act or other applicable law, these rules, or the Illinois Code of Civil Procedure.
- b) All motions must be in writing, unless made orally on the record during a hearing or during a status conference, and must state whether directed to the Board or to the hearing officer. Motions that should

be directed to the hearing officer are set out in Section 101.502 of this Part. All motions should be filed and served in conformance with Subpart C of this Part.

- c) Motions may be filed at any time unless otherwise specifically provided.
- d) Within 14 days after service of a motion, a party may file a response to the motion. If no response is filed, the party will be deemed to have waived objection to the granting of the motion, but the waiver of objection does not bind the Board or the hearing officer in its disposition of the motion. Unless undue delay or material prejudice would result, neither the Board nor the hearing officer will grant any motion before expiration of the 14 day response period except in deadline driven proceedings where no waiver has been filed. Parties may request that the Board grant more time to respond by filing a motion for extension of time.
- e) The moving person will not have the right to reply, except as permitted by the Board or the hearing officer to prevent material prejudice. A motion for leave to file a reply must be filed with the Board within 14 days after service of the response.

Section 101.502 Motions Directed to the Hearing Officer

- a) The hearing officer has the authority to rule on all motions that are not dispositive of the proceeding. Examples of motions that hearing officers may not rule upon are motions to dismiss, motions to decide a proceeding on the merits, motions to strike any claim or defense for insufficiency or want of proof, motions claiming lack of jurisdiction, motions for consolidation, motions for summary judgment, and motions for reconsideration. Oral motions directed to a hearing officer at a status conference will be summarized in a written hearing officer order. The duties and authorities of the hearing officer are further set out in Section 101.610 of this Part.
- b) An objection to a hearing officer ruling made at hearing or any oral motion to the Board made at hearing

will be deemed waived if not filed within 14 days after the Board receives the hearing transcript.

- c) Unless otherwise ordered by the Board, neither the filing of a motion, nor any appeal to the Board of a hearing officer order will stay the proceeding or extend the time for the performance of any act. Unless otherwise provided, all hearing officer orders will remain in effect during the pendency of any appeal to the Board.

Section 101.504 Contents of Motions and Responses

All motions and responses must clearly state the grounds upon which the motion is made and must contain a concise statement of the position or relief sought. Facts asserted that are not of record in the proceeding must be supported by oath, affidavit, or certification in accordance with Section 1-109 of the Code of Civil Procedure [735 ILCS 5/1-109]. A brief or memorandum in support of the motion or response may be included.

Section 101.506 Motions Attacking the Sufficiency of the Petition, Complaint, or Other Pleading

All motions to strike, dismiss, or challenge the sufficiency of any pleading filed with the Board must be filed within 30 days after the service of the challenged document, unless the Board determines that material prejudice would result.

Section 101.508 Motions to Board Preliminary to Hearing

Motions that a party desires the Board to rule on before hearing should be filed 21 days prior to the regularly scheduled Board meeting before the noticed hearing date. Any motion filed after the above prescribed time will be considered by the Board if time permits.

Section 101.510 Motions to Cancel Hearing

- a) Time to File. Unless the Board or the hearing officer orders otherwise the hearing officer may grant motions to cancel hearings that are filed no fewer than 10 days or, if all parties agree to the motion, 5 days before the scheduled hearing date. The hearing officer may grant a motion filed after the prescribed time only if

the movant demonstrates that the movant will suffer material prejudice if the hearing is not canceled.

- b) Contents. All motions to cancel a hearing must set forth a proposed date to reschedule the hearing and must be supported by an affidavit of the person or persons with knowledge of the facts that support the motion. The affidavit must include the factual basis for the request to cancel and a complete status report that describes the progress of the proceeding and sets forth the number of cancellation requests previously granted to the movant. The hearing officer will grant the motion only if the movant demonstrates that the request to cancel is not the result of the movant's lack of diligence.
- c) In a proceeding for which there is a decision deadline, the hearing officer will deny a motion to cancel a hearing if the decision deadline does not allow enough time for the Board to reschedule the hearing, provide the required notice of the rescheduled hearing, complete the hearing, and deliberate and decide the matter.
- d) If the hearing officer grants a motion to cancel a hearing, the hearing officer will revise the schedule to complete the record in accordance with Section 101.612 of this Part. The hearing officer also will file the revised schedule with the Clerk and serve a copy of the revised schedule on all parties in accordance with Subpart C of this Part.

Section 101.512 Motions for Expedited Review

- a) Motions for expedited review must be directed to the Board. All motions for expedited review must contain a complete statement of the facts and reasons for the request and must be accompanied by an oath or affirmation attesting that the facts cited are true.
- b) In acting on a motion for expedited review, the Board will, at a minimum, consider all statutory requirements and whether material prejudice will result from the motion being granted or denied.

- c) The Board will grant a motion for expedited review consistent with available resources and decision deadlines.

Section 101.514 Motions to Stay Proceedings

- a) Motions to stay a proceeding must be directed to the Board and must be accompanied by sufficient information detailing why a stay is needed, and in decision deadline proceedings, by a waiver of any decision deadline. A status report detailing the progress of the proceeding must be included in the motion. (See also Section 101.308 of this Part.)
- b) If the motion to stay is granted, at the close of the stay, the parties must file a status report in accordance with Subpart C of this Part. Additional requests for stay of the proceedings must be directed to the hearing officer.

Section 101.516 Motions for Summary Judgment

- a) Any time after the opposing party has appeared (or after the expiration of time within which any party is required to appear), but no fewer than 30 days prior to the regularly scheduled Board meeting before the noticed hearing date, a party may move the Board for summary judgment for all or any part of the relief sought. Any response to a motion for summary judgment must be filed within 14 days after service of the motion for summary judgment. The hearing officer may extend the filing and response deadlines contained in this subsection upon written motion by a party, consistent with any statutory deadlines.
- b) If the record, including pleadings, depositions and admissions on file, together with any affidavits, shows that there is no genuine issue of material fact, and that the moving party is entitled to judgment as a matter of law, the Board will enter summary judgment.
- c) Any party wishing to cancel a hearing pending decision on a motion for summary judgment must file a motion to cancel hearing pursuant to Section 101.510 of this Part.

Section 101.518 Motions for Interlocutory Appeal from Hearing Officer Orders

Interlocutory appeals from a ruling of the hearing officer may be taken to the Board. The Board may consider an interlocutory appeal upon the filing of a written motion.

Section 101.520 Motions for Reconsideration

- a) Any motion for reconsideration or modification of a final Board order must be filed within 35 days after the receipt of the order. (See Section 101.902 of this Part.)
- b) Any response to a motion for reconsideration or modification must be filed within 14 days after the filing of the motion.
- c) A timely-filed motion for reconsideration or modification stays the effect of the final order until final disposition of the motion in accordance with Section 101.300(d)(2) of this Part.

Section 101.522 Motions for Extension of Time

The Board or hearing officer, for good cause shown on a motion after notice to the opposite party, may extend the time for filing any document or doing any act which is required by these rules to be done within a limited period, either before or after the expiration of time.

SUBPART F: HEARINGS, EVIDENCE, AND DISCOVERY

Section 101.600 Hearings

All hearings are open to the public and are held in compliance with the Americans with Disabilities Act of 1990 (42 USC 12101 et seq.). The hearings are generally held in the county in which the source or facility is located unless otherwise ordered by the hearing officer. All hearings are subject to cancellation without notice. Interested persons may contact the Clerk's office or the hearing officer for information about the hearing. Parties, participants, and members of the public must conduct themselves with decorum.

Section 101.602 Notice of Board Hearings

- a) The Clerk will provide notice of all hearings, except for administrative citation hearings, in a newspaper of general circulation in the county in which the facility or pollution source is located, or where the activity in question occurred. Notice must be published at least 21 days prior to the hearing. If the proceeding involves federal rules which the State has been given delegated authority to administer, notice must be published at least 30 days prior to the hearing.

- b) *Whenever a proceeding before the Board may affect the right of the public individually or collectively to the use of community sewer or water facilities provided by a municipally owned or publicly regulated company, the Board shall at least 30 days prior to the scheduled date for the first hearing in the proceeding, give notice of the date, time, place, and purpose of the hearing by public advertisement in a newspaper of general circulation in the area of the State concerned [415 ILCS 5/33(c)].*

Section 101.604 Formal Board Transcript

All Board hearings will be transcribed by a certified court reporter in accordance with Section 32 of the Act or other applicable law. Any party or witness may file a motion with the hearing officer to correct the transcript within 21 days after receipt of the transcript in the Clerk's Office. Failure of any party or witness to timely file a motion to correct the transcript constitutes a waiver of the right to correct, unless material prejudice results.

Section 101.606 Informal Recordings of the Proceedings

Informal recording of Board proceedings is allowed as provided for in this Section. The hearing officer may prohibit audio or video recording at hearing if a witness refuses to testify on the grounds that the witness may not be compelled to testify if any portion of the testimony is to be broadcast or televised. If the hearing officer determines that recording is disruptive or detrimental to proper development of the record, the hearing officer may limit or prohibit audio and/or video recording.

Section 101.608 Default

- a) Failure of a party to appear at the hearing, or failure to proceed as ordered by the Board or hearing officer, will constitute default.
- b) If a respondent fails to appear at hearing, the complainant or petitioner must prove its prima facie case in order to prevail on the merits.

Section 101.610 Duties and Authority of the Hearing Officer

The hearing officer has the duty to manage proceedings assigned, to set hearings, to conduct a fair hearing, to take all necessary action to avoid delay, to maintain order, and to ensure development of a clear, complete, and concise record for timely transmission to the Board. The hearing officer has all powers necessary to these ends, including the authority to:

- a) Require parties to proceed to hearing and establish a schedule for, and notice and service of, any prefiled submission of testimony and written exhibits;
- b) Administer oaths and affirmations;
- c) Allow for the examination of or examine witnesses to ensure a clear and complete record;
- d) Regulate the course of the hearing, including controlling the order of proceedings;
- e) Establish reasonable limits on the duration of the testimony and questioning of any witness, and limit repetitive or cumulative testimony and questioning;
- f) Determine that a witness is adverse, hostile, or unwilling pursuant to Section 101.624 of this Part;
- g) Issue an order compelling the answers to interrogatories or responses to other discovery requests;
- h) Order the production of evidence pursuant to Section 101.614 of this Part;
- i) Order the filing of any required record or recommendation in a manner which provides for a timely

review and development of issues prior to the hearing and consistent with any statutory decision deadline;

- j) Initiate, schedule, and conduct a pre-hearing conference;
- k) Order a briefing and comment schedule and exclude late-filed briefs and comments from the record;
- l) Rule upon objections and evidentiary questions;
- m) Order discovery pursuant to Sections 101.614 and 101.616 of this Part;
- n) Rule on any motion directed to the hearing officer or deferred to the hearing officer by the Board in accordance with Section 101.502 of this Part;
- o) Set status report schedules;
- p) Require all participants in a rulemaking proceeding to state their positions with respect to the proposal; and
- q) Rule upon offers of proof and receive evidence and rule upon objections to the introduction of evidence.

Section 101.612 Schedule to Complete the Record

- a) The hearing officer must establish a schedule to complete the record. The schedule may provide dates and deadlines for pre-hearing conferences, discovery completion, and hearing and post-hearing submissions (including public comments). The schedule must provide for a completed record at least 30 days before the decision date, unless the hearing officer orders otherwise to prevent material prejudice. The schedule must be in the form of a hearing officer order. The hearing officer must file the schedule with the Clerk and serve a copy of the schedule on all parties in accordance with Subpart C of this Part.
- b) The hearing officer may rule upon any motion to revise the schedule to complete the record. The hearing officer may grant the motion to the extent that the revised schedule provides for a completed record at least 30 days before the decision date or to prevent

material prejudice. If the hearing officer grants a motion to revise the schedule, the hearing officer must file the revised schedule with the Clerk and serve a copy of the revised schedule on all parties in accordance with Subpart C of this Part. (See also Section 101.510(d) of this Part.)

Section 101.614 Production of Information

The hearing officer may, on his or her own motion or on the motion of any party, order the production of information that is relevant to the matter under consideration. The hearing officer will deny, limit or condition the production of information when necessary to prevent undue delay, undue expense, or harassment, or to protect materials from disclosure consistent with Sections 7 and 7.1 of the Act and 35 Ill. Adm. Code 130.

Section 101.616 Discovery

The assigned hearing officer will set all time deadlines for discovery not already provided for in this Subpart consistent with Board deadlines. For purposes of discovery, the Board may look to the Code of Civil Procedure and the Supreme Court Rules for guidance where the Board's procedural rules are silent (see Section 101.100(b)). All discovery disputes will be handled by the assigned hearing officer.

- a) All relevant information and information calculated to lead to relevant information is discoverable, excluding those materials that would be protected from disclosure in the courts of this State pursuant to statute, Supreme Court Rules or common law, and materials protected from disclosure under 35 Ill. Adm. Code 130.
- b) If the parties cannot agree on the scope of discovery or the time or location of any deposition, the hearing officer has the authority to order discovery or to deny requests for discovery.
- c) All discovery must be completed at least 10 days prior to the scheduled hearing in the proceeding unless the hearing officer orders otherwise.
- d) The hearing officer may, on his or her own motion or on the motion of any party or witness, issue protective orders that deny, limit, condition or regulate

discovery to prevent unreasonable expense, or harassment, to expedite resolution of the proceeding, or to protect non-disclosable materials from disclosure consistent with Sections 7 and 7.1 of the Act and 35 Ill. Adm. Code 130.

- e) Unless a claim of privilege is asserted, it is not a ground for objection that the testimony of a deponent or person interrogated will be inadmissible at hearing, if the information sought is reasonably calculated to lead to relevant information. Any appeals of rulings by the hearing officer regarding discovery must be in writing and filed with the Board prior to hearing.
- f) Failure to comply with any order regarding discovery may subject the offending persons to sanctions pursuant to Subpart H of this Part.
- g) If any person serves any request for discovery or answers to discovery for any improper purpose, such as to harass or to cause unnecessary delay or needless increase in the cost of litigation, or knowingly gives a false answer to discovery questions, the Board, on its own motion or the motion of a party, may impose sanctions pursuant to Subpart H of this Part.
- h) A party must amend any prior responses to interrogatories, requests for production, or requests for admission if the party learns that the response is in some material respect incomplete or incorrect, and the additional or corrected information has not otherwise been made known to the other parties during the discovery process or in writing.

Section 101.618 Admissions

- a) General. All requests to admit must be served upon a party no later than 35 days before hearing. All answers or objections to requests to admit must be served upon the party requesting the admission within 28 days after the service of the request.
- b) Extension of Time. In accordance with Sections 101.522 and 101.610 of this Part, the hearing officer may extend the time for filing any request, answer, or

objection either before or after the expiration of time.

- c) Request to Admit. Any party serving a request to admit in accordance with subsection (d) or (e) must include the following language in the first paragraph of the request. " Failure to respond to the following requests to admit within 28 days may have severe consequences. Failure to respond to the following requests will result in all the facts requested being deemed admitted as true for this proceeding. If you have any questions about this procedure, you should contact the hearing officer assigned to this proceeding or an attorney."
- d) Request for Admission of Fact. A party may serve a written request for admission of the truth of specific statements of fact on any other party.
- e) Request for Admission of Genuineness of Document. A party may serve a written request for admission of the genuineness of documents on any other party. Copies of the document must be served unless the document has already been furnished in the present proceeding.
- f) Admission in the Absence of Denial. Each of the matters of fact and the genuineness of each document of which admission is requested is admitted unless, within 28 days after service thereof, the party to whom the request is directed serves upon the party requesting the admission either a sworn statement denying specifically the matters of which admission is requested or setting forth in detail the reasons why the party cannot truthfully admit or deny those matters, or written objections on the ground that some or all of the requested admissions are privileged or irrelevant or that the request is otherwise improper in whole or in part. If written objections to a part of the request are made, the remainder of the request must be answered within the period designated in the request. A denial must fairly address the substance of the requested admission.
- g) Partial Denial or Qualification. If good faith requires that a party deny a part of a matter for which an admission is requested, or if a part requires

qualification, the party must specify the part which is denied or qualified and admit only the remainder.

- h) Objection. Any objection to a request or to any answer must be stated with specificity, and will be heard by the hearing officer upon notice and motion of the party making the request.
- i) Effect of Admission. Any admission made by a party pursuant to a request under this Section is for the purpose of the pending proceeding only. It does not constitute an admission by the party for any other purpose and may not be used against him in any other proceeding.

Section 101.620 Interrogatories

- a) Unless ordered otherwise by the hearing officer, a party may serve a maximum of 30 written interrogatories, including subparts, on any other party, no later than 35 days before hearing.
- b) Within 28 days after service thereof, the party to whom the interrogatory is directed must serve the answers and objections, if any, upon the party submitting the interrogatories. Each interrogatory must be answered separately and fully in writing under oath, unless it is objected to. Answers must be signed by the person making them and objections must be signed by the attorney making them or, in the event of an individual representing himself or herself, the individual making them.
- c) Grounds for an objection to an interrogatory must be stated with specificity, and be accompanied by a copy of the interrogatory. Any ground that is not stated in a timely objection is waived unless it results in material prejudice or good cause for the delay is shown.

Section 101.622 Subpoenas and Depositions

- a) Upon request by any party to a contested proceeding, the Clerk will issue subpoenas for the attendance of witnesses at a hearing or deposition. Subpoena forms are available at the Board's Chicago office. The

person requesting the subpoena is responsible for completing the subpoena and serving it upon the witness.

- b) Service of the subpoena on the witness must be completed no later than 10 days before the date of the required appearance. A copy of the subpoena must be filed with the Clerk and served upon the hearing officer within 7 days after service upon the witness. Failure to serve both the Clerk and the hearing officer will render the subpoena null and void. Service and filing must be in accordance with Subpart C of this Part.
- c) Subpoenas may include a command to produce books, papers, documents, or other tangible things designated therein and relevant to the matter under consideration.
- d) The hearing officer, upon motion made promptly and in any event at or before the time specified in the subpoena for compliance, may quash or modify the subpoena if it is unreasonable or irrelevant. The hearing officer will rule upon motions to quash or modify material requested in the subpoena pursuant to subsection (c) of this Section in accordance with the standards articulated in Section 101.614 of this Part.
- e) Each witness subpoenaed by a party under this Section is entitled to receive witness fees from that party as provided in Section 4.3 of the Circuit Courts Act [705 ILCS 35/4.3].
- f) Unless the hearing officer orders otherwise, any witness subpoenaed for a deposition may be required to attend only in the county in which he resides or maintains an office address. In accordance with Supreme Court Rule 206(d), all depositions must be limited to 3 hours in length unless the parties and the non-party deponent by stipulation agree to a longer time frame or unless the hearing officer orders otherwise after a showing of good cause. (See Ill. S. Ct. Amended Rule 206(d).)
- g) Failure of any witness to comply with a subpoena will subject the witness to sanctions under this Part, or the judicial enforcement of the subpoena. The Board

may, upon proper motion by the party requesting the subpoena, request the Attorney General to pursue judicial enforcement of the subpoena on behalf of the Board.

Section 101.624 Examination of Adverse, Hostile or Unwilling Witnesses

- a) Adverse Witnesses. At hearing, upon motion granted by the hearing officer, any party, or any person for whose immediate benefit the proceeding is prosecuted or defended, or any officers, directors, managing agents, or foremen of any party may be called as an adverse witness as allowed by the Code of Civil Procedure. (See Section 2-1102 of the Code of Civil Procedure.) Adverse witnesses may be examined as if under cross-examination. The party calling the adverse witness may rebut the testimony and may impeach the witness.
- b) Hostile or Unwilling Witnesses. If the hearing officer determines that any witness is hostile or unwilling, the witness may be examined by the party calling the witness as if under cross-examination.

Section 101.626 Information Produced at Hearing

In accordance with Section 10-40 of the IAPA, the hearing officer will admit evidence that is admissible under the rules of evidence as applied in the civil courts of Illinois, except as otherwise provided in this Part.

- a) Evidence. The hearing officer may admit evidence that is material, relevant, and would be relied upon by prudent persons in the conduct of serious affairs, unless the evidence is privileged.
- b) Admissibility of Evidence. When the admissibility of evidence depends upon a good faith argument as to the interpretation of substantive law, the hearing officer will admit the evidence.
- c) Scientific Articles and Treatises. Relevant scientific or technical articles, treatises, or materials may be introduced into evidence by a party. The materials are subject to refutation or disputation through

introduction of documentary evidence or expert testimony.

- d) **Written Testimony.** Written testimony may be introduced by a party in a hearing only if provided to all other parties of record prior to the date of the hearing and only after the opposing parties have had an opportunity to object to the written testimony and to obtain a ruling on the objections prior to its introduction. Written testimony may be introduced by a party only if the persons whose written testimony is introduced are available for cross-examination at hearing.
- e) **Admission of Business Records.** A writing or record, whether in the form of any entry in a book or otherwise made as a memorandum or record of any act, transaction, occurrence, or event, may be admissible as evidence of the act, transaction, occurrence, or event. To be admissible, the writing or record will have been made in the regular course of business, provided it was the regular course of business to make the memorandum or record at the time of the act, transaction, occurrence, or event, or within a reasonable time thereafter. All other circumstances of the making of the writing or record, including lack of personal knowledge by the entrant or maker, may be admitted to affect the weight of the evidence, but will not affect admissibility. The term "business," as used in this subsection (e), includes businesses, professions, occupations, and callings of every kind.
- f) **Prior Inconsistent Statements.** Prior statements made under oath may be admitted to impeach a witness if the statement is inconsistent with the witness' testimony at hearing.
- g) **Oral and Written Statements.** Oral and written statements from participants may be taken at hearing in accordance with Section 101.628 of this Part.

Section 101.628 Statements from Participants

- a) **Oral Statements.** The hearing officer may permit a participant to make oral statements on the record when time, facilities, and concerns for a clear and concise

hearing record so allow. The oral statements must be made under oath and are subject to cross-examination.

- b) **Written Statements.** Any participant may submit written statements relevant to the subject matter at any time prior to hearing or at hearing. Participants submitting such a statement will be subject to cross-examination by any party. Written statements submitted without the availability of cross-examination will be treated as public comment in accordance with subsection (c) of this Section and will be afforded lesser weight than evidence subject to cross-examination.
- c) **Public Comments or Amicus Curiae Briefs.** Participants may file public comments subject to the requirements of this Section and the hearing officer's schedule for completion of the record. The Board also allows for the filing of amicus curiae briefs by non-party participants. Amicus curiae briefs will be allowed in accordance with Section 101.110 of this Part.
 - 1) Public comments must be filed within 14 days after the close of the last hearing unless the hearing officer specifies a different date for submission of post-hearing comments. However, all public comments must be filed with the Board no later than 30 days before the decision date, unless the hearing officer orders otherwise to prevent material prejudice. Consistent with the burden of proof in a proceeding, the hearing officer may provide for differing filing deadlines with respect to post-hearing comments by different persons. Pursuant to hearing officer order, rebuttal public comments may be submitted.
 - 2) All public comments must present arguments or comments based on evidence contained in the record. The comments may also present legal argument citing legal authorities.
 - 3) Comments must be filed with the Board. Comments will be distributed to parties and the hearing officer by the Clerk's office.

Official notice may be taken of all facts of which judicial notice may be taken and of other facts within the specialized knowledge and experience of the Board.

Section 101.632 Site Visits

Upon the request of any party or the Board's own motion, the Board may conduct a site visit to establish a more comprehensive record. If the site visit is part of an adjudicatory proceeding, the Board will notify all parties in advance.

SUBPART G: ORAL ARGUMENT

Section 101.700 Oral Argument

- a) The Board may hear oral argument upon written motion of a party or the Board's own motion. The oral argument will be transcribed by a stenographer provided by the Board and become part of the record of the proceedings before the Board. The purpose of oral argument is to address legal questions. Oral argument is not intended to address new facts.
- b) Motions for oral argument must contain arguments supporting the grant of the motion for oral argument. In considering a motion for oral argument, the Board will consider, but is not limited to considering, the uniqueness of the issue or proceeding and whether the issue or proceeding involves a conflict of law.
- c) In any proceeding with a statutory decision deadline, the Board will deny the request for oral argument if there is insufficient time to schedule oral argument and allow time for the Board to issue its decision.
- d) If the Board grants the motion for oral argument, it will issue an order setting forth a schedule for oral argument that may include a briefing schedule. The brief will be limited to the issues for which oral argument was granted.

SUBPART H: SANCTIONS

Section 101.800 Sanctions for Failure to Comply with
 Procedural Rules, Board Orders, or Hearing Officer
 Orders

- a) If any person unreasonably fails to comply with any provision of 35 Ill. Adm. Code 101 through 130 or any order entered by the Board or the hearing officer, including any subpoena issued by the Board, the Board may order sanctions. The Board may order sanctions on its own motion, or in response to a motion by a party.
- b) Sanctions include the following:
 - 1) Further proceedings may be stayed until the order or rules are complied with, except in proceedings with a statutory decision deadline. Proceedings with a statutory decision deadline may be dismissed prior to the date on which decision is due;
 - 2) The offending person may be barred from filing any other pleading or other document relating to any issue to which the refusal or failure relates;
 - 3) The offending person may be barred from maintaining any particular claim, counterclaim, third-party complaint, or defense relating to that issue;
 - 4) As to claims or defenses asserted in any pleading or other document to which that issue is material, a judgment by default may be entered against the offending person or the proceeding may be dismissed with or without prejudice;
 - 5) Any portion of the offending person's pleadings or other documents relating to that issue may be stricken and, if appropriate, judgment may be entered as to that issue; and
 - 6) The witness may be barred from testifying concerning that issue.
- c) In deciding what sanction to impose the Board will consider factors including: the relative severity of the refusal or failure to comply; the past history of the proceeding; the degree to which the proceeding has been delayed or prejudiced; and the existence or

absence of bad faith on the part of the offending party or person.

Section 101.802 Abuse of Discovery Procedures

The Board or the hearing officer may order that information obtained through abuse of discovery procedures be suppressed. If a person willfully obtains or attempts to obtain information by an improper discovery method, willfully obtains or attempts to obtain information to which he is not entitled, or otherwise abuses discovery rules, the Board or hearing officer may enter any order provided for in this Part.

SUBPART I: REVIEW OF FINAL BOARD OPINIONS AND ORDERS

Section 101.902 Motions for Reconsideration

In ruling upon a motion for reconsideration, the Board will consider factors including new evidence, or a change in the law, to conclude that the Board's decision was in error. (See also Section 101.520 of this Part.)

Section 101.904 Relief from and Review of Final Opinions and Orders

- a) Upon its own motion or motion of any party, the Board may correct clerical mistakes in orders or other parts of the record and errors therein arising from oversight or omission. The mistakes may be so corrected by the Board before the appeal is docketed in the appellate court. Thereafter, while the appeal is pending, the mistakes may be corrected only with leave of the appellate court. Any corrected order will be mailed to all parties and participants in that proceeding.
- b) On written motion, the Board may relieve a party from a final order entered in a contested proceeding, for the following:
 - 1) Newly discovered evidence that existed at the time of hearing and that by due diligence could not have been timely discovered;
 - 2) Fraud (whether intrinsic or extrinsic), misrepresentation, or other misconduct of an adverse party; or

- 3) Void order, such as an order based upon jurisdictional defects.
- c) A motion under this Section does not affect the finality of a Board order or suspend the operation of a Board order. The motion must be filed in the same proceeding in which the order was entered but is not a continuation of the proceeding. The motion must be supported by oath or affidavit or other appropriate showing as to matters not of record. All parties or participants in the proceeding must be notified by the movant as provided by Section 101.304 of this Part.
- d) A motion under subsection (b) of this Section must be filed with the Board within one year after entry of the order except that a motion pursuant to subsection (b)(3) of this Section must be filed within a reasonable time after entry of the order.
- e) Any response to a motion under this Section must be filed within 14 days after the filing of the motion.
- f) A motion for reconsideration of a final Board order is not a prerequisite for the appeal of that final Board order.

Section 101.906 Judicial Review of Board Orders

- a) Pursuant to Sections 29 and 41 of the Act, Supreme Court Rule 335, and Section 10-50 of the IAPA, judicial review of final Board orders is available from the appellate court.
- b) For purposes of judicial review, final Board orders are appealable as of the date of service by the Board upon the appealing party.
- c) The procedure for stay of any final Board order during appeal will be as provided in Rule 335 of the Rules of the Supreme Court of Illinois (Ill. S. Ct. Rule 335).

Section 101.908 Interlocutory Appeal

Upon motion of any party the Board may consider an interlocutory appeal in accordance with Supreme Court Rule 308. (Ill. S. Ct. Rule 308).

BOARD NOTE: The Board notes that all docket numbers consist of letter(s) followed by two numbers. The first two digit number is the fiscal year the matter was filed. Then the second number is

the sequential number for that type of filing the Board has received that year. Persons making filings are not responsible for the Board docket number on the original filing. The Clerk of the Board will assign the appropriate docket number when the matter is filed. All filings in a matter that has been assigned a docket number should contain a docket number located as indicated on the examples above. The Board will also be designating its opinion and orders with the type of case and media involved in the matter. Where the above examples have the type of case preceded by "X" the Board will, for example if the case is dealing with a variance from certain water regulations, put the media, water, after variance to become "Variance-Water". Again, persons making filings need not place this on original filings. However, all filings in a matter that has been assigned the media should indicate that media in the location as in the above examples. Where there are specific procedural rules developed for specific types of cases, as in a "UST Appeal", persons making filings should follow those examples.

SUBPART A: GENERAL PROVISIONS

Section 102.100 Applicability

- a) This Part applies to all regulatory and informational hearings and proceedings, and must be read in conjunction with 35 Ill. Adm. Code 101. Hearings conducted pursuant to this Part are quasi-legislative in nature and the purpose of the hearings is to gather information and comments to guide the Board in its rulemaking process. All testimony must be sworn.
- b) All persons taking part in these hearings are participants, rather than parties as in contested cases. Non-attorneys may represent themselves and others at regulatory hearings and may ask questions of witnesses or give testimony or comment as allowed by the hearing officer.

Section 102.102 Severability

If any provision of this Part or its application to any person is adjudged invalid, the adjudication does not affect the validity of this Part as a whole or of any portion not adjudged invalid.

Section 102.104 Definitions

For the purpose of this Part, words and terms will have the meanings as defined in 35 Ill. Adm. Code 101.Subpart B unless

otherwise provided, or unless the context clearly indicates otherwise.

Section 102.106 Types of Regulatory Proposals

- a) The Act provides for 4 types of regulatory proposals:
 - 1) Identical-in-substance rulemakings, as defined in Sections 7.2, 13.3, 28.2 and 28.4 of the Act [415 ILCS 5/7.2, 13.3., 28.2, and 28.4];
 - 2) Federally required rules, as defined in Section 28.2 of the Act [415 ILCS 5/28.2];
 - 3) Other regulatory proposals, both of general applicability and not of general applicability as allowed by Sections 26, 27 and 28 of the Act [415 ILCS 5/26, 27, and 28]; and
 - 4) Clean Air Act fast track rulemakings as defined by Section 28.5 of the Act [415 ILCS 5/28.5].

- b) The IAPA provides for three types of rulemakings:
 - 1) General rulemaking pursuant to Section 5-40 of the IAPA [5 ILCS 100/5-40];
 - 2) Emergency rulemaking pursuant to Section 5-45 of the IAPA [5 ILCS 100/5-45]; and
 - 3) Peremptory rulemaking pursuant to Section 5-50 of the IAPA [5 ILCS 100/5-50].

Section 102.108 Public Comments

- a) The Board will accept written comments from any person concerning a regulatory proposal during the first notice period as defined in Section 102.604 of this Part. However, when adopting identical-in-substance regulations, the Board will accept written comments from USEPA and other persons for at least 45 days after the date of publication of the proposed regulations or amendments in the Illinois Register in accordance with Section 102.610 of this Part.

- b) Any person may submit written comments on any proposal within 14 days after the receipt of the hearing transcript in Board offices unless otherwise specified by the hearing officer or the Board.
- c) Comments must be filed with the Clerk and served in accordance with 35 Ill. Adm. Code 101.Subpart C, upon the Environmental Protection Agency (Agency), Department of Natural Resources (DNR), the Attorney General (if a participant), the proponent, and the participants on any service list established by the hearing officer pursuant to Section 102.422 of this Part unless otherwise specified by the hearing officer or the Board.
- d) Comments that are not timely filed or properly served will not be considered, except as allowed by the hearing officer or the Board to prevent material prejudice.

Section 102.110 Waiver of Requirements

The Board may waive any of the non-statutory requirements of this Part upon a showing by a person that a particular requirement would create an undue burden on that person such as where the burden of compliance imposes financial costs that would preclude further participation, or where compliance would result in the provision of information already provided in that proceeding.

Section 102.112 Other Proceedings

Pursuant to Section 5(d) of the Act or other applicable law, the Board may conduct such other noncontested or informational hearings as may be necessary to accomplish the purposes of the Act or other applicable law. The hearings may include inquiry hearings to gather information on any subject the Board is authorized to regulate.

SUBPART B: REGULATIONS OF GENERAL APPLICABILITY, RESOURCE CONSERVATION AND RECOVERY ACT (RCRA) AMENDMENTS, AND SITE-SPECIFIC REGULATIONS

Section 102.200 Proposal for Regulations of General Applicability

Any person may submit a regulatory proposal for the adoption, amendment, or repeal of a regulation. The original and 9 copies of each proposal must be filed with the Clerk and one copy each with the Attorney General, the Agency, and DNR.

- j) When any information required under this Section is inapplicable or unavailable, a complete justification for the inapplicability or unavailability.

Section 102.204 Proposal of RCRA Amendments

In addition to satisfying the requirements of Section 102.202 of this Part, any proposal to amend the RCRA regulations must:

- a) Indicate whether it is made pursuant to the provisions of Section 22.4(a), 22.4(b) or 22.4(c) of the Act;
- b) Include a listing of all amendments to the corresponding federal regulations since the period encompassed by the last amendment of the Board's RCRA rules; and

Section 102.206 Notice of Site-Specific RCRA Proposals

- a) Public notice of hearings on site-specific RCRA proposals will be given at least 30 days before the date of the hearing.
- b) In addition to the requirements of Section 28 of the Act, the Board, at a minimum, will give notice of hearings on a site-specific RCRA proposal to the following persons:

 - 3) Illinois Department of Natural Resources;
 - 4) Illinois Department of Public Health;
 - 5) The Governor of any other state adjacent to the county in which the facility is located; and
 - 6) Elected officials of any counties, in other states, adjacent to the county in which the facility is located, and elected officials in any municipality, in another state, if it is the closest population center to the facility.
- c) In addition to the methods of notice by publication of Section 28 of the Act and Section 102.416 of this Part, the Board will give notice by broadcast over at least one radio station in the area of the facility containing the information required by subsections (d)(2) and (d)(4) through (d)(8) of this Section.
- d) A hearing notice on a site-specific RCRA proposal will include the following information:
- 1) The address of the Board office;
 - 2) Name and address of the proponent and, if different, of the facility for which the site-specific rule is sought;
 - 3) A brief description of the business conducted at the facility and the activity described in the proposal;
 - 4) A description of the relief requested in the proposal;
 - 5) Name, address and telephone number of the Clerk of the Board, from whom interested persons may obtain further information, including copies of the proposal;

- 7) A description of any written comment period or a statement that a comment period will be established in the future;
- 8) A statement that the record in the rulemaking is available at the Board office for inspection, except those portions that are claimed or determined to be trade secrets, and that procedures are available whereby disclosure may be sought by the public. Any such claim must be made in accordance with 35 Ill. Adm. Code 130;
- 9) A statement that site-specific rules may be adopted pursuant to 415 ILCS 5/27 and Section 102.202 of this Part, and a citation to the Board regulations sought to be modified; and
- 10) Any additional information considered necessary or proper.

Section 102.208 Proposal for Site-Specific Regulations

Any person may submit a written proposal for the adoption, amendment or repeal of a substantive site-specific regulation. The original and 9 copies of each proposal must be filed with the Clerk of the Board and one copy each served upon the Agency, DNR, and the Attorney General.

Section 102.210 Proposal Contents for Site-Specific Regulations

Proponents of site-specific regulations other than those relating to RCRA must comply with the requirements of Section 102.202 of this Part in addition to the following requirements:

- a) The proposal must set forth the language of the proposed site-specific rule, including any existing regulatory language proposed to be amended or repealed. Language being added must be indicated by underscoring and language being deleted must be indicated by strike-outs. If the proposed site-specific rule seeks an exemption from or modification of a rule of general applicability, the proposed site-specific rule may not

be proposed as an amendment to the general rule. Instead, the site-specific rule must be proposed as its own Section;

- b) In the event that the proposed rule would replace the applicability of a general rule to the pollution source, the proposal must specify, with supporting documentation, the reasons why the general rule is not technically feasible or economically reasonable for the person or site. The documentation must include relevant information on other similar persons' or sites' ability to comply with the general rule. Where relevant to the Board's consideration, the proposal must also include information pertaining to *existing physical conditions, the character of the area involved, including the character of surrounding land uses, zoning classifications, and the nature of the existing air quality or receiving body of water* [415 ILCS 5/27(a)];
- c) The proposal must describe the person or site for which regulatory change is sought and the area affected by the proposed change. The proposal must also include a detailed assessment of the environmental impact of the proposed change, and include a description of available treatment or control options;
- d) The proposal must demonstrate that the Board may grant the requested relief consistent with federal law governing the subject of the proposal (e.g., Underground Injection Control program, Resource Conservation and Recovery Act, etc.);
- e) When the proponent is a State agency, the proponent also must provide an electronic version of the information required under subsection (a) of this Section; and
- f) When any information required under this Section is inapplicable or unavailable, the proposal must provide a complete justification for the inapplicability or unavailability.

- a) Failure of the proponent to satisfy the content requirements for proposals under this Subpart or failure to respond to Board requests for additional information will render a proposal subject to dismissal for inadequacy.
- b) Failure of the proponent to pursue disposition of the proposal in a timely manner will render a proposal subject to dismissal. In making this determination, the Board will consider factors including the history of the proceeding and the proponent's compliance with any Board or hearing officer orders.
- c) A proposal will be dismissed for inadequacy in cases in which the Board, after evaluating the proposal, cannot determine the statutory authority on which the proposal is made. In all such cases, a statement informing the proponent of the Board's basis for dismissal will be made. Dismissal of a proposal will not bar a proponent from re-submitting a proposal in the absence of any deadline imposed by applicable law or Board regulations.
- d) Any person may file a motion challenging the statutory authority or sufficiency of the proposal pursuant to 35 Ill. Adm. Code 101.Subpart E.

SUBPART C: CLEAN AIR ACT AMENDMENTS (CAAA) FAST TRACK RULEMAKING

Section 102.300 Applicability

This Subpart applies to the adoption of rules proposed by the Agency and required to be adopted by the State under the Clean Air Act as amended by the Clean Air Act Amendments of 1990 (CAAA). A "fast-track" rulemaking proceeding is a proceeding to promulgate a rule that the CAAA requires to be adopted. For purposes of this Section, "requires to be adopted" refers only to those regulations or parts of regulations for which the United States Environmental Protection Agency is empowered to impose sanctions against the State for failure to adopt such rules. [415 ILCS 5/28.5(a), (c)]

Section 102.302 Agency Proposal

- a) When proposing a regulation required by the CAAA, the Agency must meet the following requirements:

- 1) The proposal must set forth the proposed rule, which must be drafted in accordance with 1 Ill. Adm. Code 100.Subpart C;
- 2) The proposal must have a cover sheet that prominently states that the Agency proposes the rule under Section 28.5 of the Act, *unless another provision of the Act specifies the method for adopting a specific rule* [415 ILCS 5/28.5(c)];
- 3) The proposal must *clearly identify the provisions and portions of the federal statute, regulations, guidance, policy statement, or other documents upon which the rule is based* [415 ILCS 5/28.5(e)(3)];
- 4) The proposal must include *supporting documentation for the rule that summarizes the basis of the rule* [415 ILCS 5/28.5(e)(4)];
- 5) The proposal must *describe in general the alternative selected and the basis for the alternative* [415 ILCS 5/28.5(e)(5)];
- 6) The proposal must summarize the economic and technical data that the Agency relied upon in drafting the proposed rule;
- 7) The proposal must include a list of any documents that the Agency directly relied upon in drafting the proposed rule or that the Agency intends to rely upon at hearing, and copies of the documents;
- 8) The proposal must set forth *a description of the geographical area to which the rule is intended to apply, a description of the process or processes affected, and identification by classes of the entities expected to be affected, and a list of sources expected to be affected by the rule to the extent known to the Agency* [415 ILCS 5/28.5(e)(8)]; and
- 9) The proposal must include a diskette containing the information required under subsection (a)(1) of this Section.

- b) If the proposal fails to meet any of the requirements of subsection (a) of this Section, the Board may decide not to accept the proposal for filing.

Section 102.304 Hearings

- a) Within 14 days after the receipt of a rule the Board will file the proposed rule for first notice and schedule all hearings. Additionally, the Board will send notice to the appropriate newspaper of the scheduled hearing. The notice will be published by the newspaper at least 30 days prior to the date of the hearing.
- b) The first hearing will be held within 55 days after receipt of the rule and is reserved for the Agency's testimony and questions of the Agency's witnesses.
- c) Within 7 days after the first hearing, any person may request a second hearing. The request may be made on the record at the first hearing or in writing. If done in writing it must be filed with the Board and served upon the service list.
- d) A second hearing will be held to hear comments on Department of Commerce and Community Affairs' economic impact study of the proposed rules. *At least 20 days before the hearing, the Board shall notify the public of the hearing and make the economic impact study, or the Department of Commerce and Community Affairs' explanation for not producing an economic impact study, available to the public. Such public hearing may be held simultaneously or as part of any Board hearing considering such new rules [415 ILCS 5/27(b)].* See also Section 102.414 of this Part. The second hearing must also permit the *presentation of testimony, documents, and comments by affected entities and all other interested persons.* [415 ILCS 5/28.5(g)]
- e) *The third hearing shall be scheduled to commence within 14 days after the first day of the second hearing and shall be devoted solely to any Agency response to the material submitted at the second hearing and to any response by other parties [415 ILCS 5/28.5(g)].* In order to cancel the third hearing, the Agency must

state on the record at hearing that it and the affected entities are in agreement or notify the Board and the service list in writing.

- f) In order to meet statutory deadlines, hearing dates may be chosen by the assigned Board member and hearing officer without consultation with the participants. CAAA hearings need only be held in one affected area of the State.

Section 102.306 Prefiled Testimony

- a) The hearing officer will close the service list for purposes of prefiled testimony at 4:30 p.m. 16 days before the date of hearing.
- b) Ten days before the hearing, copies of prefiled testimony must be filed with the Clerk and served upon all people who are on the service list as closed pursuant to subsection (a) of this Section.
- c) The Board may grant a waiver of the prefiling deadline or service requirement for good cause.
- d) Participants who do not pre-file their testimony will only be allowed to testify if time remains in that hearing day. The hearing will not be continued from day to day to accommodate participants who do not prefile.

SUBPART D: SERVICE AND FILING OF DOCUMENTS, MOTIONS, PRODUCTION OF INFORMATION, SUBPOENAS, PREHEARING CONFERENCES, AND HEARINGS

Section 102.400 Service and Filing of Documents

All documents must be served and filed in accordance with 35 Ill. Adm. Code 101.Subpart C.

Section 102.402 Motions, Production of Information, and Subpoenas

Motion practice, production of information and the issuance of subpoenas in regulatory proceedings is governed by 35 Ill. Adm. Code 101. All motions and responses must be filed with the Board and served upon the hearing officer, the proponent, the Agency,

and all persons on any service list established pursuant to Section 102.422(b) of this Part.

Section 102.404 Initiation and Scheduling of Prehearing Conferences

- a) *To the extent consistent with any deadline for adoption of any regulations mandated by State or federal law, prior to initiating any hearing on a regulatory proposal, the Board may assign a qualified hearing officer who may schedule a prehearing conference between the proponents and any or all of the potentially affected persons [415 ILCS 5/27(d)].*
- b) The hearing officer may schedule a prehearing conference on his or her own motion, or on the motion of the proponent or any potentially affected person. A "proponent" or "potentially affected person" is any person, as defined by the Act and 35 Ill. Adm. Code 101.202, who demonstrates any nexus to the source of the pollutant to be controlled by the proposal or who shows some impact from the pollutant to be controlled by the proposal. A motion to schedule a prehearing conference must be directed to the hearing officer.
- c) In accordance with Section 27(d) of the Act, the notice requirements of Section 28 of the Act and Section 102.416 will not apply to prehearing conferences. However, the hearing officer will give notice to the proponents and any person who is included on the notice list of that proposal.

Section 102.406 Purpose of Prehearing Conference

The purpose of a prehearing conference is:

- a) *To maximize understanding of the intent and application of the proposal;*
- b) *To reach agreement on aspects of the proposal, if possible; and*
- c) *To attempt to identify and limit the issues of disagreement among the participants to promote efficient use of time at hearing. [415 ILCS 5/27(d)]*

Section 102.408 Prehearing Order

- a) *No record need be kept of the prehearing conference, nor shall any participant or the Board be bound by any discussions conducted at the prehearing conference [415 ILCS 5/27(d)].*
- b) *Notwithstanding subsection (a) of this Section, with the consent of all participants in the prehearing conference, the hearing officer may enter a prehearing order delineating issues to be heard, agreed facts, and other matters [415 ILCS 5/27(d)].*
- c) *If the participants in the prehearing conference agree to have a prehearing order entered pursuant to subsection (b) of this Section, the hearing officer may require that those participants furnish a draft of a proposed order setting forth the substance of the agreements reached at the prehearing conference. The hearing officer will enter that order if he agrees that it sets forth the substance of the agreement. The order will identify which participants have agreed to the substance of the order.*
- d) *A prehearing order will not be binding on non-participants in the prehearing conference [415 ILCS 5/27(d)].*

Section 102.410 Authorization of Hearing

- a) *The Clerk will assign a docket number to any proposal. All regulatory proposals will be placed on the Board agenda for determination of adequacy under the applicable law and this Part. The proponent must cure any inadequacy identified by Board order before the proposal will proceed to hearing.*
- b) *The Board will schedule a hearing on a proposal if it finds that the proposal is supported by an adequate statement of reasons, is accompanied by a petition signed by at least 200 persons, is not plainly devoid of merit and does not deal with a subject on which a hearing has been held within the preceding six months [415 ILCS 5/28(a)].*

- c) In accordance with Section 28(a) of the Act, if a proposal is made by the Agency, or DNR, *the Board shall schedule a public hearing without regard to the above conditions* in subsection (b) of this Section as soon as practicable [415 ILCS 5/28(a)].
- d) Pursuant to Section 28 of the Act, *the Board may also in its discretion schedule a public hearing upon any proposal without regard to the above conditions* in subsection (b) of this Section [415 ILCS 5/28(a)].
- e) If the Board determines that a proposal meets the requirements of subsection (b) of this Section or is otherwise adequate under applicable law, and if any required filing fee has been paid, the Board will issue an order accepting the proposal for hearing. Such an order will be construed as starting the time clock for purposes of any first notice publication deadlines pursuant to Sections 28.2 and 28.5 of the Act.
- f) When the Board authorizes a hearing, the Chairman will designate one or more attending Board members and a qualified hearing officer. A member of the Board may serve as hearing officer if otherwise qualified.
- g) The Board may consolidate proposals for hearing or decision.

Section 102.412 Scheduling of Hearings

- a) Except as otherwise provided by applicable law, *no substantive regulation shall be adopted, amended, or repealed until after a public hearing within the area of the State concerned*. In the case of site-specific rules, a public hearing will be held in the affected county. Except as otherwise provided by applicable law, *in the case of state-wide regulations, hearings shall be held in at least two areas*. [415 ILCS 5/28(a)]
- b) If the proponent or any participant wishes to request a hearing beyond the number of hearings specified by the hearing officer, that person must demonstrate, in a motion to the hearing officer, that failing to hold an additional hearing would result in material prejudice to the movant. The motion may be oral, if made at

hearing, or written. The movant must show that he exercised due diligence in his participation in the proceeding and why an additional hearing, as opposed to the submission of written comments pursuant to Section 102.108 of this Part, is necessary.

Section 102.414 Hearings on the Economic Impact of New Proposals

- a) In accordance with Section 27(b) of the Act, except as otherwise provided by applicable law, before the adoption of any proposed rules, *the Board shall request that the Department of Commerce and Community Affairs conduct a study of the economic impact of the proposed rules. The Board shall conduct at least one public hearing on the economic impact of those new rules. At least 20 days before the hearing, the Board shall notify the public of the hearing and make the economic impact study, or the Department of Commerce and Community Affairs' explanation for not producing an economic impact study, available to the public. Such public hearing may be held simultaneously or as a part of any Board hearing considering such new rules. In adopting any such new rule, the Board shall, in its written opinion, make a determination, based upon the evidence in the public hearing record, including, but not limited to, the economic impact study, as to whether the proposed rule has any adverse economic impact on the people of the State of Illinois [415 ILCS 5/27(b)].*
- b) If information of the economic impact of a proposed regulation is given at a general hearing on the proposal, the Board need not hold a special hearing on only the economic impact.

Section 102.416 Notice of Hearing

- a) The hearing officer will set a time and place for hearing. The Clerk will give notice of the date of the hearing as follows or as otherwise required by applicable law:
 - 1) By notice in the Board's Environmental Register and on the Board's Web site;

- 2) *At least 20 days prior to the scheduled date of the hearing the Board shall give notice of such hearing by public advertisement in a newspaper of general circulation in the area of the State concerned. The notice will include, the date, time, place and purpose of such hearing [415 ILCS 5/28(a)]; and*
 - 3) Where required by federal law, including air pollution and RCRA proposals, newspaper notice will be published at least 30 days prior to the hearing date.
- b) In accordance with Section 28(a) of the Act or as otherwise required by applicable law, the Clerk will give notice by mail to the proponent and to all persons who are on the notice list in accordance with Section 102.422 of this Part.
 - c) Hearings that are continued on the hearing record for a period of 45 days or less do not require notice that complies with subsections (a) and (b) of this Section.

Section 102.418 Record

All oral testimony will be recorded stenographically. The proposal and all attachments, the transcript, all written testimony, all exhibits admitted in connection with the hearing, and all written submissions filed with the Clerk under Section 102.108 of this Part before or after the close of the hearing will constitute the record.

Section 102.420 Authority of the Hearing Officer

As necessary to conduct the regulatory hearing, the hearing officer will have the same authorities in rulemaking proceedings as those set forth in 35 Ill. Adm. Code 101.Subpart F.

Section 102.422 Notice and Service Lists

- a) The hearing officer will maintain a notice list for each regulatory proceeding. The notice list will consist of those persons who have furnished their names and addresses to the hearing officer or the Clerk's office concerning the proposal. Notice of all Board

actions and hearing officer orders will be given to all persons included on the notice list.

- b) The hearing officer may establish a service list for any regulatory proceeding, in addition to the notice list. The hearing officer may direct participants to serve copies of all documents upon the persons listed on the service list. In deciding whether to establish a service list, the hearing officer will consider factors including the complexity of the proceeding and the number of participants. For purposes of fast-track rulemakings under Section 28.5 of the Act, participants of record will be the individuals on the service list.
- c) The Board will not accept general requests to appear on all notice lists. Interested persons must submit their names for each proceeding in accordance with subsection (a) of this Section.

Section 102.424 Prehearing Submission of Testimony and Exhibits

- a) The proponent must submit all written testimony and any related exhibits 21 days prior to the hearing at which the witness testifies, unless the hearing officer directs otherwise to prevent material prejudice or undue delay.
- b) The hearing officer may require the prehearing submission of testimony, questions, responses, answers, and any related exhibits by the proponent or participants other than the proponent if the hearing officer determines that such a procedure will provide for a more efficient hearing.
- c) The original and 9 copies of any prehearing testimony, questions, answers, responses, or exhibits must be filed with the Clerk. The hearing officer, the Agency, and, if a participant, the Attorney General and DNR must each be served with one copy of any prehearing testimony, questions, answers, responses, or exhibits. One copy of any prehearing testimony, questions, answers, responses, or exhibits must also be served upon the proponent and each participant on any service list, unless otherwise specified or limited by the

hearing officer. The service must be initiated on or before the date that copies are filed with the Clerk.

- d) All testimony, questions, answers, responses, and exhibits must be served and submitted in the form required by 35 Ill. Adm. Code 101.Subpart C and labeled with the docket number of the proceeding, the name of the witness submitting the material or exhibit, and the title of the material or exhibit.
- e) The proponent and each participant who has filed testimony, questions, answers, -responses, or exhibits before hearing must bring the number of copies designated by the hearing officer of that material and exhibits to the hearing.
- f) Testimony, questions, answers, responses, and exhibits submitted prior to hearing will be entered into the record as if read, unless the hearing officer determines that it will aid public understanding to have the material or exhibit-read. All persons testifying will be sworn and will be subject to examination. Modifications to previously submitted material and exhibits may be allowed by the hearing officer at hearing provided that the modifications are either non-substantive in nature or would not materially prejudice another person's participation at hearing. Objections to the modifications are waived unless raised at hearing.
- g) Where prehearing submission of testimony, questions, answers, responses, or exhibits, is required pursuant to subsection (a) or (b) of this Section, any material or exhibit that is not filed in a timely manner will be allowed only as time permits, and only where its submission will not materially prejudice the proponent or any other participant.

Section 102.426 Admissible Information

All information that is relevant and not repetitious or privileged will be admitted by the hearing officer.

Section 102.428 Presentation of Testimony and Order of Hearing

- a) All witnesses at hearings must be sworn;
- b) Testimony must be in narrative form; and
- c) Proponents must present testimony in support of the proposal first. Any questions or testimony in support of or opposition to the proposal must follow as directed by the hearing officer.

Section 102.430 Questioning of Witnesses

All witnesses will be subject to questioning by any person. Repetitious, irrelevant, harassing, or cumulative questioning will be prohibited by the hearing officer. The Board will not consider as substantive evidence any unsworn information that is presented in the form of a question during questioning of any witness.

SUBPART E: CERTIFICATION OF REQUIRED RULES

Section 102.500 Agency Certification

- a) *When the Agency proposes a rule which it believes to be a required rule, as defined by Section 28.2(a) of the Act the Agency shall so certify in its proposal, identifying the federal law to which the proposed rule will respond and the rationale upon which the certification is based [415 ILCS 5/28.2(b)]. The certification must include a citation to the specific section of the specific federal law to which the proposed rule will respond.*
- b) *The Board shall either accept or reject the certification within 45 days and shall reference the certification in the first notice of the proposal published in the Illinois Register as provided by the Illinois Administrative Procedure Act [415 ILCS 5/28.2(b)].*

Section 102.502 Challenge to Agency Certification

- a) If any person wishes to challenge the Agency's certification that a proposed rule is a required rule, that person must file an objection to that certification within 21 days after the date of the Board's order accepting a proposal for hearing. The

objection must state the reasons that the objector believes that the proposed rule is not a required rule, and must include all arguments that the objector wishes the Board to consider. A copy of the objection must be served upon the Agency and DNR.

- b) The Agency may file a response to any objection within 14 days after the service of that objection. No reply by the objector will be allowed, unless the Board orders otherwise to avoid material prejudice.
- c) No hearing will be held on any objection filed pursuant to this Section.

Section 102.504 Board Determination

- a) The Board will rule upon any objection filed pursuant to this Subpart within 60 days after the date that the Board accepts a proposal for hearing.
- b) In ruling upon an objection to an Agency certification, the Board will consider all information in the record of that proceeding, including the proposal, the objection, and the Agency response to the objection. The burden of proof is on the objector.
- c) The Board will give notice of its determination to the objector, the Agency, DNR, and any person who has asked to be placed on the notice list pursuant to Section 102.422 of this Part for that proposal.
- d) Orders entered pursuant to this Section are interlocutory in nature and may be appealed only pursuant to 35 Ill. Adm. Code 101.308.

The Board may make the revision where it finds:*
- 1) *That such objections or suggestions relate to the statutory authority upon which the regulation is based, whether the regulation is in proper form, or whether adequate notice was given; and*
 - 2) *That the record before the Board is sufficient to support such a change without further hearing.*
[415 ILCS 5/28(a)]

Section 102.602 Adoption of Regulations

The Board adopts first notice, second notice and final opinions and orders in regulatory matters. Only the first notice proposal and the final adopted rules are published by the Secretary of State in accordance with the IAPA. In adopting any new regulation, except a required rule or an identical-in-substance regulation or as applicable law otherwise provides, *the Board shall, in its written opinion, make a determination, based upon the evidence in the public hearing record, including, but not limited to, the economic impact study, as to whether the proposed rule has any adverse economic impact on the people of the State of Illinois* [415 ILCS 5/27(b)].

Section 102.604 First Notice of Proposed Regulations

Except when otherwise directed by applicable law, the Board will give first notice of its proposed adoption, amendment, or repeal of regulations pursuant to Section 5-40 of the IAPA [5 ILCS 100/5-40]. The first notice period will be at least 45 days, and will begin on the day that first notice is published in the Illinois Register. Section 102.606 Second Notice of Proposed Regulations

- a) Except when otherwise directed by applicable law, the Board will give second notice of its proposed adoption,

amendment, or repeal of regulations to JCAR. The second notice period will begin on the date written notice is received by JCAR, and will expire 45 days after that date, except as provided by Section 5-40 of the IAPA [5 ILCS 100/5-40]. The Board will accept comments only from JCAR during the second notice period.

- b) After the beginning of the second notice period, no substantive changes will be made to the proposed regulation, except in response to objections or suggestions from JCAR. Those changes will be made pursuant to Section 102.600 of this Part.

Section 102.608 Notice of Board Final Action

The Board will give notice of its final action on a proposal to the proponent, the Agency, DNR, the Attorney General, and all persons on the notice list. Section 102.610 Adoption of Identical-in-Substance Regulation

As provided in Section 7.2 of the Act, the Board may also make changes that are necessary for compliance with the Illinois Administrative Code, and technical changes that in no way change the scope or meaning of any portion of the regulations [415 ILCS 5/7.2(a)]. Also, wherever appropriate, the Board regulations will reflect any consistent, more stringent regulations adopted pursuant to the rulemaking requirements of Title VII of the Act and Section 5-35 of the Illinois Administrative Procedure Act [415 ILCS 5/7.2(a)(6)].

- c) As provided by Sections 13(c), 13.3, 17.5, 22.4(a), 22.4(d), and 22.7(d) of the Act, the provisions of Title VII of the Act and Section 5-35 of the IAPA [5 ILCS 100/5-35] will not apply to identical-in-substance rulemakings.

Section 102.612 Adoption of Emergency Regulations

- a) *When the Board finds that a situation exists which reasonably constitutes a threat to the public interest, safety, or welfare, the Board may adopt regulations pursuant to and in accordance with Section 5-45 of the IAPA [415 ILCS 27(c)].*

Section 102.702 Disposition of Motions for Reconsideration

Section 102.704 Correction of Publication Errors

The Board may make technical corrections to proposed or adopted rules, published in the Illinois Register or filed with the Secretary of State, only in accordance with 1 Ill. Adm. Code 100.240. No hearing need be held on such corrections.

Pursuant to Section 31 of the Act, an enforcement proceeding may be commenced by any person.

Section 103.202 Parties

- a) The person initiating an enforcement proceeding must be named the complainant. Any adverse party must be named the respondent. If the Agency is requested by the Board to conduct an investigation pursuant to Section 30 of the Act, the Board will name the Agency as a "party in interest" pursuant to 35 Ill. Adm. Code 101.404. Upon motion of the Agency, the Board may align the Agency with any other party or parties as appropriate.

Any facts constituting an affirmative defense must be plainly set forth before hearing in the answer or in a supplemental answer, unless the affirmative defense could not have been known before hearing.
- e) If the respondent timely files a motion under Section 103.212(b) or 35 Ill. Adm. Code 101.506, the 60-day period to file an answer described in subsection (d) of this Section will be stayed. The stay will begin when the motion is filed and end when the Board disposes of the motion.
- f) Any party serving a complaint upon another party must include the following language in the notice: " Failure to file an answer to this complaint within 60 days may have severe consequences. Failure to answer will mean that all allegations in the complaint will be taken as if admitted for purposes of this proceeding. If you have any questions about this procedure, you should contact the hearing officer assigned to this proceeding, the Clerk's Office or an attorney."

Section 103.206 Adding Parties

- a) The Board, on its own motion or the motion of a respondent, may order a person to be added as a respondent if a complete determination of a controversy cannot be had without the presence of the person who is not already a party to the proceeding.
- b) If the Board orders a person to be added as a respondent pursuant to subsection (a) of this Section, the Board will grant the complainant leave to file an amended complaint that sets forth a claim against the

added respondent. The amended complaint must meet the requirements of Section 103.204 of this Subpart.

- c) Misjoinder and nonjoinder of parties with respect to enforcement proceedings are governed by 35 Ill. Adm. Code 101.403(b).
- d) If a party wishes to file a counter-complaint, cross-complaint, or third-party complaint, the party must move the Board for leave to file the pleading. If a party wishes to file an amendment to a complaint, counter-complaint, cross-complaint, or third-party complaint that sets forth a new or modified claim against another person, the party who wishes to file the pleading must move the Board for leave to file the pleading.
- e) The pleading sought to be filed pursuant to subsection (d) of this Section must:
 - 1) Set forth a claim that arises out of the occurrence or occurrences that are the subject of the proceeding; and
 - 2) Meet the requirements of Section 103.204 of this Subpart.

Section 103.208 Request for Informal Agency Investigation

- a) Any person may request an informal Agency investigation by submitting a request to the Board.
- b) The Board will forward the request to the Agency with a copy to the person requesting the investigation. The Agency must send an acknowledgment of receipt of the informal investigation request to the Board.
- c) The Board will take no further action upon the request for informal investigation beyond the action described in subsection (b) of this Section.

Section 103.210 Notice of Complaint

- a) In addition to the notice of hearing requirements set forth in 35 Ill. Adm. Code 101, the Office of the Attorney General or the State's Attorney of the county

in which the alleged violation occurred, when complainant, must give notice of each complaint and hearing at least 21 days before the hearing to:

- 1) *any person that has complained to the Agency respecting the respondent within the six months preceding the date of the complaint; and*
 - 2) *to any person in the county in which the offending activity occurred that has requested notice of enforcement proceedings [415 ILCS 5/31(c)(1)].*
- b) Failure to comply with the provisions of this Section may not be used as a defense to an enforcement proceeding, but any person adversely affected by the failure of compliance may upon motion to the hearing officer have the hearing postponed if prejudice is shown.

Section 103.212 Hearing on Complaint

- a) *Any person may file with the Board a complaint against any person allegedly violating the Act or any rule or regulation thereunder or any permit or term or condition thereof. When the Board receives a citizen's complaint, unless the Board determines that such complaint is duplicitous or frivolous, it shall schedule a hearing. [415 ILCS 5/31(d)] The definition for duplicitous and frivolous can be found at 35 Ill. Adm. Code 101.Subpart B.*
- b) Motions made by respondents alleging that a citizen's complaint is duplicitous or frivolous must be filed no later than 30 days following the date of service of the complaint upon the respondent. Motions under this subsection may be made only with respect to citizen's enforcement proceedings. Timely filing the motion will, pursuant to Section 103.204(e) of this Subpart, stay the 60 day period for filing an answer to the complaint.
- c) The Board will automatically set for hearing all complaints filed by the Attorney General or a State's Attorney on behalf of the People of the State of Illinois.

- d) The Board in its discretion may hold a hearing on the violation and a separate hearing on the remedy.

SUBPART C: SETTLEMENT PROCEDURE

Section 103.300 Request for Relief from Hearing Requirement
in State Enforcement Proceeding

- a) *Whenever a complaint has been filed on behalf of the Agency or by the People of the State of Illinois, the parties may file with the Board a proposed stipulation and settlement accompanied by a request for relief from the requirement of a hearing pursuant to Section 31(c)(2) of the Act [415 ILCS 5/31(c)(2)]. The proposed stipulation and settlement agreement must conform to the statement required for settlement submissions at hearing in Section 103.302 of this Part.*
- b) Unless the Board, in its discretion, concludes that a hearing will be held, the Board will cause notice of the proposed stipulation and settlement, and request for relief, to be published and sent, as is required for hearing, by the Clerk's office. The notice will include a statement that any person may file with the Clerk of the Board a written demand for a hearing within 21 days after publication of the notice. The written demand for hearing must clearly state that a public hearing is requested and should indicate the assigned Board Docket number and respondent's name in the matter.
- c) *If any person files a timely written demand for a hearing, the Board will deny the request for relief from a hearing and will hold a hearing in accordance with the notice provisions of Section 31(c)(1) of the Act. [415 ILCS 5/31(c)(2)] A copy of the proposed stipulation and settlement will be entered into and presented for the record.*

Section 103.302 Contents of Proposed Stipulation and
Settlement Agreement

No proceeding pending before the Board will be disposed of or modified without an order of the Board. A proposed stipulation and settlement agreement must contain a written statement, signed by the parties or their authorized representatives, outlining the

nature of, the reasons for, and the purpose to be accomplished by the settlement. The written statement must include:

- a) A full stipulation of all material facts pertaining to the nature, extent, and causes of the alleged violations proposed to be settled;
- b) The nature of the relevant parties' operations and control equipment;
- c) *Facts and circumstances bearing upon the reasonableness of the emissions, discharges, or deposits involved, including:*
 - 1) *the character and degree of injury to, or interference with the protection of the health, general welfare and physical property of the people;*
 - 2) *the social and economic value of the pollution source;*
 - 3) *the suitability or unsuitability of the pollution source to the area in which it is located, including the question of priority of location in the area involved;*
 - 4) *the technical practicability and economic reasonableness of reducing or eliminating the emissions, discharges or deposits resulting from such pollution source; and*
 - 5) *any subsequent compliance. [415 ILCS 5/33(c)]*
- d) Details as to future plans for compliance, including a description of additional control measures and the dates for their implementation, if any; and
- e) The proposed penalty, if any.

Section 103.304 Hearing on Proposed Stipulation and
Settlement Agreement

When the parties submit a proposed stipulation and settlement agreement to the hearing officer at hearing, or when the Board orders that a hearing be held in accordance with Section

103.300(c) of this Part, the hearing officer will conduct a hearing in which interested persons may make statements with respect to the nature of the alleged violation and its impact on the environment, together with their views on the proposed stipulation and settlement agreement. The statements must be in accordance with 35 Ill. Adm. Code 101.628.

Section 103.306 Board Order on Proposed Stipulation and Settlement Agreement

- a) The Board will consider the proposed settlement and stipulation agreement and the hearing record. The Board may accept, suggest revisions in, reject the proposed settlement and stipulation agreement, or direct further hearings as it deems appropriate. Where a National Pollutant Discharge Elimination System (NPDES) permit is involved in the settlement, notice of settlement must be published in the Environmental Register at least 30 days prior to the settlement.
- b) If the Board determines that a settlement involves or may involve the issuance or modification of a Resource Conservation Recovery Act (RCRA) permit, it will enter an interim order pursuant to Section 103.402 of this Part.

SUBPART D: PROCEEDINGS INVOLVING RCRA PERMITS

Section 103.400 Purpose, Scope, and Applicability

- a) This Subpart applies when the Board finds in an interim order that an enforcement proceeding involves issuance or modification of a RCRA permit.
- b) Enforcement proceedings that involve issuance or modification of a RCRA permit include those in which, to grant complete relief, it appears that the Board will have to:
 - 1) Revoke a RCRA permit;
 - 2) Order a RCRA permit issued or modified;
 - 3) Enter an order that could require actions that would be different from the conditions of a RCRA permit or 35 Ill. Adm. Code 724 or 725; or

- 4) Enter an order directing facility closure or modification after a finding that a facility was operating without a RCRA permit and that one was required.
- c) These procedures provide methods by which the Board will formulate a compliance plan, and, if necessary, direct the issuance or modification of a RCRA permit.

Section 103.402 Interim Order

- a) The Board will enter an interim order invoking the procedures of this Subpart on its own motion or on the motion of any party. Before the Board enters an interim order the parties must develop, through hearings or admissions pursuant to 35 Ill. Adm. Code 101.Subpart F, a sufficient record to support the findings that the Board must make in subsection (b) of this Section.
- b) An interim order invoking the procedures of this Subpart will include:
 - 1) A finding or proposed finding of violation and any penalty or proposed monetary penalty;
 - 2) A finding that the proceeding is an enforcement action that involves or may involve the issuance or modification of a RCRA permit;
 - 3) Joinder of the Agency if it is not already a party; and
 - 4) A time schedule for filing by the Agency of a partial draft permit.
- c) The interim order is not a final order and may be appealed only with leave of the Board.

Section 103.404 Joinder of the Agency

If the Board directs that the Agency be joined, the Clerk will send, by messenger or by certified mail addressed to the Agency, a copy of the Board Order requiring joinder. The mailing will constitute service of process upon the Agency.

Section 103.406 Draft Permit or Statement

- a) Within 60 days after entry of an interim order, the Agency must file and serve on all parties either a partial draft permit or a statement that no RCRA permit needs to be issued or modified.
- b) The partial draft permit must be in compliance with the requirements of 35 Ill. Adm. Code 705.141 and must include such conditions as the Agency finds are necessary to correct the violations found in the interim order.
- c) The Agency may confer with other parties and enter into agreements as to the substance of the partial draft permit that it will recommend to the Board. The Agency must disclose any such conferences or agreements in the proposed draft permit. The agreements do not bind the Board.
- d) If the Agency issues a statement that no RCRA permit needs to be issued or modified, the remaining procedures of this Subpart will not be followed, unless the Board determines otherwise.

Section 103.408 Stipulated Draft Remedy

- a) The parties may agree to a stipulated draft remedy.
- b) A stipulated draft remedy must include the following:
 - 1) Proposed mandatory orders that the parties agree should be included in the Board's final order, which may include one or more of the following:
 - A) An order to cease and desist conducting regulated activities;
 - B) An order to close a facility or unit;
 - C) An order to execute a post-closure care plan;
 - D) A compliance plan, including a time schedule to assure compliance with regulations in the shortest possible time;

- 2) A partial draft permit or statement as provided by Section 103.406 of this Part.
 - 3) A statement as to whether or not the stipulation is divisible for purposes of Board determinations.
- c) All parties, including the Agency, must sign the stipulated draft remedy before notice is given pursuant to Section 103.410 of this Part.

Section 103.410 Contents of Public Notice

- a) In addition to all parties, the Agency must serve a copy of any partial draft permit on USEPA at the address listed in 35 Ill. Adm. Code 101.Subpart C.
- b) In addition to the requirements of the Act and Section 103.210 of this Part, the Agency must, at a minimum, give notice of the filing of a partial draft permit to the following persons:
 - 1) Federal agencies as designated by USEPA;
 - 2) Illinois Department of Transportation;
 - 3) Illinois Department of Natural Resources;
 - 4) Illinois Department of Public Health;
 - 5) The Governor of any other state adjacent to the county in which the facility is located; and
 - 6) Elected officials of any counties, in other states, adjacent to the county in which the facility is located, and elected officials in any municipality, in another state, if it is the closest population center to the facility.

- c) In addition to the methods of notice by publication of Section 103.208 of this Part, the Agency must give notice by broadcast over at least one radio station in the area of the facility containing the information required by subsections (d)(2), (d)(4) and (d)(6) through (d)(8).
- d) A notice of a partial draft permit must include the following information:

 - 8) A statement that the record in the proceeding is available at the Board office for inspection, except those portions that are claimed or determined to be trade secrets, and that procedures are available whereby disclosure may be sought by the public in accordance with 35 Ill. Adm. Code 130;

- 9) A statement that enforcement proceedings are considered pursuant to 415 ILCS 5/30; and
- 10) Any additional information considered necessary or proper.

Section 103.412 Public Comment

Any person, including USEPA, may comment on the partial draft permit or stipulated draft remedy within 45 days after it has been filed with the Board and notice given pursuant to Section 103.410 of this Part. Parties will receive distributions from the Clerk's Office in accordance with 35 Ill. Adm. Code 101.628(c)(3).

Section 103.414 Hearing

- b) The hearing will be held in the county in which the facility is located, in the population center in the county closest to the facility.
- c) The Clerk in consultation with the hearing officer will give notice of the hearing to the persons entitled to notice in Sections 103.210 and 103.410 of this Part, and to any other persons who have commented, requested to comment or requested notice, and to any persons on a mailing list provided by the Agency.
- d) Notice will be mailed not less than 30 days before the hearing.

Section 103.416 Contents of Board Order

- a) The Board will not enter an order that would require the issuance or modification of a RCRA permit unless the public notice, public comment and hearing procedures of this Subpart have been followed.
- b) If the Board determines that, to grant complete relief, it must order the issuance or modification of a RCRA

permit, its final order will include an order directing the Agency to issue or modify the RCRA permit, which may take one of the following forms:

 - 2) An order to issue or modify a permit in conformance with a draft permit as modified by the Board order; or

SUBPART A: GENERAL PROVISIONS

Section 104.100 Applicability

- a) This Part applies to adjudicatory proceedings before the Board that provide relief from environmental regulations under certain circumstances as set forth in Titles VII and IX of the Act. Specifically, this Part applies to regulatory relief mechanisms, meaning variances, provisional variances and adjusted standards.
- b) This Part must be read in conjunction with 35 Ill. Adm. Code 101, which contains procedures generally applicable to all of the Board's adjudicatory proceedings. In the event of a conflict between the requirements of 35 Ill. Adm. Code 101 and those of this Part, the provisions of this Part apply.

Section 104.102 Severability

If any provision of this Part or its application to any person is adjudged invalid, the adjudication does not affect the validity of this Part as a whole or of any portion not adjudged invalid.

Section 104.104 Definitions

For the purpose of this Part, words and terms will have the meanings as defined in 35 Ill. Adm. Code 101.Subpart B unless otherwise provided, or unless the context clearly indicates otherwise.

SUBPART B: VARIANCES

Section 104.200 General

- a) Description:
 - 1) General Variance. A variance is a temporary exemption from any specified rule, regulation, requirement or order of the Board, which may be granted by the Board with or without conditions for a period of time not to exceed five years, *upon presentation of adequate proof*, by the petitioner *that compliance with any rule, regulation, requirement or order of the Board*

would impose an arbitrary or unreasonable hardship [415 ILCS 5/35(a)].

- 2) Resource Conservation and Recovery Act (RCRA) Variance. A RCRA variance is an exemption from 35 Ill. Adm. Code 703, 720, 721, 722, 723, 724 or 725 or which allows the Illinois Environmental Protection Agency (Agency) to issue or modify any provision of a RCRA permit required pursuant to Section 21(f) of the Act.

b) Effect of Filing:

- 1) The filing of a petition for a variance does not stay enforcement of a regulation except as provided in subsection (b)(2) of this Section.
- 2) *If any person files a petition for variance from a rule or regulation within 20 days after the effective date of such rule or regulation, the operation of such rule or regulation shall be stayed as to such person pending the disposition of the petition; provided, however, that the operation of any rule or regulation adopted by the Board which implements, in whole or in part, a State RCRA, Underground Injection Control (UIC), or National Pollutant Discharge Elimination System (NPDES) program shall not be stayed. The Board may hold a hearing upon said petition 5 days from the date of notice of such hearing or thereafter.* [415 ILCS 5/38(b)]

Section 104.202 Filing Requirements

- a) Who May File. Any person seeking a variance from any rule or regulation, requirement or order of the Board that would otherwise be applicable to that person may file a variance petition.
- b) General Filing and Service Requirements. All general filing and service requirements for Board filings, including the form of filing and the fee requirements for filing, apply to the filing of a petition for variance. These general requirements are found at 35 Ill. Adm. Code 101.Subpart C.

- c) Special Filing and Service Requirements. In addition to the general requirements found at 35 Ill. Adm. Code 101.Subpart C, a person filing a petition for variance must meet the following requirements:
- 1) One copy of the petition and all related documents must be served on the Agency. The service on the Agency must be initiated on or before the date the petition is filed with the Board. Additionally, all RCRA variance petitions must be served on the United States Environmental Protection Agency (USEPA) Region V Director of Waste Management. An affidavit of service of the petition and related documents must accompany the filing with the Board; and
 - 2) The petition must contain all information or documents necessary to satisfy the petition content requirements found in Sections 104.204, 104.206, and 104.208 of this Part.

Section 104.204 Petition Content Requirements

The petition must include the information required by subsections (a) through (n) of this Section. Additionally, there are specific content requirements set forth at Section 104.206 of this Part for RCRA variance petitions. If the petitioner believes that any of these requirements are not applicable to the specific variance requested, the petitioner must so state and explain the reasoning.

- a) A statement describing the regulation, requirement, or order of the Board from which a variance is sought. If variance from a regulation is sought, the statement must include the Illinois Administrative Code citation to the regulation as well as the effective date of that regulation. If variance from a requirement or order of the Board is sought, the statement must include the citation to that requirement or order of the Board promulgating that requirement, including docket number;
- b) A complete and concise description of the nature of petitioner's activity that is the subject of the proposed variance, including:

- 1) The location of, and area affected by, the petitioner's activity;
 - 2) The location of points of discharge, and, as applicable, the identification of the receiving waterway or land, or, if known, the location of the nearest air monitoring station maintained by the Agency;
 - 3) An identification, including docket number, of any prior variance issued to the petitioner and, if known, the petitioner's predecessors, concerning similar relief;
 - 4) An identification, including number, of the environmental permits held by petitioner for the activity which may be affected by grant of variance;
 - 5) The number of persons employed by the petitioner's facility at issue and the age of that facility;
 - 6) The nature and amount of the materials used in the process or activity for which the variance is sought and a full description of the particular process or activity in which the materials are used;
 - 7) A description of the relevant pollution control equipment already in use; and
 - 8) The nature and amount of emissions, discharges or releases of the constituent in question currently generated by the petitioner's activity;
- c) Data describing the nature and extent of the present or anticipated failure to meet the regulation, requirement, or order of the Board from which variance is sought and facts that support petitioner's argument that compliance with the regulation, requirement, or order of the Board was not or cannot be achieved by any required compliance date;
- d) A description of the efforts that would be necessary for the petitioner to achieve immediate compliance with the regulation, requirement, or Board order at issue.

All possible compliance alternatives, with the corresponding costs for each alternative, must be set forth and discussed. The discussion of compliance alternatives must include the availability of alternate methods of compliance, the extent that the methods were studied, and the comparative factors leading to the selection of the control program proposed for compliance. The discussion of the costs of immediate compliance may include the overall capital costs and the annualized capital and operating costs;

- e) Facts that set forth the reasons the petitioner believes that immediate compliance with the regulation, requirement, or order of the Board would impose an arbitrary or unreasonable hardship;

- b) All petitions for variances from Title III of the Act, from 35 Ill. Adm. Code.Subtitle C, Ch. I " Water Pollution" , or from water pollution related requirements of any other Title of the Act or Chapter of the Board's regulations, must indicate whether the Board may grant the relief consistent with the Clean Water Act (CWA) (33 USC 1251 et seq.), USEPA effluent guidelines and standards, any other federal regulations, or any area-wide waste treatment management plan approved by the Administrator of USEPA pursuant to Section 208 of the CWA (33 USC 1288).

Section 104.212 Motion for Modification of Internal Variance
Compliance Dates

- a) The petitioner may request, by written motion, modification of internal dates within a compliance schedule of an existing variance, so long as the modification does not extend the length of the existing variance period. The written motion will not be considered to be an extension of the prior variance. The motion must be filed under the docket number of the

existing variance, and must be filed with the Clerk and served upon the Agency, and any joined parties pursuant to 35 Ill. Adm. Code 101.Subpart D. The Agency must, and any joined parties may, file a response to that motion. Any response must be filed within 14 days after receipt of the motion.

- b) *The Agency shall make a recommendation to the Board as to the disposition of the petition* [415 ILCS 5/37(a)]. Unless otherwise ordered by the hearing officer or the Board, the recommendation must be filed with the Board within 45 days after the filing of the petition or amended petition, or where there has been a hearing scheduled, at least 30 days before hearing, whichever is earlier. The Agency must serve a copy of its recommendation by First Class mail on the petitioner,

joined parties, and assigned hearing officer, if applicable. At a minimum, the recommendation must include:

- 1) A description of the efforts made by the Agency to investigate the facts as alleged and to ascertain the views of persons who might be affected, and a summary of the views so ascertained;
- 2) The location of the nearest air monitoring station maintained by the Agency where applicable;
- 3) A statement of the degree to which, if at all, the Agency disagrees with the facts as alleged in the petition, including facts refuting any allegations in the petition for variance;

- 8) The status of any permits or pending permit applications that are associated with or affected by the requested variance;
- 9) Allegation of any facts that the Agency believes are relevant to whether the Board should condition a grant of variance on the posting of a performance bond pursuant to Section 104.246 of this Part;

- 10) Citation to supporting documents or legal authorities whenever they are used as a basis for the Agency's recommendation. Relevant portions of the documents and legal authorities, other than Board decisions, reported state and federal court decisions, state and federal regulations and statutes, must be appended to the recommendation if not already in the record of the proceeding;

Section 104.218 Agency Recommendation to RCRA Variance

In addition to the recommendation requirements stated in Section 104.216 of this Part, the Agency recommendation on petitions for RCRA variances must also include the following and, in addition to the service requirements of Section 104.216 of this Part, the Agency must serve its recommendation on USEPA and all persons who have notified the Agency that they intend to comment or have otherwise asked to be served a copy of the recommendation.

- a) The recommendation must include a fact sheet or statement of basis as provided in 35 Ill. Adm. Code 705.141 through 705.143, where relevant.
- b) If the Agency recommends that the variance be granted, a partial draft permit reflecting the variance and recommended conditions must be included with the recommendation.

Section 104.220 Response to Agency Recommendation

- a) Within 14 days after service of the Agency recommendation the petitioner may file a response to the Agency recommendation or an amended petition. The petitioner must serve a copy of the response or amended petition upon the hearing officer, the Agency, and any other parties to the proceeding.

- b) The response or amended petition may include a request for hearing. New information in a response or amended petition must be verified by oath or affidavit.
- c) Any amended petition or request for hearing under this Section recommences the decision period pursuant to Section 104.232 of this Subpart.

Section 104.222 Stipulations

Filing of a stipulation in a variance proceeding is permissible to the extent that the stipulation conveys to the Board those facts upon which the parties agree. However, the Board is not bound to accept as fact any stipulation to findings of ultimate fact or conclusion of law, such as stipulating that it would impose an arbitrary or unreasonable hardship if petitioner were to immediately comply with the applicable rule or regulation.

Section 104.224 Objections to Petition, Written Comments and Request for Hearing

- a) A person who files an objection, request for hearing, or comment is a "participant" as defined in 35 Ill. Adm. Code 101.Subpart B.
- b) Except as provided in subsection (e) of this Section for RCRA variances, any person may file with the Clerk, within 21 days after the publication of the Agency's notice pursuant to Section 104.214 of this Part, a written objection to the grant of variance. The Clerk will mail a copy of the objection to the petitioner, the Agency, the hearing officer, and any joined parties by First Class mail.
- c) Any person may also file a written request for hearing. The written request must be filed within 21 days after the publication of the Agency's notice pursuant to Section 104.214 of this Part in order for a hearing to be held in accordance with Section 104.236 of this Part and 35 Ill. Adm. Code 101.Subpart F.
- d) Any person may file written comments in a variance proceeding. If a hearing is held, public comments must be filed within 14 days after the close of the hearing unless the hearing officer specifies a different date.

If there is no hearing, comments must be filed no later than 30 days before the decision date, unless the hearing officer orders otherwise to prevent material prejudice. (See 35 Ill. Adm. Code 101.628(c)(1).)

- e) In RCRA variances, subsections (b) and (c) of this Section do not apply. However, persons may file written comments within 45 days after the Agency files its recommendation.

Section 104.226 Amended Petition and Amended Recommendation

- a) The petitioner may amend the petition prior to the close of the hearing, if a hearing is held, or prior to the Board's decision, if a hearing is not held, by filing a motion pursuant to 35 Ill. Adm. Code 101.Subpart E. Amended petitions subsequent to hearing will be accepted only with leave of the Board. Amended petitions must be in writing and filed with the Board and served in accordance with 35 Ill. Adm. Code 101.Subpart C. If the petitioner substantively amends the petition, the filing of the amended petition recommences the decision period, pursuant to Section 104.232 of this Part.
- b) If the petitioner amends the petition, the Agency must file or give an amended recommendation in writing or orally at hearing, but in any event not later than 45 days after the filing of an amended petition. The Agency may amend its recommendation even if the petitioner has not amended its petition. In such an instance, a recommendation may be amended prior to close of the hearing, if a hearing is held, or 40 days prior to the Board's decision date if a hearing is not held. The petitioner may file a response to an Agency recommendation pursuant to Section 104.220 of this Part.
- c) Written amendments to the petition or recommendation need not repeat the entire unchanged portion of the original filing provided that a sufficient portion of the original filing is repeated so that the context of the amendment is made clear.

Section 104.228 Insufficient Petition

If the Board finds the petition fails to contain information as required by Sections 104.204, 104.206, and 104.208 of this Part, the Board may order the petitioner to supplement the information contained in the petition. Filings made in response to the order constitute an amended petition for the purposes of calculating the decision deadline pursuant to Section 104.232 of this Part. Alternatively, pursuant to Section 104.230 of this Part, the Board may dismiss the petition for lack of sufficient information. Failure of the Board to require supplemental information does not preclude a later finding that the information provided is insufficient to support grant of variance, or constitute a Board decision on the merits of the petition.

Section 104.230 Dismissal of Petition

A petition is subject to dismissal if the Board determines that:

- a) The petition requests relief that the Board is not empowered to grant;
- b) The petition fails to comply with the requirements of 35 Ill. Adm. Code 101.Subpart C and Sections 104.202, 104.204, 104.206 and 104.208 of this Part;
- c) The petitioner fails to timely comply with any order issued by the Board or the hearing officer, including an order requiring additional information pursuant to Section 104.228 of this Part; or
- d) The petitioner is not subject to the rule or regulation, requirement, or order of the Board at issue.

Section 104.232 Calculation of Decision Deadline

- a) Pursuant to Section 38(a) of the Act the Board will render its final decision on the petition within 120 days after the date of filing of the petition, except:
 - 1) When the petitioner waives its right to a decision within the prescribed decision period in accordance with 35 Ill. Adm. Code 101.Subpart C;
 - 2) When the petitioner files an amended petition for variance pursuant to this Subpart or files a

request for hearing after filing the original petition, the decision period recommences from the date of filing of the amended petition or the request for hearing; or

- 3) When a hearing is canceled pursuant to 35 Ill. Adm. Code 101.510.
- b) Time will be computed in accordance with 35 Ill. Adm. Code 101.Subpart C.

Section 104.234 Hearing

The Board will order a hearing on a variance petition if:

- a) A hearing is requested by the petitioner at the time of initial filing on the associated form or in writing, which is filed and served in accordance with 35 Ill. Adm. Code 101.Subpart C;
- b) A hearing is requested in a response or amended petition;
- c) *The Board, in its discretion, concludes that a hearing would be advisable [415 ILCS 5/37(a)];*
- d) *The Agency or any other person files a written objection to the grant of such variance within 21 days after the publication of the Agency's notice pursuant to Section 104.214 of this Part, together with a written request for hearing [415 ILCS 5/37(a)];*
- e) The request concerns a RCRA variance.

Section 104.236 Hearing Procedures

Hearings will be conducted pursuant to 35 Ill. Adm. Code 101.Subpart F, except that:

- a) All hearings are to be held in the county where the petitioner's facility or pollution source is located unless otherwise ordered by the hearing officer (see 35 Ill. Adm. Code 101.600);

- b) Hearings may be canceled pursuant to a motion filed in accordance with 35 Ill. Adm. Code 101.510 at the discretion of the hearing officer; and
- c) If all parties and participants who have requested a hearing pursuant to this Subpart have withdrawn their requests for a hearing, the hearing will not be held unless the Board in its discretion deems it advisable.
- d) The hearing officer shall give notice of RCRA hearings to the following persons:
 - 1) Any person in the county in which the installation or property for which variance is sought is located who has in writing requested notice of variance petitions and the State's attorney of the county;
 - 2) The Chairman of the county board of the county;
 - 3) Each member of the General Assembly from the legislative district in which that installation or property is located;
 - 4) Federal agencies as designated by USEPA;
 - 5) Illinois Department of Transportation;
 - 6) Department of Natural Resources;
 - 7) Illinois Department of Public Health;
 - 8) The Governor of any other state adjacent to the county in which the facility or pollution source is located;
 - 9) Elected officials of any counties, in other states, adjacent to the county in which the facility or pollution source is located, and elected officials in any municipality, in another state, if it is the closest population center to the facility or pollution source; and
 - 10) USEPA's Region V Director of Waste, Pesticides and Toxics Division.

Section 104.238 Standard of Review

- a) *The Board may grant individual variances beyond the limitations prescribed by the Act, whenever it is found, upon presentation of adequate proof, that compliance with any rule or regulation, requirement or order of the Board would impose an arbitrary or unreasonable hardship. [415 ILCS 5/35(a)]* The burden of proof in a variance proceeding is on the petitioner.
- b) In addition to subsection (a) of this Section the Board may grant a RCRA variance only to the extent consistent with, and with conditions no less stringent than, those that would be required by RCRA and 40 CFR 260, 261, 262, 263, 264, 265, 266, 267, 268, and 270. Variances must require compliance with the regulations in the shortest practicable time.

Section 104.240 Certificate of Acceptance

The Board's order granting a variance will include a certificate of acceptance. The certificate constitutes acceptance of the variance and its conditions by the petitioner. A variance and its conditions are not binding upon the petitioner until the executed certificate is filed with the Board and served on the Agency. Failure to timely file the executed certificate with the Board and serve the Agency renders the variance void. However, execution of the certificate is not necessary prior to seeking reconsideration pursuant to 35 Ill. Adm. Code 101.Subpart I, or appeal pursuant to Section 104.244 of this Part.

Section 104.242 Term of Variance

Except as provided by Section 38(a) of the Act, any variance granted pursuant to the provisions of this Part shall be for such period of time, not exceeding five years, as shall be specified by the Board at the time of the grant of such variance, and upon the condition that the person who receives such variance shall make such periodic progress reports as the Board shall specify. Such variance may be extended from year to year by affirmative action of the Board, but only if satisfactory progress is shown. [415 ILCS 5/36(b)]

Section 104.244 Variance Conditions

In granting a variance the Board may impose such conditions as the policies of the Act may require [415 ILCS 5/36(a)]. In a RCRA variance the Board may direct the Agency to issue or modify a RCRA permit with conditions that may be set forth specifically in the order, or that may consist of general guidelines to be followed by the Agency, together with applicable regulations, in issuing a permit.

Section 104.246 Performance Bonds

If the hardship complained of consists solely of the need for a reasonable delay in which to correct a violation of the Act or of the Board regulations, the Board shall condition the grant of such variance upon the posting of sufficient performance bond or other security to assure the completion of the work covered by the variance. The original amount of such performance bond shall not exceed the reasonable cost of the work to be completed pursuant to the variance. The obligation under such bond shall at no time exceed the reasonable cost of work remaining pursuant to the variance. [415 ILCS 5/36(a)]

Section 104.248 Objection to Conditions

The Board may include such conditions in granting a variance and may adopt such rules and regulations as the policies of the Act may require. If an objection is made to a variance condition, the Board shall reconsider the condition within not more than 75 days from the date of the objection. [415 ILCS 5/41(b)] An objection to a specific variance condition may be made by filing a motion pursuant to 35 Ill. Adm. Code 101.Subpart E within 35 days after the receipt of the Board's opinion and order containing the objectionable condition.

SUBPART C: PROVISIONAL VARIANCES

Section 104.300 Applicability

This Subpart applies to any person seeking a provisional variance pursuant to Title IX of the Act. This Subpart must be read in conjunction with 35 Ill. Adm. Code 101 and this Part. In the event of conflict between this Subpart and the requirements of 35 Ill. Adm. Code 101, the requirements of this Subpart apply.

Section 104.302 Board Action

The Board shall grant provisional variances only upon notification from the Agency that compliance on a short term basis with any rule or regulation, requirement or order of the Board, or with any permit requirement would impose an arbitrary or unreasonable hardship. Such provisional variances shall be issued within 2 working days of notification from the Agency.
[415 ILCS 5/35(b)]

Section 104.304 Initiating a Request

Any person seeking a provisional variance pursuant to Section 104.401 of this Part shall make a request to the Agency. The Agency shall promptly investigate and consider the merits of the request. The Agency may notify the Board of its recommendation. If the Agency fails to take final action within 30 days after receipt of the request, or if the Agency denies the request, the person may initiate a variance proceeding pursuant to Subpart B of this Part. [415 ILCS 5/37(b)]

Section 104.306 Notice

The Board shall give prompt notice of its action on provisional variance requests to the public by issuing a press release for distribution to newspapers of general circulation in the county.
[415 ILCS 5/37(b)]

Section 104.308 Term

Any provisional variance granted by the Board pursuant to subsection (b) of Section 35 shall be for a period of time not to exceed 45 days. Upon receipt of a recommendation from the Agency to extend this time period, the Board shall grant up to an additional 45 days. The provisional variances granted to any one person shall not exceed a total of 90 days during any calendar year. [415 ILCS 5/36(c)]

Section 104.310 Simultaneous Variance Prohibition

The Board will not grant a provisional variance to the extent that the petitioner already holds a variance from the same regulation or Board order for the same time period.

SUBPART D: ADJUSTED STANDARDS

Section 104.400 General

- a) Description. An adjusted standard has the effect of an environmental regulation that would apply to petitioner, if granted, in lieu of the general regulation that would otherwise be applicable to a petitioner and the regulated community.
- b) Applicability. This Subpart will apply to any person seeking an adjusted standard pursuant to Section 28.1 of the Act. This includes an adjusted standard sought pursuant to 35 Ill. Adm. Code 212.126 (CAA) and 35 Ill. Adm. Code 700 through 750 (RCRA). This Subpart must be read in conjunction with 35 Ill. Adm. Code Part 101 which contains procedures generally applicable to all adjudicatory proceedings before the Board. In the event of a conflict between the requirements of 35 Ill. Adm. Code 101 and those of this Subpart, the provisions of this Subpart apply.

Section 104.402 Initiation of Proceeding

A person may initiate an adjusted standard proceeding by filing a petition that meets the requirements of Section 104.406 of this Part. A petition for an adjusted standard (petition) may be filed either jointly with the Agency or singly pursuant to the filing requirements of 35 Ill. Adm. Code 101. If filed singly the petitioner shall also serve the petition upon the Agency in accordance with 35 Ill. Adm. Code 101. Additionally, a person may file a petition and request the Agency to join as a co-petitioner as set forth in Section 104.404 of this Part.

Section 104.404 Request to Agency to Join as Co-Petitioner

- a) The Agency may, in its discretion, act as a co-petitioner in any adjusted standard proceeding.
- b) Any person may request Agency assistance in initiating a petition for adjusted standard. The Agency may require the person to submit to the Agency any background information in the person's possession relevant to the adjusted standard that is sought.
- c) Discretionary decisions made by the Agency pursuant to this Section are not appealable to the Board.
- d) Subsequent to the filing of the petition and prior to hearing, the Board will grant the Agency co-petitioner

status upon joint motion of the Agency and the petitioner who originally filed the petition.

Section 104.406 Petition Content Requirements

If the Agency is a co-petitioner, the petition must so state. The petition must contain headings corresponding to the informational requirements of each subsection of this Section. If the petitioner believes that any of the informational requirements are not applicable to the specific adjusted standard requested, the petitioner must so state and explain his reasoning. The following information must be contained in the petition:

- a) A statement describing the standard from which an adjusted standard is sought. This must include the Illinois Administrative Code citation to the regulation of general applicability imposing the standard as well as the effective date of that regulation;
- b) A statement that indicates whether the regulation of general applicability was promulgated to implement, in whole or in part, the requirements of the CWA (33 USC 1251 et seq.), Safe Drinking Water Act (42 USC 300(f) et seq.), Comprehensive Environmental Response, Compensation and Liability Act (42 USC 9601 et seq.), CAA (42 USC 7401 et seq.), or the State programs concerning RCRA, UIC, or NPDES [415 ILCS 5/28.1];
- c) The level of justification as well as other information or requirements necessary for an adjusted standard as specified by the regulation of general applicability or a statement that the regulation of general applicability does not specify a level of justification or other requirements [415 ILCS 5/28.1] (See Section 104.426);
- d) A description of the nature of the petitioner's activity that is the subject of the proposed adjusted standard. The description must include the location of, and area affected by, the petitioner's activity. This description must also include the number of persons employed by the petitioner's facility at issue, age of that facility, relevant pollution control equipment already in use, and the qualitative and quantitative description of the nature of emissions,

discharges or releases currently generated by the petitioner's activity;

- e) A description of the efforts that would be necessary if the petitioner was to comply with the regulation of general applicability. All compliance alternatives, with the corresponding costs for each alternative, must be discussed. The discussion of costs must include the overall capital costs as well as the annualized capital and operating costs;
- f) A narrative description of the proposed adjusted standard as well as proposed language for a Board order that would impose the standard. Efforts necessary to achieve this proposed standard and the corresponding costs must also be presented;
- g) The quantitative and qualitative description of the impact of the petitioner's activity on the environment if the petitioner were to comply with the regulation of general applicability as compared to the quantitative and qualitative impact on the environment if the petitioner were to comply only with the proposed adjusted standard. To the extent applicable, cross-media impacts must be discussed. Also, the petitioner must compare the qualitative and quantitative nature of emissions, discharges or releases that would be expected from compliance with the regulation of general applicability as opposed to that which would be expected from compliance with the proposed adjusted standard;
- h) A statement which explains how the petitioner seeks to justify, pursuant to the applicable level of justification, the proposed adjusted standard;
- i) A statement with supporting reasons that the Board may grant the proposed adjusted standard consistent with federal law. The petitioner must also inform the Board of all procedural requirements applicable to the Board's decision on the petition that are imposed by federal law and not required by this Subpart. Relevant regulatory and statutory authorities must be cited;
- j) A statement requesting or waiving a hearing on the petition (pursuant to Section 104.422(a)(4) of this

Part a hearing will be held on all petitions for adjusted standards filed pursuant to 35 Ill. Adm. Code 212.126 (CAA));

- k) The petition must cite to supporting documents or legal authorities whenever they are used as a basis for the petitioner's proof. Relevant portions of the documents and legal authorities other than Board decisions, State regulations, statutes, and reported cases must be appended to the petition;
- l) Any additional information which may be required in the regulation of general applicability.

Section 104.408 Petition Notice Requirements

- a) *The petitioner shall submit to the Board proof that, within 14 days after the filing of the petition, it has published notice of the filing of the petition by advertisement in a newspaper of general circulation in the area likely to be affected by the petitioner's activity that is the subject of the adjusted standard proceeding [415 ILCS 5/28.1].*
- b) The title of the notice must be in the form as follows:
" Notice of Petition by [petitioner's name] for an Adjusted Standard before the Illinois Pollution Control Board." The notice must contain the name and address of the petitioner and the statement that the petitioner has filed with the Board a petition for an adjusted standard. The notice must also provide the date upon which the petition was filed, the Board docket number, the regulatory standard (with appropriate Administrative Code citation) from which an adjusted standard is sought, the proposed adjusted standard, and a general description of the petitioner's activity that is the subject of the adjusted standard proceeding, and the location of that activity. This information must be presented so as to be understood in accordance with the context of this Section's requirements. The concluding portion of the notice must read as follows:

" Any person may cause a public hearing to be held in the above-described adjusted standard proceeding by filing a hearing request with the Illinois Pollution Control Board within 21 days after the date of the

publication of this notice. The hearing request should clearly indicate the docket number for the adjusted standard proceeding, as found in this notice, and must be mailed to the Clerk of the Board, Illinois Pollution Control Board, 100 W. Randolph Street, Suite 11-500, Chicago, Illinois 60601."

The certificate must be issued in accordance with Section 1 of the Notice by Publication Act [715 ILCS 5/1].

Section 104.412 Effect of Filing a Petition: Stay

- a) *If any person files a petition for an individual adjusted standard in lieu of complying with the applicable regulation within 20 days after the effective date of the regulation, the operation of the regulation shall be stayed as to such person pending the disposition of the petition; provided, however, that the operation of any regulation shall not be stayed if that regulation was adopted by the Board to implement, in whole or in part, the requirements of the federal Clean Air Act, Safe Drinking Water Act or Comprehensive Environmental Response, Compensation, and Liability Act, or the State RCRA, UIC or NPDES programs. [415 ILCS 5/28.1(e)]*
- b) *Within 20 days after the effective date of any regulation that implements in whole or in part the requirements of the Clean Air Act, if any person files a petition for an individual adjusted standard in lieu of complying with the regulation, such source will be exempt from the regulation until the Board makes a final determination on the petition. If the regulation adopted by the Board from which the individual adjusted standard is sought replaces a previously adopted Board regulation, the source shall be subject to the previously adopted Board regulation until final action is taken by the Board on the petition. [415 ILCS 5/28.1(f)]*

Section 104.414 Dismissal of Petition

The Board may at any time dismiss a petition for any of the following reasons:

- b) The Board determines that the petitioner is not pursuing disposition of the petition in a timely manner.

- a) Unless otherwise ordered by the hearing officer or the Board, the recommendation must be filed with the Board within 45 days after the filing of the petition or amended petition, or where a hearing has been scheduled, at least 30 days before hearing, whichever is earlier. The recommendation must set forth the rationale for the Agency's position and may present any information which the Agency believes is relevant to the Board's consideration of the proposed adjusted standard. If the Agency recommends a denial of the petition due to informational deficiencies within the petition, the recommendation must identify the types of information needed to correct the deficiencies.
- b) At a minimum, the Agency must address and respond to the petition with respect to each issue raised by the requirements of subsections (a) through (j) of Section 104.406 of this Part.
- c) The recommendation must cite to supporting documents or legal authorities whenever such are used as a basis for the Agency's conclusion. Relevant portions of the documents and legal authorities other than Board decisions, State regulations, statutes and reported cases must be appended to the recommendation if not already in the record of the proceeding.
- d) The petitioner may file a response to the recommendation within 14 days after the date of service of the recommendation.

Section 104.418 Amended Petition, Amended Recommendation, and Amended Response

- a) Amended Petition. The petitioner may amend its petition at any time. The amendment must be in writing and filed with the Board unless made orally at hearing. If the petitioner amends the petition such that the amendment is a substantive change to the requested relief in that it requests additional or alternative relief, petitioner must re-notice the amended petition pursuant to Section 104.408 of this Part.
- b) Amended Recommendation. The Agency may amend its recommendation at any time, even if the petitioner has not amended its petition, if the amendment does not cause material prejudice. The amendment must be in writing and filed with the Board unless made orally at hearing.
- c) Amended Response. The petitioner may file a reply to a written amended recommendation within 14 days after the date of receipt of the amended recommendation or within 14 days after the hearing when the Agency orally amended its recommendation.
- d) Written amendments to the petition or recommendations need not repeat the entire unchanged portion of the original filing provided that a sufficient portion of the original filing is repeated so that the context of the amendment is made clear.

Section 104.420 Request for Public Hearing

- a) Any person can request that a public hearing be held in an adjusted standard proceeding. The requests must be filed not later than 21 days after the date of the publication of the petition notice in accordance with Section 104.408 of this Part. Code 101.110 and 101.628.

- b) Where all parties and participants who have requested a hearing pursuant to this Subpart have withdrawn their requests for a hearing, the hearing will not be held unless the Board in its discretion deems it advisable.

Section 104.422 Public Hearing

- a) A public hearing will be held and the Board will assign a hearing officer to an adjusted standard proceeding when:
 - 1) The petitioner requests a hearing be held; or
 - 2) The Board receives a hearing request by any person pursuant to Section 104.420 of this Part, not later than 21 days after the date of the publication of the petition notice in accordance with Section 104.408 of this Part; or

Hearings are to be held in the county likely to be affected by the petitioner's activity that is the subject of the proposed adjusted standard.

Section 104.424 Hearing Notice

After receiving notification from the hearing officer of the scheduled hearing date made pursuant to Section 104.422 of this Part, the Clerk will cause the publication of a hearing in accordance with Section 28.1 of the Act [415 ILCS 5/28.1] and 35 Ill. Adm. Code 101.

Section 104.426 Burden of Proof

The burden of proof in an adjusted standard proceeding is on the petitioner. A petitioner must justify an adjusted standard consistent with Section 27(a) of the Act.

- a) *If the regulation of general applicability does not specify a level of justification required of a petitioner to qualify for an adjusted standard, the Board may grant individual adjusted standards whenever the Board determines, upon adequate proof by petitioner, that:*
- 1) *factors relating to that petitioner are substantially and significantly different from the factors relied upon by the Board in adopting the general regulation applicable to that petitioner;*
 - 2) *the existence of those factors justifies an adjusted standard;*
 - 3) *the requested standard will not result in environmental or health effects substantially and significantly more adverse than the effects considered by the Board in adopting the rule of general applicability; and*
 - 4) *the adjusted standard is consistent with any applicable federal law. [415 ILCS 5/28.1(c)]*
- b) *If the regulation of general applicability specifies a level of justification for an adjusted standard, the Board may adopt the proposed adjusted standard, if the petitioner proves the level of justification specified by the regulation of general applicability.*

Section 104.428 Board Action

- a) *In adopting adjusted standards the Board may impose such conditions as may be necessary to accomplish the purposes of the Act.*
- b) *Subsequent to the Board's adoption of an adjusted standard, the Board will publish, in the Environmental Register, the name of the petitioner, date of the Order that adopted the adjusted standard, and a brief narrative description of the adopted adjusted standard.*
- c) *Board orders and opinions shall be maintained for public inspection by the Clerk of the Board and a listing of all determinations made pursuant to Section*

28.1 of the Act *shall be published in the Illinois Register and the Environmental Register at the end of each fiscal year.* [415 ILCS 5/28.1(d)] Board opinions and orders will also be available from the Board's Web site.

The hearing will be based exclusively on the record before the Agency at the time the permit or decision was issued.

SUBPART E: APPEAL OF OSFM LUST DECISIONS

Section 105.500 Applicability

This Subpart applies to proceedings before the Board concerning appeals from OSFM final determinations made pursuant to Section 57.9(c) of the Act.

Section 105.502 General Overview

OSFM final determinations are made either through the issuance of an "Eligibility and Deductibility Determination" letter or by the failure of OSFM to act upon receipt of an "Eligibility and Deductibility Determination" form within 60 days pursuant to Section 57.9(c)(2) of the Act. The process before the Board for review of final determinations by the OSFM includes the following steps. Upon receipt of a petition for review, unless the Board determines that the petition is insufficient, a hearing date and location will be assigned. Hearings will be publicly-noticed in the county where the underground storage tank site is located. If the parties enter into a settlement agreement prior to or during the hearing process, the parties may request that the Board accept and enter a final order adopting a proposed settlement agreement; the order may be requested with or without a hearing.

Section 105.504 General Requirements

- a) Who May File. Any owner or operator of an underground storage tank who has been issued an "Eligibility and Deductibility Determination" letter or who has not received an "Eligibility and Deductibility Determination" letter from the OSFM within the time prescribed by Section 57.9(c)(2) of the Act, which is deemed to be a final decision appealable to the Board, may file a petition with the Board seeking review of that final decision. The owner/operator must be named as the petitioner, and the OSFM must be named as the respondent. Filing requirements are set forth at 35 Ill. Adm. Code 101.Subpart C.
- b) Timely Petition. The petition for review must be filed with the Board within 35 days after the date of the OSFM's "Eligibility and Deductibility Determination" letter or within 35 days from the OSFM's final decision due to its failure to act as required under Section 57.9(c)(3) of the Act. There will be a rebuttable presumption that petitioner received the OSFM's "Eligibility and Deductibility Final Determination" letter four days from the date indicated on the letter.
- c) Service and Filing. The petitioner must serve all filings upon the OSFM at the address listed in 35 Ill. Adm. Code 101.Subpart C. All filings must be accompanied by a notice of filing. Methods and proof of service, as well as the effective date of service, are governed by 35 Ill. Adm. Code 101.Subpart C.

- a) A copy of the OSFM's "Eligibility and Deductibility Final Determination" letter;
- b) A complete and precise description of the underground storage tank site, including the location of the site, including the county, the number of underground storage tanks on-site, the substance(s) stored in each tank, the date of the tank's registration; and the date of Illinois Emergency Management Agency notification;

- c) A statement specifying the date of service of the OSFM's final determination letter and documentation to demonstrate the petition's timely filing;
- d) A statement specifying the grounds of appeal; and
- e) If the owner or operator is represented by counsel, an appearance must be filed in conjunction with the petition.

Section 105.508 OSFM Record and Appearance

- a) Within 14 days after a petition for review of an OSFM eligibility or deductibility determination, the attorney representing the OSFM must file an appearance with the Board.
- b) The OSFM must file the entire record of its decision with the Board in accordance with Section 105.116 of this Part. The record must include:
 - 1) The request for OSFM determination of eligibility or deductibility;
 - 2) Correspondence with the petitioner;
 - 3) The denial letter; and
 - 4) Any other information the OSFM relied upon in making its determination.

Section 105.510 Location of Hearing

The hearing will be held in either Springfield or Chicago or in such other location as the hearing officer or the Board may designate to prevent material prejudice or undue delay. Upon the proceeding being set for hearing, the Clerk will cause notice of the hearing to be published. Public notice will be published at least 21 days before the hearing by public advertisement in a newspaper of general circulation in the county in which the LUST site in question is located.

Specifically, the Part applies to heated effluent, artificial cooling lake and sulfur dioxide demonstrations, water well setback exception procedures, revocation and reopening of CAAPP permits, maximum achievable control technology determinations, culpability determinations for particulate matter less than or equal to 10 microns, and the involuntary termination of environmental management system agreements.
- b) This Part must be read in conjunction with 35 Ill. Adm. Code 101 which contains procedures generally applicable to all of the Board's adjudicatory proceedings. In the event of a conflict between the requirements of 35 Ill. Adm. Code 101 and those of this Part, the provisions of this Part apply.

Section 106.102 Severability

If any provision of this Part or its application to any person is adjudged invalid the adjudication does not affect the validity of this Part as a whole or of any petition not adjudged invalid.

Section 106.104 Definitions

For the purpose of this Part, words and terms will have the meaning as defined in 35 Ill. Adm. Code 101.Subpart B unless otherwise provided, or unless the context clearly indicates otherwise.

 - A) The owner or operator of a source of heated effluent that discharges 150 megawatts (0.5 billion British thermal units per hour) or more must demonstrate in an adjudicatory proceeding before the Board, pursuant to 35

Ill. Adm. Code 302.211(f), that discharges from that source have not caused and cannot be reasonably expected to cause significant ecological damage to the receiving waters.

- B) The owner or operator must make the demonstration under subsection (a)(1)(A) of this Section not less than 5 years nor more than 6 years after operations commence.
- C) If the Board finds that the proof of the owner or operator under subsection (a)(1)(A) of this Section is inadequate, the Board's order will include a requirement that the owner or operator perform appropriate corrective measures within a reasonable time as determined by the Board.

2) Artificial Cooling Lake Demonstration

- A) If a discharger wishes to have the Board establish specific thermal standards for its discharge to an artificial cooling lake pursuant to 35 Ill. Adm. Code 302.211(j)(5) that would apply to the discharge in lieu of the applicable provisions of the thermal water quality standards set forth in 35 Ill. Adm. Code 302.211 and 303, the discharger must demonstrate in an adjudicatory proceeding before the Board, pursuant to 35 Ill. Adm. Code 302.211(j)(3), that the artificial cooling lake receiving the heated effluent will be environmentally acceptable and within the intent of the Act.
- B) If the Board finds that the proof of the discharger under subsection (a)(2)(A) of this Section is adequate, the Board will establish, pursuant to 35 Ill. Adm. Code 302.211(j)(5), specific thermal standards to be applied to the discharge to the artificial cooling lake in lieu of the applicable provisions of the thermal water quality standards set forth in 35 Ill. Adm. Code 302.211 and 303.

- C) A Board order providing alternate thermal standards under subsection (a)(2)(B) of this Section will include, but not be limited to, the following conditions:
- i) Pursuant to 35 Ill. Adm. Code 302.211(j)(1), all discharges from the artificial cooling lake to other waters of the State must comply with the applicable provisions of 35 Ill. Adm. Code 302.211(b) through (e); and
 - ii) Pursuant to 35 Ill. Adm. Code 302.211(j)(2), the heated effluent discharged to the artificial cooling lake must comply with all applicable provisions of 35 Ill. Adm. Code Subtitle C, Chapter I, except 35 Ill. Adm. Code 302.211(b) through (e).
- 3) Sulfur Dioxide Demonstrations. Any owner or operator of a fuel combustion emission source may petition the Board, pursuant to 35 Ill. Adm. Code 214.185 and this Subpart, for approval of substitute standards from those set forth in 35 Ill. Adm. Code 214.183 and 214.184.
- b) Initiation of Proceeding. The owner or operator may initiate a heated effluent, artificial cooling lake or sulfur dioxide demonstration by filing with the Clerk a petition in accordance with this Subpart.
- c) Parties. The owner or operator must be named the petitioner and the Agency must be named the respondent.
- d) Filing and Service. Filing and service must be in accordance with 35 Ill. Adm. Code 101.Subpart C.

 - 2) Emission Sources Description:

- A) The diameter, height, exit gas temperature, and exit gas velocity for all stacks or vents through which sulfur dioxide is emitted into the atmosphere;
 - B) A description of the fuels used including type, ultimate analysis, sulfur content, and heat content;
 - C) A description of the type of fuel combustion equipment including method of firing and size (in million btu per hour capacity);
 - D) A topographic map of terrain within 30 miles of the emission source(s);
 - E) A specific description of the location of the emission sources, including a plot plan; and
 - F) A specific description of the operating conditions which produce maximum sulfur dioxide emissions.
- 3) A summary of any and all ambient air quality data collected by the owner or operator of the source(s) since January 1, 1973. The summary must include annual averages; maximum and second-highest one-hour, 3-hour, and 24-hour averages for each month; and the number of times the 3-hour and 24-hour sulfur dioxide standards were exceeded during each month.
- 4) A summary of any and all meteorological data collected by the owner or operator of the source(s) since January 1, 1973, if the data are used in the development of the site-specific emission standard.
- 5) A complete description of and justification for all dispersion models and plume rise equations that are used to develop the site-specific emission limitation, including all model equations.
- 6) A description of and justification for the use of all data that were inputs to the dispersion and

plume rise formula used to establish the site-specific emission standard. The description and justification must cover, as a minimum, the following input data:

- A) Stack diameters, stack heights, exit gas temperatures, and exit gas velocities for all stacks and vents emitting sulfur dioxide at the subject facility as well as for any other sources of sulfur dioxide that were modeled;
 - B) All sulfur dioxide emission sources that were modeled; and
 - C) All meteorological data.
- 7) Calculated maximum ground-level concentrations using the following method, or such other method (or modification of the hereinafter stated method) that the petitioner proves to the satisfaction of the Board to be acceptable.
- A) Selection of simulation model:
 - i) Gaussian models that allow the input of hourly meteorological data must be used which are appropriate for the specific location and type of source(s) in question.
 - ii) Dispersion models presented in "Guidelines on Air Quality Models" (EPA-450/2-78-027), or those deemed by the Board to be equivalent to these models must be used for detailed air quality studies.
 - B) Selection of meteorological data and stack parameters:
 - i) The most recent 5 years of hour-by-hour meteorological data reasonably available, including wind speed, wind direction, atmospheric stability, mixing height and surface temperature must be used, unless the petitioner demonstrates

that one of the 5 years causes substantially higher concentrations than the other four, in which case detailed analyses conducted for only that "worst case" year would be acceptable.

Notwithstanding the previous sentence, one year of on-site data may be used in lieu of the 5-year data requirement;

- ii) Data must be from the nearest, representative, quality controlled meteorological collecting site; and
- iii) Stack parameters (including emission rate, stack height, stack diameter, exit velocity, and exit temperature) must reflect the maximum operating rate for comparison with the 24-hour and 3-hour sulfur dioxide standards.

C) Receptors:

- i) Receptors must be located so as to ensure that the source's maximum impact is detected; and
- ii) The determination of the receptor grid must be fully documented in the modeling study;

D) Special conditions:

- i) All special conditions that may affect the dispersion of the effluent plume, including local terrain effects and aerodynamic downwash, must be considered in the modeling study;
- ii) If terrain is a factor in the vicinity of the source, a model capable of handling variable-height receptors must be used; and
- iii) If the computed height of the effluent plume is less than 2.5 times the height of nearby buildings or local

obstructions, aerodynamic downwash must be studied and considered as a possible factor in the dispersion of that effluent.

- E) Determination of violation: The determination of whether an applicable air quality increment or standard is being violated must be based on the second-highest predicted concentration over the receptor grid for short-term averaging times and on the highest predicted concentration for annual averaging times. However, if only one year of meteorological data is used in the short-term analysis, then the highest predicted concentration may be compared to the applicable standard to determine whether a violation has occurred.
- F) Other sources: Effects of other sources of sulfur dioxide must be taken into account in the modeling study. Methods by which other sources of sulfur dioxide may be accounted are as follows:
- i) An acceptable method is to estimate the "background" from monitoring data which has been subjected to adequate quality control where available. When monitored data is used, the background must be estimated using monitoring days with meteorological conditions similar to those identified as "worst case" for the source in question; or
 - ii) If monitoring data is not available, then all sources of sulfur dioxide having a significant impact in the area of the source's impact area must be used in the simulation model. These sources of sulfur dioxide must also be modeled at their maximum allowable emission rate for any studies addressing 24-hour or 3-hour averaging times.

- 8) Estimates of the frequency, characteristics, probable time of occurrence, and duration of the meteorological conditions associated with the maximum ground-level concentration of sulfur dioxide to which the facility under study contributes. A description of the techniques used in arriving at the above estimates must be included.
- 9) Background concentrations that were determined for all meteorological conditions required to be examined under subsection (c)(7) of this Section and for any other meteorological conditions considered in the development of the alternative standard.
- 10) A description of the method that was used to determine background sulfur dioxide concentrations in the vicinity of the subject facility for each of the meteorological conditions required to be examined under subsection (c)(7) of this Section and for any additional meteorological conditions considered in developing the alternative standard.
- 11) An evaluation and calibration of the dispersion model if air quality monitoring data were available to perform the evaluation and calibration.

SUBPART G: INVOLUNTARY TERMINATION OF ENVIRONMENTAL MANAGEMENT
 SYSTEM AGREEMENTS (EMSAs)

Section 106.700 Purpose

The purpose of this Subpart is to set forth the criteria and procedures under which the Board or the Agency may terminate an EMSA, as defined in 35 Ill. Adm. Code 101.202.

Section 106.702 Applicability

- b) This Subpart, except for Section 106.704, applies to proceedings in which the Board will determine whether to terminate an EMSA.

Section 106.704 Termination Under Section 52.3-4(b) of the Act

- a) To terminate an EMSA under Section 52.3-4(b) of the Act, the Agency must determine that the sponsor's performance under the EMSA has failed to:
 - 1) *Achieve emissions reductions or reductions in discharges of wastes beyond the otherwise applicable statutory and regulatory requirements through pollution prevention or other suitable means; or*
 - 2) *Achieve real environmental risk reduction or foster environmental compliance by other persons regulated under the Act in a manner that is clearly superior to the existing regulatory system. [415 ILCS 5/52.3-1(b)]*
- b) If the Agency terminates an EMSA under Section 52.3-4(b) of the Act, the sponsor may file an appeal with the Board. Appeals to the Board will be pursuant to 35 Ill. Adm. Code 105.Subparts A and B.

Section 106.706 Who May Initiate, Parties

- a) Only the Agency may commence a proceeding to terminate an EMSA under this Subpart.
- b) The Agency must be designated the complainant. The sponsor must be designated the respondent.
- c) Misnomer of a party is not a ground for a dismissal; the name of any party may be corrected at any time.

Section 106.707 Notice, Statement of Deficiency, Answer

- a) A proceeding to terminate an EMSA will be commenced when the Agency serves a notice of filing and a statement of deficiency upon the respondent and files one original plus 9 copies of the notice of filing and

statement of deficiency with the Clerk.

- b) The statement of deficiency must contain:
- 1) The stated basis for the respondent's alleged deficient performance under Section 106.712(a) of this Subpart;
 - 2) The dates, location, nature, extent and duration of any act or omission, and amount and other characteristics of any discharges or emissions, alleged to violate provisions of the Act or regulations that apply to the pilot project that the EMSA does not address;
 - 3) The dates, location, nature, extent and duration of any act or omission, and amount and other characteristics of any discharges or emissions, alleged to violate the EMSA; and
 - 4) With respect to subsections (b)(1) through (b)(3) of this Section, the statement of deficiency must contain sufficient detail to advise the respondent of the extent and nature of the alleged violations to reasonably allow the respondent to prepare a defense.
- c) The respondent must file an answer within 15 days after receipt of the statement of deficiency, unless the Board or the hearing officer extends the 15-day period for good cause. All material allegations of the statement of deficiency will be taken as admitted if not specifically denied by the answer, or if no answer is filed. Any facts that constitute an affirmative defense that would be likely to surprise the complainant must be plainly set forth in the answer before hearing.

Section 106.708 Service

- a) The Agency must serve a copy of the notice of filing and statement of deficiency either personally on the respondent or the respondent's authorized agent, or by registered or certified mail with return receipt signed by the respondent or the respondent's authorized agent. Proof must be made by affidavit of the person who makes

personal service, or by properly executed registered or certified mail receipt. The Agency must file proof of service of the notice of filing and statement of deficiency with the Clerk immediately upon completion of service.

- b) The Agency and the respondent must serve all motions and all other notices personally, by First Class United States mail, with sufficient postage, or by overnight delivery by a nationally recognized courier service. The Agency and the respondent must file an original and 9 copies of the motions and notices with the Clerk with proof of service.
- c) Service is presumed complete upon personal service, four days after deposit in the United States First Class mail, with sufficient postage, or the next business day upon deposit with a nationally recognized courier service for overnight delivery.

Section 106.710 Notice of Hearing

- a) The Clerk will assign a docket number to each statement of deficiency filed. Any hearing will be held not later than 60 days after the respondent files the answer, subject to any extensions ordered under subsection (c) of this Section.
- b) The Chairman of the Board will designate a hearing officer and the Clerk will notify the parties of the designation. The hearing officer may be a Member of the Board if otherwise qualified.
- c) The hearing officer, after reasonable efforts to consult with the parties, will set a time and place for hearing. The Board or the hearing officer may extend the time for hearing if all parties agree or there are extreme and unanticipated or uncontrollable circumstances that warrant a delay. The Board or the hearing officer may delay the hearing more than once. In each event, the Board or the hearing officer will not delay the hearing for more than 30 days.
- d) The hearing will be held in the county in which the pilot project is located, or in another county that the hearing officer designates for cause.

- e) The hearing officer or the Clerk will give notice of the hearing, at least 30 days before the hearing, to the parties under Section 106.708(b) of this Subpart, and to the public by public advertisement in a newspaper of general circulation in the county in which the pilot project is located.
- f) The Agency must give notice of each statement of deficiency and hearing under Section 106.708(b) of this Part at least 10 days before the hearing to:
 - 1) All stakeholders named or listed in the EMSA; and
 - 2) Any person who submitted written comments on the respondent's EMSA or participated in the public hearing on the respondent's EMSA by signing an attendance sheet or signature card under the procedures set forth in 35 Ill. Adm. Code 187.404, if less than 100 persons attended the public hearing on the respondent's EMSA as indicated by signatures on the attendance sheet or signature cards.
- g) Failure to comply with this Section is not a defense to an involuntary termination proceeding under this Subpart, but the hearing officer may postpone the hearing upon the motion of any person prejudiced by a failure to comply with this Section.

Section 106.712 Deficient Performance

- a) For purposes of this Subpart, a respondent's performance under its EMSA is deficient if the Agency asserts and the Board finds that any of the following conditions exist:
 - 1) The respondent misrepresented the factual basis for entering into the EMSA.
 - 2) The respondent failed to provide access to the pilot project for the Agency to monitor compliance with an EMSA.
 - 3) The respondent falsified any monitoring data,

record-keeping information or reports regarding the pilot project.

- 4) The respondent or the owner or operator of the pilot project failed to comply with any requirement of any federal or local environmental law or regulation that applies to the pilot project and that the EMSA does not address, and for which a citizen's complaint has been filed with a court of competent jurisdiction or the appropriate authority has sent a notice of violation, complaint or other notice of failure to comply to the respondent or the owner or operator of the pilot project.
 - 5) The respondent or the owner or operator of the pilot project failed to comply with any requirement of any State environmental law or regulation that applies to the pilot project and that the EMSA does not address, and for which a citizen's complaint has been filed with the Board, or the Agency has mailed a notice of violation to the respondent or the owner or operator of the pilot project under Section 31(a) or (b) of the Act.
 - 6) The respondent failed to comply with its EMSA, subject to any grace or cure periods or rights contained in the EMSA.
- b) Any Board finding of deficient performance under subsection (a)(4) or (a)(5) of this Section will not be binding for any purpose or in any other proceeding under the Act, other than under this Subpart.

Section 106.714 Board Decision

- a) The Board will prepare a written opinion and order for all final determinations that will include findings of fact (with specific page references to principal supporting items of evidence in the record) and conclusions of law (supported by adequate reasoning) on all material issues.
- b) The Board will render its decision as expeditiously as practicable. The Board will render a decision as an

order that:

- 1) Terminates the EMSA;
 - 2) Defers termination for a specified time, not to exceed 90 days from the date of the order, during which the respondent may rectify the deficient performance; or
 - 3) Rejects termination of the EMSA.
- c) The Board may extend the time period under subsection (b)(2) of this Section for good cause.
- d) The Board may order any or all of the following:
- 1) Direct the respondent to cease and desist from violating the Act, the Board's regulations, or the EMSA;
 - 2) Require the respondent to provide performance assurance compensation in appropriate amounts;
 - 3) Require the respondent to post a sufficient performance bond or other security to assure that the respondent corrects the violation within the time that the Board prescribes;
 - 4) Enforce any remedy provision of the EMSA; and
 - 5) Order other relief as appropriate.
- e) The Clerk will publish the order and opinion with the vote of each Board Member recorded and will notify the parties required to be notified of the hearing from which the order arose of the order and opinion.

Section 106.716 Burden of Proof

The Agency has the burden to prove, by a preponderance of the evidence, that there has been deficient performance under the EMSA, as set forth in Section 106.712(a) of this Subpart.

Section 106.718 Motions, Responses

- a) All motions before a hearing must be presented to the

hearing officer at least 10 days before the date of the hearing.

- b) The complainant's motion to voluntarily dismiss an action as to any or all claims must be directed to the Board and may be made orally upon the hearing record, or may be made in writing at any time before the Board issues its decision.
- c) All motions must be served on all parties, including the Agency and its representative and the hearing officer, with proof of service.
- d) Unless made orally on the record during a hearing or unless the hearing officer directs otherwise, a motion must be in writing, must state the reasons for and grounds upon which the motion is made, and may be accompanied by any affidavits or other evidence relied on and, when appropriate, by a proposed order.
- e) Within 7 days after a written motion is served, or another period that the Board or hearing officer may prescribe, a party may file a response to the motion, accompanied by affidavits or other evidence. If no response is filed, the parties will be deemed to have waived objection to the motion, but the waiver of objection does not bind the Board. The moving party does not have the right to reply, except as the hearing officer or the Board permits.
- f) No oral argument will be heard on a motion before the Board unless the Board directs otherwise. A written brief may be filed with a motion or an answer to a motion.
- g) The hearing officer may rule upon all motions, except that the hearing officer has no authority to dismiss, or rule upon a motion to dismiss or decide a proceeding on the merits, or for failure to state a claim, or for want of jurisdiction, or to strike any claim or defense for insufficiency or want of proof.
- h) No interlocutory appeal of a motion may be taken to the Board from a ruling of the hearing officer.
- i) After the hearing, the Board may review the hearing

officer's rulings. The Board will set aside the hearing officer's ruling only to avoid material prejudice to the rights of a party. The hearing officer, if a member of the Board, may vote upon motions to review his or her rulings as hearing officer.

- j) Unless the Board orders or this Subpart provides otherwise, the filing of a motion will not stay the proceeding or extend the time to perform any act.

Section 106.720 Intervention

- a) Upon timely written motion and subject to the need to conduct an orderly and expeditious hearing, the Board will permit a person to intervene in an involuntary termination proceeding under this Subpart if the person submitted written comments on the respondent's EMSA or participated in the public hearing on the respondent's EMSA by signing an attendance sheet or signature card at hearing under the procedures set forth in 35 Ill. Adm. Code 187.404, or is named or listed in the respondent's EMSA as a stakeholder, and if the Board's final order may adversely affect the person.
- b) The movant must file an original and 9 copies of a motion to intervene with the Board and serve a copy on each party not later than 48 hours before the hearing. The Board may permit a person to intervene at any time before the beginning of the hearing when that person shows good cause for the delay.
- c) An intervenor has all the rights of an original party, except that the Board may limit the rights of the intervenor in accordance with 35 Ill. Adm. Code 101.402.

Section 106.722 Continuances

The hearing officer will grant a motion to continue an involuntary termination proceeding under this Subpart when justice requires. All motions to continue must be supported by an affidavit or written motion before the hearing officer by the person or persons with knowledge of the facts that support the motion. However, if the Board determines that any involuntary termination proceeding under this Subpart is not proceeding

expeditiously, the Board may order actions that it deems appropriate to expedite the proceeding.

Section 106.724 Discovery, Admissions

- a) Discovery, except requests to produce documents, admit facts and state the identity and location of persons with knowledge of facts, as set forth in subsection (b) of this Section, is not permitted unless the hearing officer orders otherwise.
- b) Regarding any matter not privileged, the hearing officer may order a party to produce documents and to state the identity and location of persons with knowledge of facts upon the written request of any party when parties cannot agree on the legitimate scope of the requests. It is not a ground for objection that the documents will be inadmissible at hearing if the information sought appears reasonably calculated to lead to the discovery of admissible evidence or is relevant to the subject matter involved in the pending proceeding.
- c) The hearing officer may order a party:
 - 1) To state the identity and location of persons with knowledge of relevant facts.
 - 2) To produce evidence that a party controls or possesses so that it may be inspected, copied or duplicated. The order may grant the right to reasonably inspect the pilot project.
- d) The hearing officer may at any time on his or her own initiative, or on motion of any party or witness, make a protective order as justice requires. The protective order may deny, limit, condition or regulate discovery to prevent unreasonable delay, expense, harassment, or oppression, or to protect non-disclosable materials from disclosure consistent with Sections 7 and 7.1 of the Act and 35 Ill. Adm. Code 130.
- e) All objections to rulings of the hearing officer must be made in the record.
- f) Sections 106.718(d), (e), (f), (g), (h), (i) and (j) of

this Subpart apply regarding procedures to rule on objections.

- g) Failure to comply with any ruling may subject the person to sanctions under 35 Ill. Adm. Code 101.Subpart H.
- h) A party may serve on any other party, no sooner than 15 days after the Agency files the statement of deficiency, a written request that the latter admit the truth of any specified relevant fact set forth in the request.
- i) A party may serve on any other party, no sooner than 15 days after the Agency files the statement of deficiency, a written request to admit to the genuineness of any relevant documents described in the request. Copies of the document must be served with the request unless copies have already been furnished.
- j) Each of the matters of fact and the genuineness of each document of which admission is requested is admitted unless, within 15 days after service under subsection (h) or (i) of this Section, the party to whom the request is directed serves upon the party requesting the admission either a sworn statement that denies specifically the matters on which the admission is requested or that sets forth in detail the reasons why the party cannot truthfully admit or deny those matters or written objections on the ground that some or all of the requested admissions are privileged or irrelevant or that the request is otherwise improper in whole or in part. If a party objects in writing to a part of the request, the remainder of the request must be answered within the period designated in the request. A denial must fairly meet the substance of the requested admission. If good faith requires that a party deny only a part, or requires qualification, of a matter of which an admission is requested, the party must specify so much of it as is true and deny only the remainder. The hearing officer will hear any objection to a request or to an answer upon prompt notice and motion of the party making the request.
- k) Any admission made under this Section is for the purpose of the pending proceeding only. It does not

constitute an admission by the party for any other purpose and may not be used against the party in any other proceeding.

Section 106.726 Subpoenas

- a) Upon any party's timely motion to the Board, or on motion of the hearing officer or the Board, the hearing officer or the Board may issue a subpoena to attend a hearing. The subpoena may include a command to produce evidence reasonably necessary to resolve the matter under consideration, subject to this Subpart's limitations on discovery. A copy of the subpoena must be served upon the Clerk.
- b) Every subpoena must state the title of the proceeding and command each person to whom it is directed to attend and give testimony at the time and place specified.
- c) The hearing officer or the Board, upon motion made promptly and in any event at or before the time specified for compliance with the subpoena, may quash or modify the subpoena if it is unreasonable and oppressive.
- d) Failure of any witness to comply with a Board subpoena may subject the witness to sanctions under 35 Ill. Adm. Code 101.Subpart H.

Section 106.728 Settlement Procedure

- a) All parties to any proceeding in which a settlement or compromise is proposed must file with the Clerk before the time of the scheduled hearing a written statement, signed by the parties or their authorized representatives, that outlines the nature of, the reasons for, and the purpose to be accomplished by, the settlement. The statement must contain:
 - 1) A full stipulation of all material facts that pertain to the nature, extent and causes of the alleged violations;
 - 2) The nature of the relevant parties' operations and control equipment;

- 3) Any explanation for past failures to comply and an assessment of the impact on the public from the failure to comply;
 - 4) Details about future plans for compliance, including a description of additional control measures and the dates on which they will be implemented; and
 - 5) The proposed performance assurance payment, if any.
- b) If an agreed settlement is filed under this Section, the Board may dismiss the proceeding without holding a hearing.

Section 106.730 Authority of Hearing Officer, Board Members,
and Board Assistants

- a) The hearing officer has the duty to conduct a fair hearing, to take all necessary action to avoid delay, to maintain order, and to ensure development of a clear and complete record. The hearing officer has all powers necessary to these ends, including the authority to:
- 1) Issue discovery orders;
 - 2) Rule upon objections to discovery orders;
 - 3) Make protective orders as justice requires, which may deny, limit, condition or regulate discovery to prevent unreasonable delay, expense, harassment, or oppression, or to protect materials from disclosure by the party who obtains the materials;
 - 4) Administer oaths and affirmations;
 - 5) Rule upon offers of proof, receive evidence and rule upon objections to introducing evidence, subject to Section 106.732(b) of this Subpart;
 - 6) Regulate the course of the hearings and the conduct of the parties and their counsel;

- 7) Examine witnesses solely to clarify the record of the hearing. When any party is not represented by counsel, the hearing officer may examine and cross-examine any witness to insure a clear and complete record. However, the hearing officer may not exclude exhibits or other testimony because of the examination unless all parties agree; and
 - 8) Except as otherwise provided, consider and rule as justice may require upon motions appropriate to an adjudicative proceeding.
- b) Any Board Member or assistant to a Board Member present at the hearing may advise the hearing officer and may interrogate witnesses, but does not have the authority to rule on objections or motions or to overrule the hearing officer during the hearing.

Section 106.732 Order and Conduct of Hearing

- a) The following will be the order of all involuntary termination hearings under this Subpart, unless modified by the hearing officer for good cause:
- 1) Present, argue and dispose of preliminary motions on the matters that the statement of deficiency raises;
 - 2) Present opening statements;
 - 3) Complainant's case in chief;
 - 4) Respondent's case in chief;
 - 5) Complainant's case in rebuttal;
 - 6) Statements from interested citizens, as the hearing officer authorizes;
 - 7) Complainant's opening argument, which may include legal argument;
 - 8) Respondent's closing argument, which may include legal argument;

- 9) Complainant's closing argument, which may include legal argument;
 - 10) Present and argue all motions before submitting the transcript to the Board; and
 - 11) A schedule to submit briefs to the Board.
- b) All hearings under this Subpart will be public, and any person not a party and not otherwise a witness for a party may submit written statements relevant to the subject matter of the hearing. Any party may cross-examine any person who submits a statement. If the person is not available to be cross-examined upon timely request, the written statement may be stricken from the record. The hearing officer will permit any person to offer reasonable oral testimony whether or not a party to the proceedings.
 - c) All witnesses will be sworn.
 - d) At the conclusion of the hearing, the hearing officer will make a statement about the credibility of witnesses. This statement will be based upon the hearing officer's legal judgment and experience and will indicate whether he or she finds credibility to be at issue in the proceeding and if so, the reasons why. This statement will become a part of the official record and will be transmitted by the hearing officer to each of the parties. No other statement will be made or be appropriate unless the Board orders otherwise.

Section 106.734 Evidentiary Matters

The provisions of 35 Ill. Adm. Code 101 regarding admissible evidence, written narrative testimony, official notice, viewing premises, admitting business records, examining adverse parties or agents and hostile witnesses and compelling them to appear at hearing, and amendment and variance of pleadings and proof will apply to proceedings under this Subpart.

Section 106.736 Post-Hearing Procedures

The provisions of 35 Ill. Adm. Code 101 regarding default, transcripts, the record, briefs and oral arguments will apply to

proceedings under this Subpart.

Section 106.738 Motion After Entry of Final Order

Within 35 days after the Board adopts a final order, any party may file a motion to rehear, modify or vacate the order or for other relief. Response to the motion must be filed within 14 days after the motion is filed. A motion filed within 35 days stays enforcement of the final order.

Section 106.740 Relief from Final Orders

- a) The Board may at any time correct errors in orders or other parts of the record that arise from oversight or omission or clerical mistakes. The Board may do so on its own initiative or on the motion of any party and after notice, if any, as the Board orders. During the pendency of an appeal, the Board may correct the mistakes before the appeal is docketed in the appellate court. While the appeal is pending, the Board may correct the mistakes with leave of the appellate court.
- b) On motion and upon terms that are just, the Board may relieve a party or a party's legal representative from a final order, for the following:
 - 1) Newly discovered evidence that by due diligence could not have been discovered in time under Section 106.714 of this Subpart;
 - 2) Fraud (whether previously denominated intrinsic or extrinsic), misrepresentation, or other misconduct of an adverse party; or
 - 3) Void order.
- c) A motion under this Section does not affect the finality of a Board order or suspend the operation of a Board order. The motion must be filed in the same proceeding in which the Board entered the order but the motion is not a continuation of the proceeding. The motion must be supported by affidavit or other appropriate showing as to matters not of record. All parties must be notified under Section 106.708(b) of this Subpart.

- d) This motion must be filed with the Board within 60 days after entry of the order.

SUBPART A: GENERAL PROVISIONS

Section 107.100 Applicability

- a) This Part applies to adjudicatory proceedings before the Board concerning petitions to review a pollution control facility siting decision made by local government pursuant to Sections 39.2 and 40.1 of the Act.
- b) This Part must be read in conjunction with 35 Ill. Adm. Code 101, which contains procedures generally applicable to all of the Board's adjudicatory proceedings. In the event of a conflict between the requirements of 35 Ill. Adm. Code 101 and those of this Part, the provisions of this Part apply.

Section 107.102 Severability

If any provision of this Part or its application to any person is adjudged invalid, the adjudication does not affect the validity of this Part as a whole or of any portion not adjudged invalid.

Section 107.104 Definitions

For purposes of this Part, words and terms will have the meanings as defined in 35 Ill. Adm. Code 101.Subpart B unless otherwise provided, or unless the context clearly indicates otherwise.

Section 107.106 Description

Pursuant to Section 39(c) of the Act, any new pollution control facility, prior to receiving a permit from the Agency to construct and operate, must first receive siting approval from the *County Board of the county if in an unincorporated area, or the governing body of the municipality when in an incorporated area, in which the facility is to be located* [415 ILCS 5/39(c)]. The siting approval can only be given pursuant to Section 39.2 of the Act and only after the unit of local government conducts a public hearing that comports with the requirements of Section 39.2(d) and with general standards of fundamental fairness. Pursuant to Section 40.1 of the Act, a decision of a unit of local government to site or deny siting of a new pollution control facility is reviewable by the Board. The decision of the Board is appealable to the Illinois appellate court.

SUBPART B: PETITION FOR REVIEW

Section 107.200 Who May File Petition

The following persons may file a petition for review of a decision concerning siting of a new pollution control facility pursuant to Section 40.1 of the Act:

- a) Siting applicants. Any person who has properly applied to one or more units of local government, pursuant to Section 39.2 of the Act, for siting approval of a new pollution control facility and has been denied siting approval under Section 39.2 of the Act, may file a petition for review of the decision to deny siting. The siting applicant may also appeal conditions imposed in a decision granting siting approval.
- b) Other persons. Any person who has participated in the public hearing conducted by the unit of local government and is so located as to be affected by the proposed facility may file a petition for review of the decision to grant siting. Associations that file a petition before the Board must be represented by an attorney in accordance with 35 Ill. Adm. Code 101.400.

Section 107.202 Parties

- a) In a petition to review a local government's decision concerning a new pollution control facility, the following are parties to the proceeding:

- 1) The petitioner or petitioners are the persons described in Section 107.200 of this Part. If there is more than one petitioner, they must be referred to as co-petitioners; and
 - 2) The unit(s) of local government whose decision is being reviewed must be named the respondent(s). In an appeal pursuant to Section 107.200(b), the siting applicant must also be named as a respondent.
- b) Where the interests of the public would be served, the Board or hearing officer may allow intervention by the Attorney General or the State's Attorney of the county in which the facility will be located.

Section 107.204 Time for Filing Petition

A petition for review must be filed within 35 days after the local siting authority's action to approve or disapprove siting. Action means the local government's official written decision granting or denying local siting approval. Pursuant to Section 39.2(e) of the Act, action includes failure of the governing body to act within 180 days after receiving a request for siting approval.

Section 107.206 Filing and Service Requirements

SUBPART A: GENERAL PROVISIONS

Section 130.100 Purpose and Applicability

- a) Section 7(a) of the Act provides that *all files, records, and data of the Illinois Environmental Protection Agency, the Board, and DNR shall be open for reasonable public inspection except for information which constitutes a trade secret; information privileged against introduction in judicial proceedings; internal communications of the several agencies; and information concerning secret manufacturing processes or confidential data submitted by any person under the Act.* [415 ILCS 5/7(a)]
- b) This Part establishes procedures to identify and protect trade secrets and other non-disclosable information.

- 1) Subpart A of this Part sets forth general provisions that apply with respect to both trade secrets and other non-disclosable information. References in this Subpart to non-disclosable information other than trade secrets apply only to proceedings before the Board.
- 2) Subparts B and C of this Part address only trade secrets. Those Subparts apply to articles submitted to or otherwise obtained by the Board, the Illinois Environmental Protection Agency, or DNR.
- 3) Subpart D of this Part addresses only non-disclosable information other than trade secrets. That Subpart applies only to filings of articles with the Board.

Section 130.102 Additional Procedures

The Illinois Environmental Protection Agency and DNR each may adopt additional procedures that are not inconsistent with this Part to protect articles that are claimed or determined to represent a trade secret.

Section 130.104 Definitions and Severability

- a) Definitions. For the purpose of this Part, " State agency" refers to the Board, the Illinois Environmental Protection Agency, or DNR. Other words and terms have the meanings set forth in 35 Ill. Adm. Code 101.Subpart B, unless otherwise provided or unless the context clearly indicates otherwise.
- b) Severability. If any provision of this Part or its application to any person is adjudged invalid, the adjudication does not affect the validity of this Part as a whole or of any portion not adjudged invalid.

Section 130.106 Segregation of Articles

Any article, or any page or portion thereof, that is claimed or determined to represent a trade secret or other non-disclosable information must be kept segregated from articles that are open to public inspection, and must be kept secure from unauthorized access.

Section 130.108 Disposal of Articles

The State agency must dispose of an article that is claimed or determined to represent a trade secret or other non-disclosable information, and any copies made of that article, according to its application for authority to dispose of State records approved by the State Records Commission.

Section 130.110 Articles Containing Emission Data

- a) *All emission data reported to or otherwise obtained by the Illinois Environmental Protection Agency, the Board, or DNR in connection with any examination, inspection or proceeding under the Act shall be available to the public to the extent required by the federal Clean Air Act Amendments of 1977 (P.L. 95-95) as amended [415 ILCS 5/7(c)].*
- b) For purposes of this Section, " emission data" means:
 - 1) The identity, amount, frequency, concentration, or other characteristics (related to air quality) of any contaminant that:
 - A) Has been emitted from an emission unit;
 - B) Results from any emission by the emission unit;
 - C) Under an applicable standard or limitation, the emission unit was authorized to emit; or
 - D) Is a combination of any of the items described in subsection (b)(1)(A), (B), or (C) of this Section.
 - 2) The name, address (or description of the location), and the nature of the emission unit necessary to identify the emission unit, including a description of the device, equipment, or operation constituting the emission unit.
- c) In addition to subsection (b) of this Section, information necessary to determine or calculate emission data, including rate of operation, rate of

production, rate of raw material usage, or material balance, will be deemed to represent emission data for the purposes of this Section if the information is contained in a permit to ensure that the permit is practically enforceable.

SUBPART B: PROCEDURES FOR IDENTIFYING ARTICLES THAT REPRESENT
TRADE SECRETS

Section 130.200 Initiation of a Claim that an Article
Represents a Trade Secret

- a) The owner of an article may claim that the article represents a trade secret only by submitting to the State agency the claim letter required by subsection (b)(1) of this Section at the time the owner submits the article to the State agency. If the owner of the article submits the article to the State agency without simultaneously submitting the claim letter required by subsection (b)(1) of this Section, the article will be considered a matter of general public knowledge and cannot be protected as a trade secret.
- b) The owner of an article seeking trade secret protection must submit the following information to the State agency at the time the owner submits the article to the State agency:
 - 1) A claim letter that clearly states the name of the article, briefly describes the article, and states that the article is claimed to represent a trade secret, as defined in 35 Ill. Adm. Code 101.Subpart B and the Act; and
 - 2) A copy of the article marked as provided in Section 130.302 of this Part.
- c) The owner of an article seeking trade secret protection must submit to the State agency a statement of justification for the claim meeting the requirements of Section 130.203 of this Subpart. The owner of the article may submit the statement of justification at the time the owner submits the article, or at a later time, but in no event later than the time limit established pursuant to Section 130.202 of this Subpart.

- d) If the State agency is provided with a claim letter required by subsection (b)(1) of this Section, the State agency must consider the article a trade secret and must protect it from disclosure pursuant to Subpart C of this Part until the State agency makes a final determination and the appeal time has expired.
- e) The owner of an article seeking trade secret protection is not required to serve any other persons with the article or the page or portion thereof for which the owner seeks trade secret protection.

Section 130.201 State Agency Request for Justification of Claims

- a) The State agency may request that the owner of an article claimed to represent a trade secret submit a statement of justification meeting the requirements of Section 130.203 of this Subpart. The State agency may make the request when the article is submitted or obtained, or at any later time.
- b) The request under subsection (a) of this Section must be in writing. The State agency must set forth in the request the reasoning for the request. Reasons for the request may include the following:
 - 1) The State agency has received or reasonably expects to receive a request from the public to disclose the article;
 - 2) The article is required to be available to the public in a proceeding before the State agency;
 - 3) Information within the article is required to be contained in a permit issued by the State agency;
 - 4) To facilitate public participation in a proceeding before the State agency;
 - 5) A regulation requires that the State agency determine whether the article represents a trade secret at the time that the article is submitted to or obtained by the State agency; or

- 6) Determining the validity of the claim will facilitate the timely performance of State agency responsibilities.

Section 130.202 Time Limit for Delayed Submission of
Justification

- a) Within 10 working days after the date on which the owner of an article claimed to represent a trade secret receives a State agency request for justification under Section 130.201 of this Subpart, the owner must submit to the State agency a statement of justification meeting the requirements of Section 130.203 of this Subpart.
- b) The State agency may extend the time period under subsection (a) of this Section for a second period of 10 working days if, within the first 10 day period, the owner of the article requests an extension and demonstrates that the extension is necessary to complete the statement of justification.

Section 130.203 Contents of Statement of Justification

A statement of justification must contain the following:

- a) A detailed description of the procedures used by the owner to safeguard the article from becoming available to persons other than those selected by the owner to have access thereto for limited purposes;
- b) A detailed statement identifying the persons or class of persons to whom the article has been disclosed;
- c) A certification that the owner has no knowledge that the article has ever been published or disseminated or has otherwise become a matter of general public knowledge;
- d) A detailed discussion of why the owner believes the article to be of competitive value; and
- e) Any other information that will support the claim.

Section 130.204 Waiver of Statutory Deadlines

- a) When the owner of an article seeking trade secret protection submits a statement of justification under this Subpart to the State agency, the owner must simultaneously submit to the State agency a waiver of any statutory deadline for the State agency to decide the underlying proceeding or matter, such as a permit application.
- b) The waiver under subsection (a) of this Section must extend the statutory deadline for a period equal to the period by which the decision on the underlying proceeding or matter is delayed due to any subsequent trade secret justification and determination process plus 45 days.

Section 130.206 Deadline for State Agency Trade Secret Determination

- a) The State agency must determine whether the article represents a trade secret within 45 days after the date it receives a complete statement of justification as prescribed in Section 130.203 of this Subpart.
- b) The owner of an article seeking trade secret protection may extend the time period for the State agency to determine whether the article represents a trade secret by submitting to the State agency a waiver of the deadline for the State agency to determine whether the article represents a trade secret.

Section 130.208 Standards for State Agency Determination

- a) An article will be determined to represent a trade secret if:
 - 1) The owner has complied with the procedures for making a claim and justification as prescribed by this Subpart; and
 - 2) The statement of justification demonstrates that:
 - A) The article has not been published, disseminated, or otherwise become a matter of general public knowledge; and

- B) The article has competitive value.
- b) There will be a rebuttable presumption that an article has not been published, disseminated, or otherwise become a matter of general public knowledge, if:
 - 1) The owner has taken reasonable measures to prevent the article from becoming available to persons other than those selected by the owner to have access to the article for limited purposes; and
 - 2) The statement of justification contains a certification that the owner has no knowledge that the article has ever been published, disseminated, or otherwise become a matter of general public knowledge.
- c) The State agency may determine that any page or portion of the article represents a trade secret without finding that the entire article represents a trade secret.

Section 130.210 State Agency Actions Following a Negative Determination

- a) If the State agency determines that an article, or any page or portion thereof, does not meet the standards specified in Section 130.208(a)(1) or (2) of this Subpart, the State agency must deny the claim for trade secret protection for the article or page or portion thereof, and must give written notice of the determination to the owner of the article and any requester pursuant to subsection (b) of this Section.
- b) Written notice that the State agency denied a claim for trade secret protection must be given by certified mail, return receipt requested, and must contain the following information:
 - 1) A statement of the State agency's reasoning for denying the claim;
 - 2) A notification that the State agency determination may be reviewed pursuant to Section 130.214 of this Subpart; and

- 3) A notification that the State agency will cease protecting the article, or the page or portion thereof, as a trade secret unless the State agency is served with notice of the filing of a petition for review of the State agency's determination within 35 days after service of the notice of denial on the owner and any requester.
- c) If the State agency is served with notice of the filing of a petition for review of its determination within 35 days after service of the notice of denial on the owner and any requester, the State agency must notify the requester of the action and must continue to protect the article, or the page or portion thereof, pursuant to Subpart C of this Part until the State agency receives official notification of a final order by a reviewing body with proper jurisdiction that does not reverse the State agency determination and that is not subject to further appeal.
 - d) If the State agency does not receive the notification of a petition for review within 35 days after service of the notice of denial on the owner and any requester or does receive official notification of a final, non-appealable action that does not reverse the State agency determination, the article will not be protected pursuant to Subpart C of this Part and the State agency must so notify the owner and any requester by certified mail, return receipt requested.

Section 130.212 State Agency Actions Following a Positive Determination

- a) If the State agency determines that an article, or any page or portion thereof, meets the standards specified in subsection 130.208(a)(1) and (2) of this Subpart, the State agency must grant the claim for trade secret protection for the article or page or portion thereof, and must give written notice of the determination to the owner of the article and any requester pursuant to subsection (b) of this Section.
- b) Written notice of the granting of a claim for trade secret protection must be given by certified mail, return receipt requested, and must contain the following information:

- 1) A statement of the State agency's reasoning for granting the claim;
 - 2) A notification that the State agency determination may be reviewed pursuant to Section 130.214 of this Subpart; and
 - 3) A notification that the article, or the page or portion thereof, will be protected pursuant to Subpart C of this Part until the State agency receives official notification of a final order by a reviewing body that reverses the State agency determination and that is not subject to further appeal.
- c) The State agency must continue to protect an article, or the page or portion thereof, for which trade secret protection has been granted pursuant to Subpart C of this Part until the State agency receives official notification of a final order by a reviewing body with proper jurisdiction that reverses the State agency determination and that is not subject to further appeal.

Section 130.214 Review of State Agency Trade Secret Determination

- a) An owner or requester who is adversely affected by a final determination of the Illinois Environmental Protection Agency or DNR pursuant to this Subpart may petition the Board to review the final determination within 35 days after service —of the determination. Appeals to the Board will be pursuant to 35 Ill. Adm. Code 105.Subparts A and B.
- b) An owner or requester who is adversely affected by a final determination of the Board pursuant to this Subpart may obtain judicial review from the appellate court by filing a petition for review pursuant to Section 41 of the Act [415 ILCS 5/41].

- b) When an article described in subsection (a) of this Section is the subject of a review before the Board pursuant to Section 130.214(a) of this Subpart, the article will be treated as a trade secret only unless or until the Board determines that the article does not represent a trade secret.

Section 130.218 Status of Article Determined or Claimed to Represent a Trade Secret Before January 1, 2001

- a) Any article that was determined by a State agency before January 1, 2001 to represent a trade secret in accordance with State agency procedures adopted pursuant to the IAPA will be deemed to have been determined to represent a trade secret for the purposes of this Part. The State agency must protect the article in accordance with Subpart C of this Part.
- b) If a State agency possesses an article that was claimed before January 1, 2001 to represent a trade secret and the State agency did not determine before January 1, 2001 whether the article represents a trade secret in accordance with procedures adopted pursuant to the IAPA, the article is deemed to have been claimed to represent a trade secret for the purposes of this Part. These claims are deemed pending with unlimited waivers of any deadlines for decision.

Section 130.220 Extension of Deadlines to Participate in Proceedings

- a) Upon the State agency's finding that a person has satisfied the requirements of subsection (b) of this Section, the State agency must extend any deadline for

the person to participate in the proceeding before the State agency until 10 days after the State agency determines the trade secret status of the article.

- b) The person seeking an extension to participate in a proceeding before the State agency has the burden to demonstrate that the person will be adversely affected in the proceeding due to the timing of the State agency's trade secret determination, that the person could not have avoided the resulting delay by making an earlier request, and that the article is relevant to the proceeding.
