Good morning,

I am the hearing officer for this rulemaking and am happy to answer this procedural question. The most recent order does not propose any rules. It does propose closing this rulemaking sub-docket. Public comment on the proposed closing can be filed in this rulemaking until December 7 and can be sent via email to the Board's Clerk at

don.brown@illinois.gov.

Thank you!

Sincerely,
Carlie Leoni

After reading the Order, my understanding is that the Sub-Docket which refers to continuing education and compliance is being closed, with no action taken to establish any rules for these items.

Is that a correct interpretation?
