MOTION TO EXTEND DISCOVERY DEADLINES

Respondent People of the State of Illinois, through its attorney, files this Motion to Extend Discovery Deadlines. In support, Respondent states as follows:

1. On July 23, 2026, a Hearing Officer Order granted Petitioner's request for discovery in this matter.

2. On September 16, 2026, Petitioner filed Petitioner's First Set of Requests for Production of Documents to Respondent Illinois Environmental Protection Agency. The response deadline was twenty-eight (28) days later, October 14, 2026.

3. On September 24, 2026, a Hearing Officer Order extended the Illinois EPA's deadline to respond to petitioner's discovery requests to November 16, 2026.

4. Illinois EPA personnel involved in answering the discovery requests have been working diligently, but certain personnel changes have impacted the answering the discovery requests. Therefore, additional time is needed to assess and answer the discovery requests.

5. Respondent respectfully requests additional time until January 15, 2027 in order to answer Petitioner's First Set of Requests for Production of Documents to Respondent Illinois Environmental Protection Agency.

6. Counsel for Petitioner does not object to Respondent's request.

7. Respondent's request for additional time is for good cause and will not prejudice Petitioner or unduly delay this matter.

WHEREFORE, for the reasons set forth above, Respondent Illinois EPA requests an extension of time until and including January 15, 2027 to answer Petitioner's discovery request.
