HEARING OFFICER ORDER

On April 28, 2005, all parties participated in a telephonic status conference with the hearing officer. The parties represented that they are close to agreement on the draft stipulation and proposal for settlement (stipulation). The respondent represented that it will forward an application for a construction permit to the Illinois Environmental Protection Agency that is part of the supplemental environmental project that is to be included in the stipulation. The respondent made an oral motion for an extension of time to file its answer. The complainant had no objection. Respondent's motion is granted. Respondent's answer is now due on or before July 8, 2005.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on June 30, 2005, at 10:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
