ORDER OF THE BOARD (by N.J. Melas):

On October 27, 1998, the People of the State of Illinois (complainant), filed a request for extension of time to file post-hearing briefs (request).

The October 6, 1998 hearing officer report (report) was issued following the September 29, 1998 hearing in this matter. The report set a post-hearing brief schedule directing complainant to file a brief on or before October 26, 1998, Spirico Environmental Inc. (respondent) to file a response brief on or before November 16, 1998, and complainant to file a reply brief on or before November 23, 1998.

In the request, complainant asks that the deadline for the first brief be extended to November 9, 1998. Complainant states that respondent does not object to the extension. Respondent's counsel requests that the deadline for the response brief be extended to December 7, 1998. The deadline for the reply brief would then be extended until December 14, 1998.

The Board grants the request and approves the new post-hearing brief schedule.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 5th day of November 1998 by a vote of 5-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
