1 MR. KNITTLE: Good morning. My name  
2 is John Knittle. I am the hearing officer  
3 for this rulemaking proceeding R05-11. Today  
4 is February 22nd, 2005. It is about 10:30  
5 a.m. We are at the James R. Thompson Center,  
6 100 West Randolph Street.

7

8 Present with me today from the board  
9 is Board Member Tom Johnson, Board Member  
10 Tanner Girard, Anand Rao and Alisa Liu from  
11 our technical staff.

12

13 This is, as I said, R05-11 in the  
14 matter of amendments to 35 Illinois  
15 Administrative Code 205, Emissions Reduction  
16 Market System, and 35 Illinois Administrative  
17 Code 211.

18

19 First, I want to introduce Board  
20 Member Johnson. He is the board member who  
21 is shepherding this rulemaking process.

22

23 Do you have any comments you would  
24 like to make at this point?

25

26 MR. JOHNSON: No.

27

28 MR. KNITTLE: Okay. I am not going  
29 to go over the procedural background or any  
30 of that information. We did that at the last

0003

1 hearing, at which there were no members of  
2 the public present. I want to note for the  
3 record that there are no members of the  
4 public present here. If they were here,  
5 they, of course, would be able to testify  
6 and/or ask questions of the Agency as

7 proponents.  
8 I also want to note that if there  
9 were somebody here, we would ask them if they  
10 wanted to sign up for the notice or service  
11 list and sign up and do all that. But, of  
12 course, there is nobody here.

13 So at this point, I am going to turn  
14 it over to the petitioner, the Agency, and  
15 ask Mr. Matoesian to introduce himself and  
16 his witness.

17 MR. MATOESIAN: Good day, Gentlemen.  
18 My name is Charles Matoesian. I am an  
19 attorney for the Illinois Environmental  
20 Protection Agency. At this point we have no  
21 further comments concerning the ERMS  
22 rulemaking. And we will stand on the record  
23 at this point. That is all.

24 MR. KNITTLE: Okay. Thank you, sir.

0004

1 There are no other parties here. I want to  
2 ask board members if they have any questions  
3 or comments they want to make at this point  
4 in time.

5 MR. GIRARD: Not at this time,  
6 thanks.

7 MR. KNITTLE: That is the indication  
8 of no. Mr. Rao, Ms. Liu?

9 MS. LIU: Did the Agency introduce  
10 their witness?

11 MR. KNITTLE: No, they did not.  
12 That is a fine point.

13 MR. MATOESIAN: Mr. David Bloomberg  
14 is with me today.

15 MR. KNITTLE: And ready and willing  
16 to answer questions if, in fact, there were  
17 any questions.

18 Other than that, Ms. Liu?

19 MS. LIU: No, thank you.

20 MR. KNITTLE: I have no questions.  
21 Let's go off the record. We are going to  
22 hold this open for 15 minutes to make sure if  
23 members of the public want to attend, they  
24 have that opportunity. Let's go off the

0005

1 record.

2 (Short recess taken.)

3 MR. KNITTLE: We are back on the  
4 record. It is 10:46 a.m. We still have no  
5 members of the public who have appeared to  
6 provide testimony and/or comment. So we are  
7 going to end this hearing.

8 We have talked to the court reporter  
9 who has indicated she will have the  
10 transcript ready by February 25th. And we  
11 are go to close the public comment period on  
12 March 11th, 2005. I will put all this in the  
13 hearing officer order and make this official.

14 Mr. Matoesian has indicated that he  
15 is reserving the right to file a public  
16 comment and/or closing brief, which is his  
17 right.

18 And other than that, I don't have  
19 anything else to note. Member Johnson?

20 MR. JOHNSON: Nothing. Thank you.

21 MR. KNITTLE: Member Girard?

22 MR. GIRARD: Nothing.

23 MR. KNITTLE: So I think we are  
24 good. Of course, copies of the transcript

0006

1 will be available shortly after February 25th  
2 on the Board's website. That is  
3 www.IPCB.state.IL.US, as well the previous  
4 Board orders and hearing officer orders.

5 We are not going to have another  
6 hearing on this case. And thank you all for  
7 coming.

8 (Which were all the  
9 proceedings had in the  
10 above-entitled cause on  
11 this date, February 22,
