ORDER OF THE BOARD (by J. Marlin):

On May 23, 1988, the Respondent filed a Motion to Continue Proceedings. In the motion, the Respondent requests that this matter be held in abeyance until the Respondent and the Illinois Environmental Protection Agency (Agency) hold a meeting pursuant to Section 31(d) of the Illinois Environmental Protection Act.

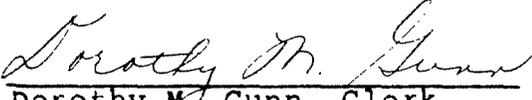

The Agency filed a Response to the motion on June 1, 1988. In its Response, the Agency states that the Respondent was sent a 31(d) letter and that a 31(d) conference was held on November 19, 1982.

The Respondent's motion is denied.

The Board notes that the Respondent apparently desires a meeting with the Agency in order to attempt to resolve this matter. A meeting may aid the parties in resolving this matter; the Board fully encourages the parties to hold such a meeting.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 16th day of June, 1988, by a vote of 7-0.

 Dorothy M. Gunn, Clerk
 Illinois Pollution Control Board
