**HEARING OFFICER ORDER**

On September 22, 2004, all parties participated in a telephonic status conference with the hearing officer. The complainants represented that it has finished collecting additional noise readings and will forward it to their consultant for evaluation and then to the respondent.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on October 28, 2004, at 11:15 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
