HEARING OFFICER ORDER

On February 17, 2005, the parties participated in a telephone status conference with the hearing officer. It appears unlikely that the parties will agree on the issue of compliance certification wherein respondent wants petitioner to agree to comply with any future regulatory changes that may occur before the permit period expires. Before setting this matter for hearing, the parties are working to resolve other issues.

The parties are directed to participate in a telephone status conference with the hearing officer at 11:00 a.m. on March 17, 2005. To attend the telephone status conference, please call the following number: (877) 926-7700; access code 4444. The parties shall be prepared to discuss the status of this matter.

Petitioner filed an open waiver of the statutory decision deadline in this matter.

IT IS SO ORDERED.
