ORDER OF THE BOARD (by R. C. Flemal):

On August 15, 1989, Public Act 86-245 became effective which replaces the Board with the Illinois Environmental Protection Agency ("Agency") as the concurring agency for the Illinois Department of Transportation, Division of Water Resources ("IDOT") permits for work in Lake Michigan.

Due to this change, and as indicated by a September 14, 1989 letter from IDOT to the Board which is now part of the record in this proceeding, IDOT permits will no longer be sent to the Board for concurrence. Therefore, it is no longer necessary to keep this docket open pending receipt of the permit and review by the Board. The Clerk is hereby directed to close this docket.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 18<sup>th</sup> day of October, 1989, by a vote of 7-0.
