HEARING OFFICER ORDER

On May 18, 2005, the complainant informed the hearing officer that the stipulation and proposal for settlement (stipulation) is being circulated for signatures. It was agreed that respondent's answer is now due to be filed on or before August 19, 2005.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on August 4, 2005, at 10:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further notice.

IT IS SO ORDERED.
