HEARING OFFICER ORDER

On December 1, 2004, all parties participated in a telephonic status conference with the hearing officer. The respondent represented that it submitted the revision regarding the septic permit to the county on November 15, 2004 and is under review. Once approved, the Village of Grayslake (Village) will be in a position to issue a building permit. The parties also represented that they had a settlement meeting on November 17, 2004, and that the Village is in the process drafting revisions for the settlement agreement.

The parties are directed to participate in a telephonic status conference with the hearing officer on January 6, 2005, at 11:45 a.m. The status conference must be initiated by the complainants, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
