ORDER OF THE BOARD (by J. Theodore Meyer):

This matter is before the Board on a May 4, 1989 petition for variance filed by petitioner Joliet Army Ammunition Plant. The petition for variance was not accompanied by the \$75 filing fee required by new Section 7.2 of the Illinois Environmental Protection Act. The petition is accepted; however, petitioner shall file either the filing fee or a brief statement (with support) of any claim that the federal government is exempt from filing fees within 21 days of the date of this order. If neither is filed within 21 days, the petition for variance will be subject to dismissal. The 120-day statutory decision period will not begin to run until the filing fee is paid, or until the Board finds that a filing fee is not necessary.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 11th day of May, 1989, by a vote of 7-0.
