## **HEARING OFFICER ORDER**

On August 5, 2004, all parties participated in a telephonic status conference with the hearing officer. The complainant represented that the stipulation and proposal for settlement (stipulation) is being circulated for signatures. To that end, respondent made an oral motion for an extension of time to answer the complaint. Complainant had no objection. Respondent's motion is granted. Respondent's answer is now due on or before November 15, 2004.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on October 14, 2004, at 9:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
