Re: case PCB 05-59

February 28, 2005

Gentleman,

I am a member of the Mylith Park Lot Owners Association. I have recently become aware that our President Matt Schlueter has without authorization retained attorney Jay Glenn to represent our association in an appeal (case PCB 05-59) currently before the Illinois Pollution Control Board. President Schlueter was not authorized to enter our association into this appeal or retain Mr. Glenn. The M.P.L.O.A. membership did not vote on any such actions.

Therefore I am requesting the immediate removal of the Mylith Park Lot Owners Association from the above referenced appeal.

Sincerely,

David J Suchor
