HEARING OFFICER ORDER

The telephonic status conference scheduled for November 23, 2004, is cancelled and is continued to the date and time noted below. The parties are awaiting a decision by the Board of the various motions regarding scope of discovery that are presently before it.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on December 21, 2004, at 10:30 a.m. Please note the change of date and time. The change is the result of a conflict with the hearing officer schedule due to a hearing in another matter. Please inform the hearing officer if there is a conflict. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
