HEARING OFFICER ORDER

On January 27, 2005, all parties participated in a telephonic status conference with the hearing officer. The respondent represented that a stipulation and proposal for settlement (stipulation) is being circulated for signatures. It was agreed that respondent's answer or other pleading is now due to be filed on or before April 21, 2005.

The parties or their legal representatives are directed to participate in a telephonic status conference call with the hearing officer on March 31, 2005, at 11:30 a.m. The status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
