HEARING OFFICER ORDER

On January 11, 2005, the petitioner informed the hearing officer that the related enforcement matter that is also before the Board has been settled and that a stipulation and proposal for settlement (stipulation) is being circulated for review, and that it has received a draft permit from the respondent in this matter that it will review. If accepted, it intends to file a motion to voluntarily dismiss this matter.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on February 23, 2005, at 9:00 a.m. The status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
