ORDER OF THE BOARD (by J.D. Dumelle):

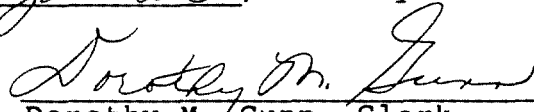

This matter comes before the Board upon receipt of  
Petitioner's Petition For Variance dated August 22, 1988.

35 Ill. Adm. Code 104.121, Contents Of Variance Petitions,  
sets forth the data requirements to be included in a request for  
variance. The current Petition is insufficient insofar as it  
fails to include an identifiable compliance plan [104.121(f)] and  
fails to either request or waive a hearing on the merits of the  
petition [104.124].

Because the current filing is incomplete, it cannot be  
accepted. Petitioner is ordered to file an Amended Petition,  
curing the above-noted defects. If the Board does not receive an  
amended petition curing the above-noted defects within 45 days of  
the date of this order, this matter is subject to dismissal.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control  
Board, hereby certify that the above Order was adopted on  
the 8<sup>th</sup> day of September, 1988 by a vote  
of 7-0.
