**HEARING OFFICER ORDER**

On March 29, 2005, the parties participated in a telephone status conference with the hearing officer. The Illinois Environmental Protection Agency is requiring additional testing of the site before accepting a closure plan. The parties have just received the consultant's proposal, and hope that the testing will be complete by July, 2005.

The parties are directed to participate in a telephone status conference with the hearing officer at 11:00 a.m. on July 19, 2005. The status conference shall be initiated by the complainant, although each party is responsible for their own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter.

IT IS SO ORDERED.
