HEARING OFFICER ORDER

On November 18, 2004, all parties participated in a telephonic status conference with the hearing officer. The petitioner informed the hearing officer that it still needs to perform one additional boring and then it will complete a corrective action report and submit it to the respondent for review in anticipation of a no further remediation letter.

The parties are directed to participate in a telephonic status conference with the hearing officer on February 3, 2005, at 9:30 a.m. The status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing

IT IS SO ORDERED.
