HEARING OFFICER ORDER

On July 13, 2004, petitioner participated in a telephone status conference with the hearing officer. Respondent did not appear. Petitioner's trust has a monthly budget in place to continue work on the site. The parties plan to meet this summer to develop a new closure plan to present at a hearing in November before the circuit court in Lawrence county. Petitioner hopes that the closure plan will be completed by November, but this may be overly optimistic. Once a closure plan is in place, petitioner may be able to dismiss this appeal.

The parties are directed to participate in a telephone status conference with the hearing officer at 9:00 a.m. on November 16, 2004. The status conference shall be initiated by the petitioner. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter.

IT IS SO ORDERED.
