HEARING OFFICER ORDER

On August 19, 2004, the complainant informed the hearing officer that the parties are close to a settlement and that the Illinois Environmental Protection Agency is reviewing the draft stipulation and proposal for settlement (stipulation).

The parties are directed to participate in a telephonic status conference with the hearing officer on October 28, 2004, at 9:00 a.m. The status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference the conference will be cancelled without further order.

IT IS SO ORDERED.
