HEARING OFFICER ORDER

On September 23, 2004, all parties participated in a telephonic status conference with the hearing officer. The petitioner represented that it has had ongoing settlement discussions with the respondent and that settlement offers have been exchanged. The petitioner represented that it will file an open waiver of the statutory decision deadline.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on December 21, 2004, at 11:00 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
