Suggestions & questions:

137(b). 12(c), 153(b), 156(a)(2), 156(i) – change "state" to "State".

213(d) reads "or no later than 90 days after ~~the effective date of this Section applies to the facility,~~ whichever is later." This makes no sense.

293(f) – Change "subsection (h) and (c)" to "subsection (c) and (h)".

376(a) – Change "after the effective date of this Part" to a specific effective date.

401 – why strike subsection j?

If you could get back to me quickly on the 401 question I'd appreciate it.
