HEARING OFFICER ORDER

On May 24, 2005, the parties informed the hearing officer that they are still discussing settlement and that they anticipate that they will know the extent of the settlement, if any, by the next status conference. In the interim, the parties are directed to submit a revised proposed discovery schedule.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on June 30, 2005, at 1:15 p.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matters and their readiness for hearing.

IT IS SO ORDERED.

A handwritten signature in black ink that reads "Bradley P. Halloran". The signature is written in a cursive style and is positioned above a solid horizontal line.
