Re: PCB 02-10

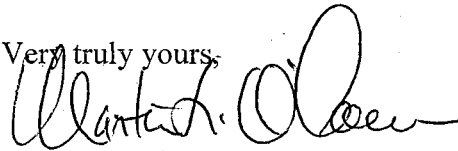

Dear Ms. Gunn,

Please be advised that I am in receipt of both the February 19, 2003 and March 17, 2003 letter directed to Bradley Halloran regarding the above referenced case.

The school district has before the board a motion to dismiss and in reviewing both the February 19<sup>th</sup> and the March 17<sup>th</sup> letter I find nothing that changes the position of the Unit # 5 school district. Ms. Lawrence again references the alleged noise problem to be affecting "neighbors" yet we have only one individual who has a complaint, i.e. Rebecca Lawrence. The truth of the matter is Unit # 5 intends to call adjacent owners whose testimony will negate Ms. Lawrence.

In closing to continue this matter for a 4-5 month period or until her health is more predicable is totally unacceptable. The board should dismiss the case with prejudice.

Very truly yours,

Martin L. O'Connor
