

ILLINOIS POLLUTION CONTROL BOARD
October 18, 1989

IN THE MATTER OF:)
)
THE PETITION OF THE CITY) R 88-25
OF HAVANA FOR A SITE-SPECIFIC) (Site-Specific Rulemaking)
RULE CHANGE TO THE COMBINED)
SEWER OVERFLOW REGULATIONS)

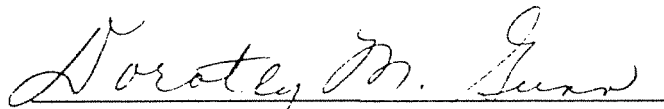

ORDER OF THE BOARD (by M. Nardulli):

This matter comes before the Board upon a letter filed by the City of Havana on October 4, 1989 which the Board construes as a Motion for Board Comment. In its motion the City of Havana states that "a prerequisite to the City of Havana acquiring a compliance grant for the proposed compliance project is to update their compliance schedule. A revised [compliance] schedule has been sent to the IEPA and they will not approve the grant application until [the Board] has commented on the revised schedule."

The Board fails to understand why it would be required to take action in this rulemaking on the City's updated compliance schedule. In light of the City of Havana's letter which opines that the Board is in some manner delaying the City's ability to acquire a compliance grant from the Agency, the Board hereby directs the Agency to respond and comment within 10 days of this Order on the City of Havana's letter dated September 7, 1989 and filed with the Board on October 4, 1989.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board hereby certifies that the above Order was adopted on the 15th day of October, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
