ORDER OF THE BOARD (by B. Forcade):

This matter comes before the Board on a Motion for Extension of Time to Complete Construction of An Earthen Berm filed by Gallagher Asphalt ("Gallagher") on July 27, 1990. Pursuant to the Final Opinion and Order of the Board issued on July 19, 1990, Gallagher was directed to construct an earthen berm by July 27, 1990. Gallagher has indicated "that they intend to complete the earthen berm promptly." See Motion p. 2. Gallagher requests an extension of time until not later than September 27, 1990 to complete construction of the berm. Gallagher expects that completion will occur prior to that date.

The motion is granted. Gallagher is ordered to proceed immediately with the construction of the earthen berm and to complete such construction not later than September 27, 1990.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 30th day of August, 1990, by a vote of 7-0.
