HEARING OFFICER ORDER

On July 12, 2004, the parties informed the hearing officer that they are close to settlement and requested that discovery and complainant's response to respondent's affirmative be stayed and due dates revisited at the next status conference if needed. The parties request is granted.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on September 9, 2004, at 10:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
