## **HEARING OFFICER ORDER**

On November 9, 2004, all parties participated in a telephonic status conference with the hearing officer. The parties represented that they have reached a settlement on the penalty demand and that complainant will draft a stipulation and proposal for settlement (stipulation) and forward it to the respondent for its review. By agreement, the respondent's answer due date was extended. The respondent's answer is now due to be filed on or before February 2, 2005.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on January 13, 2005, at 10:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further order.
