ORDER OF THE BOARD (by C.A. Manning):

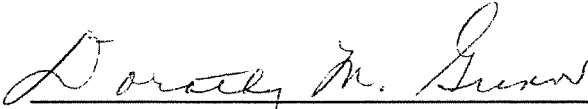

This matter is before the Board on a motion for extension of time that the Board received via fax on February 1, 1995. By its representative, P&P International Inc., Mr. "C" Food & Liquor (Mr. "C") requests a 30-day extension, or until March 15, 1995, in which to file an amended petition. On January 11, 1995 the Board found Mr. "C"'s petition to review an Office of State Fire Marshal (OSFM) determination insufficient and directed Mr. "C" to file an amended petition on or before February 9, 1995. Mr. "C" requests additional time in order to have an attorney prepare the amended petition.

The motion is hereby granted and Mr. "C" now has until March 15, 1995 to file an amended petition satisfying the petition content requirements of 35 Ill. Adm. Code 107.122 and to offer proof that the petition for review was served on the OSFM.

In the future, the Board will not accept "fax" filings and all documents Mr. "C" wishes to submit to the Board must be filed either in person or by mail as stated in the Board's procedural rules. In this instance we will accept the fax filing because when we attempted to contact Mr. "C"'s representative to request that the motion for extension of time and the requisite number of copies be mailed to the Board, the telephone number was disconnected. As we stated in our January 11 order, a copy of the Board's recently-adopted procedural rules governing appeals from OSFM decisions is available through the Clerk's Office as well as our general procedural rules governing practice before the Illinois Pollution Control Board. We strongly urge Mr. "C"'s representative to obtain a copy so as to not jeopardize Mr. "C"'s appeal before the Board.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 9<sup>th</sup> day of February, 1995, by a vote of 6-0.
