ORDER OF THE BOARD (by Dr. Satchell):

On February 13, 1980 the City of East Peoria filed a variance petition which is deficient in several respects. It fails to request or waive a hearing as required by Procedural Rule 401(b). It does not contain a clear and complete statement of the precise extent of the relief sought or identify the Board regulations from which the variance is sought as required by Procedural Rule 401(a)(1). Petitioner should note that modification of NPDES permit terms is generally within the Environmental Protection Agency's competence. The petition may be deficient in other respects, including failure to include information required by Procedural Rule 401(a)(4), (7), (8) and (10). Unless these deficiencies are corrected within forty-five days of the date of this Order, the petition will be subject to dismissal.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 21st day of February, 1980 by a vote of 4-0.
