ORDER OF THE BOARD (by Mr. Dumelle):

On January 14, 1980 Petitioners Roy B. Feldkamp and Joann Feldkamp requested a variance to permit construction and operation of a sewer extension to connect to the City of Altamont sewerage system. On its own motion the Board has determined that a complete determination of this matter cannot be had without the presence of the City of Altamont as a party. Consequently, the City of Altamont is hereby joined as a Petitioner.

The Petition does not adequately address the environmental impact this variance would cause. The Petition does not state the reasons why the City of Altamont has been placed on restricted status and the extent of non-compliance. If these deficiencies are not corrected in an amended petition within 45 days of this date of this Order, this matter will be subject to dismissal. The statutory 90 day decision period shall run from the date an amended petition is filed.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 24th day of January, 1980 by a vote of 4-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
