Respondent.)	

ORDER OF THE BOARD (by R.C. Flemal):

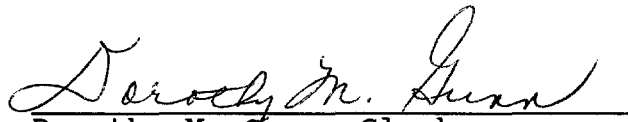

On November 16, 1994, St. Louis Auto Shredding (SLAS) and the Illinois Environmental Protection Agency (Agency) filed a joint status report pursuant to a October 6, 1994 Board order. The parties state that they have reached an agreement about the most significant terms of the closure permit, but are in the process of finalizing the closure permit details. SLAS anticipates filing a motion to dismiss this matter in the near future. The Board accepts the parties' status report.

SLAS and the Agency also request a new status date. The parties state that additional time is needed to finalize their agreement on SLAS's closure permit. The Board grants the request for new status date.

The Board directs SLAS and the Agency to file status reports, or a joint status report if the parties prefer, to be received by the Board and hearing officer no later than January 30, 1995, in the event that this matter has not already been resolved and dismissed.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 1st day of December, 1994, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
