ORDER OF THE BOARD (by C.A. Manning):

Pursuant to our order of December 2, 1993, A.B. Dick Company (A.B. Dick) and the Illinois Environmental Protection Agency filed a joint status report on January 14, 1994. The status report indicates that A.B. Dick is negotiating with the Illinois Environmental Protection Agency ("Agency") regarding settlement in this matter and in a related case, A.B. Dick v. IEPA, PCB 92-209. The parties state they are reviewing their settlement positions in light of Chemrex, Inc. v. IPCB, No. 1-93-0804, slip op. (Ill. App. 1st Dist., Dec. 28, 1993) as the instant case involves facts and issues substantially similar to Chemrex.

The parties specifically request this matter not be set for hearing until they have exhausted all settlement opportunities. Accordingly, A.B. Dick has filed a statutory decision waiver until January 1, 1995 so the parties may pursue settlement negotiations. We hereby accept the status report filed by A.B. Dick and the Agency, and direct the parties to file an additional status report on or before April 14, 1994.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 20<sup>th</sup> day of January, 1994, by a vote of 7-0.
