ORDER OF THE BOARD (by R.C. Flemal):

On March 31, 1995 St. Louis Auto Shredding (SLAS) and the Illinois Environmental Protection Agency (Agency) filed a joint status report pursuant to Board order of February 2, 1995. SLAS states that it received a Closure Certificate from the Agency on March 30, 1995. Due to the lengthy conditions in the Closure Certificate, SLAS has not thoroughly reviewed it. SLAS states that it is not in a position to dismiss the permit appeal at this time. However, pending any unforeseen significant new requirements in the Closure Certificate, SLAS anticipates filing a motion to dismiss in the near future.

The parties requests a further status report due by May 16, 1995. The Board accepts the joint status report and grants the request for a new status date. The Board directs SLAS and the Agency to file a status report to the hearing officer by May 16, 1995 in the event that this matter has not already been resolved and dismissed. All future status reports shall be at the direction of the hearing officer.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 6<sup>th</sup> day of April, 1995, by a vote of 7-0.
