ORDER OF THE BOARD (by E. Dunham):

Pursuant to the Board's order of November 18, 1993, LTV filed a status report in this matter on February 1, 1994. LTV also provided a waiver of the decision deadline until September 5, 1994.

The status report states that petitioner and respondent have held a series of discussions concerning the inclusion of the groundwater monitoring requirements in the permit that is the subject of this appeal. Agreement has been reached on that issue and the monitoring plan is undergoing final approval. Once approval is received, LTV will dismiss this appeal.

Petitioner is directed to file an updated status report on or before May 13, 1994, in the event that this appeal has not previously been dismissed.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 3rd day of February, 1994, by a vote of 7-0.
