

ILLINOIS POLLUTION CONTROL BOARD
November 3, 1994

IN THE MATTER OF:)
)
PETITION OF CHASE PRODUCTS) AS 94-4
COMPANY FOR AN ADJUSTED) (Adjusted Standard)
STANDARD FROM 35 ILL. ADM.)
CODE 218 SUBPART DD)

ORDER OF THE BOARD (by M. McFawn):

This matter is before the Board on a joint motion for extension of time filed by the parties on October 27, 1994. The parties seek an additional 30 days for petitioner Chase Products Company (Chase) to file its amended petition, extending its deadline until December 1, 1994.

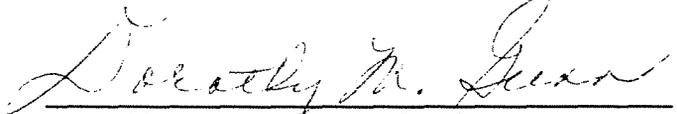

Chase filed its original petition on February 14, 1994. On March 3, 1994, the Board accepted Chase's petition but noted that it was not yet complete. The Board directed Chase to file an amended petition on or before April 15, 1994. On April 1, 1994, the parties filed a joint motion requesting an extension of time until May 27, 1994 for Chase to file its amended petition, which the Board granted. On May 27, 1994, the parties filed a second joint motion for extension of time, seeking an extension until July 12, 1994 which the Board granted by order issued June 2, 1994. On July 12, 1994, the parties filed a third motion for extension of time until August 12, 1994, which the Board granted by order issued July 21, 1994. On August 11, 1994, Chase filed a fourth motion for extension of time until October 31, 1994, which the Board also granted by order dated September 1, 1994.

In support of their joint motion, the parties indicate that Chase submitted a draft a co-petition to the Agency, and that the Agency recently provided Chase with a revised draft incorporating the Agency's suggested changes. The motion also indicated that the parties have met to discuss technical issues, as a result of which the Agency has requested Chase to submit a technical support document. Chase indicates that it is now in the process of developing this document. The extension of time is requested in order to allow Chase to develop the technical support document and to complete its review of the Agency's recommended changes to the co-petition.

Accordingly, the fifth joint motion for extension of time is hereby granted. To avoid the necessity of yet another such motion, the Board will grant the extension until January 3, 1995. Chase is directed to file an amended petition or a joint petition on or before January 3, 1995.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 3rd day of November 1994, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
