ORDER OF THE BOARD (J. Theodore Meyer):

This matter comes before the Board on a May 1, 1995 amended petition filed by Kelley-Williamson Company (Kelley-Williamson). The amended petition cures the defects found by the Board as explained in its April 6, 1995 order. The filing of this amended petition restarts the Board's decision timeclock.

This matter is accepted for hearing. The hearing must be scheduled and completed in a timely manner, consistent with Board practices and the applicable statutory decision deadline, or the decision deadline as extended by a waiver (petitioner may file a waiver of the statutory decision deadline pursuant to 35 Ill. Adm. Code 101.105). The Board will assign a hearing officer to conduct hearings consistent with this order, and the Clerk of the Board shall promptly issue appropriate directions to that assigned hearing officer.

The assigned hearing officer shall inform the Clerk of the Board of the time and location of the hearing at least 40 days in advance of hearing so that public notice of hearing may be published. After hearing, the hearing officer shall submit an exhibit list, a statement regarding credibility of witnesses and all actual exhibits to the Board within 5 days of the hearing. Any briefing schedule shall provide for final filings as expeditiously as possible and, in time-limited cases, no later than 30 days prior to the decision due date, which is the final regularly scheduled Board meeting date on or before the statutory or deferred decision deadline. As noted, the filing of the amended petition restarted the Board's decision timeclock. Absent any future waivers of the decision deadline or the filing of additional amended petitions, the statutory deadline is now August 29, 1995; the Board meeting immediately preceding the due date is scheduled for August 17, 1995.

If after appropriate consultation with the parties, the parties fail to provide an acceptable hearing date or if after an attempt the hearing officer is unable to consult with the parties, the hearing officer shall unilaterally set a hearing date in conformance with the schedule above. The hearing officer

and the parties are encouraged to expedite this proceeding as much as possible. The Board notes that Board rules (35 Ill. Adm. Code 105.102) require the Agency to file the entire Agency record of the reimbursement application within 14 days of notice of the petition.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 4th day of May, 1995, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
