ORDER OF THE BOARD (by J. Theodore Meyer):

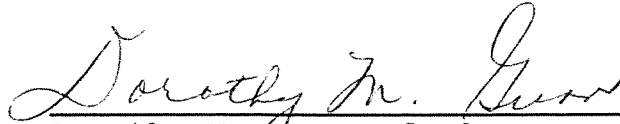

On January 6, 1995, petitioner the Galesburg Sanitary District (District) and the respondent the Illinois Environmental Protection Agency (Agency), filed a joint status report and motion for extension of stay.

The petitioner waived the April 20, 1995 decision date for this matter to November 20, 1995. On December 30, 1994, the petitioner filed its adjusted standard (AS 94-20) with the Board. If AS 94-20 is granted by the Board, this permit appeal would be moot. The District and the Agency agreed to expeditiously proceed with the adjusted standard proceedings. The Agency reviewed the joint status report and motion for extension to stay and the Agency will not file a response.

The motion to stay is granted, and this matter is stayed until June 15, 1995. The parties are directed to file status reports, either jointly or separately, no later than June 5, 1995.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, do hereby certify that the above order was adopted on the 11th day of January, 1995, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
