ORDER OF THE BOARD (by E. Dunham):

This permit appeal was filed on October 24, 1991. Sherex Chemical Co. has filed a waiver of the decision deadline through and including November 30, 1994. Previous status reports filed by Sherex have indicated that an agreement has been reached with the Illinois Environmental Protection Agency (Agency) and that this matter would be dismissed upon the issuance of a new permit by the Agency.

Absent an additional waiver, the Board must decide this matter based on the record at its November 3, 1994 meeting. The Board orders the parties to file status reports with the Board on or before October 15, 1994.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 15th day of September, 1994, by a vote of 6-0.

Illinois Pollution Control Board
