ORDER OF THE BOARD (by R.C. Flemal):

This matter comes before the Board on a joint status report filed by the parties on September 12, 1994. The parties state that they "have reached an agreement about the terms of a closure permit, but are working out the final details" (Status Report at 1). The parties further state that St. Louis Auto Shredding expects to file a motion to dismiss this permit appeal in the near future, after agreement with the Agency is finalized. As a consequence, the parties ask that the Board order another status report in sixty days.

However, the Board notes that this matter has a decision deadline of January 16, 1995 (January 12, 1995 Board meeting). Accordingly, setting a November status date would not allow sufficient time for hearing and Board decision absent a waiver of the decision deadline. The Board refers this matter to the hearing officer to proceed in accordance with the existing time schedule. Should the petitioner submit an appropriate waiver of the decision deadline, the parties may request a new status date at that time.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 15<sup>th</sup> day of September, 1994, by a vote of 6-0.

  
Dorothy M. Gunn, Clerk
