ORDER OF THE BOARD (by E. Dunham):

On August 7, 1995, American Waste Processing (American) filed a status report in response to the Board order of May 25, 1995. Petitioner has provided the Board with an open waiver of the decision deadline in this matter.

After the hearings in this matter were concluded, the parties agreed that the petitioner should file a new Part B application. A new Part B permit application has been filed by petitioner and has been accepted for completeness by the Agency. A draft permit was issued on May 24, 1995 with a forty-five day comment period. No comments were received during the comment period. A permit is expected to be issued by September 1, 1995. American requests that the Board continue to defer consideration of the record in this matter.

The Board will continue to defer review of this matter. The Board directs the parties to file status reports or a joint status report on or before October 6, 1995, unless this case is otherwise resolved or dismissed.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 24<sup>th</sup> day of August, 1995, by a vote of 7-0.
