PCB 93-203 (Permit Appeal)

ILLI PROTECTION AGENCY,

Respondent.

ORDER OF THE BOARD (by M. Nardulli):

This matter is before the Board on Galesburg Sanitary District's (Galesburg) petition for review of NPDES permit conditions imposed by the Illinois Environmental Protection Agency. Galesburg has waived the decision deadline in this matter until August 31, 1994.

On November 29, 1993, the Agency filed an answer and record in this matter. The record includes a table of contents and over 800 pages of materials. While the table of contents lists the materials contained in the record, the table of contents does not identify the corresponding page where the materials can be found. The Board hereby directs the Agency to file with the Board on or before January 3, 1994 an amended table of contents which identifies the corresponding page numbers of the listed documents.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control 6-0 .
