ORDER OF THE BOARD (by, J. C. Marlin):

This matter is before the Board on a February 23, 1993, motion by the Illinois Environmental Protection Agency (Agency) for an extension of time to file a response to Olin's objection and motion to vacate closure plan approval. Olin has not filed a response to the Agency's motion.

The Agency cites previously scheduled meetings relative to the Agency attorney's caseload of enforcement cases as the reason an extension of time is needed. The Agency also states in its motion that an extension of time will not prejudice Olin since the decision deadline has been extended by Olin until October 1, 1993. The Agency states that it will be able to prepare and file a response with the Board within three weeks of the date the motion was filed. Accordingly, the Agency's motion for extension of time is granted until 4:30 P.M. on March 16, 1993.

IT IS SO ORDERED.
