ORDER OF THE BOARD (by R.C. Flemal):

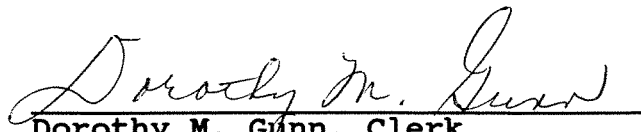

On December 29, 1994, LTV Steel Company (LTV) and the Illinois Environmental Protection Agency (Agency) filed a joint status report. The status report was due to be filed on or before November 18, 1994 pursuant to Board order of July 21, 1994. LTV also filed a motion that the report be accepted instanter, stating that ongoing negotiations with the Agency and the Chicago Legal Clinic delayed its filing. The Board grants the motion to file instanter.

LTV and Acme Steel Company filed a petition for an adjusted standard on March 24, 1994, docket AS 94-8. The parties report that on August 31, 1994, LTV filed a petition to revise the relief requested in AS 94-8. On November 28, 1994 the Agency filed its recommendation that the revised relief be granted. If the adjusted standard in AS 94-8 is granted, it would obviate the reason for this permit appeal. LTV requests that the matter be stayed for another 180 days. An open waiver was previously filed in this proceeding.

The Board grants the motion to stay and directs the parties to file a status report with the Board and hearing officer not later than May 10, 1995 in the event that this matter has not already been resolved and dismissed.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 11th day of January, 1995, by a vote of 6-0.

  
Dorothy M. Gunn, Clerk  
Illinois Pollution Control Board
