ORDER OF THE BOARD (by M. Nardulli):

This petition was filed with the Board on September 20, 1991. On April 16, 1992, the Board received a status report filed by the Illinois Environmental Protection Agency (Agency). The status report indicates that the petitioner and the U.S. EPA are working to resolve this matter. Petitioner is currently negotiating limits of the Federal Implementation Plan (FIP) promulgated by the U.S. EPA at 55 Fed. Reg. 26814 on June 29, 1990. The rules adopted by the Board are substantially similar to the rules promulgated by the U.S. EPA. The parties asserted that once the issues between petitioner and the U.S. EPA are resolved through the issuance of a letter notice, the Agency will modify petitioner's permit to reflect those limits.

The Board orders a stay of the proceedings in this matter for 90 days from the date of this order, and directs the parties to file another status report with the Board to be received by the Board no later than August 1, 1992. The Board notes that a previous order on February 6, 1992 granted an extension of the time in which the Agency was to file its recommendation until May 15, 1992. The Agency may renew its request if necessary, when the next status report is filed.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, do hereby certify that the above order was adopted on the 23<sup>rd</sup> day of April, 1992, by a vote of 7-0.

  
Dorothy M. Gunn, Clerk  
Illinois Pollution Control Board
